

**City of Guadalupe** 

## AGENDA

## Regular Meeting of the Guadalupe City Council

# Tuesday, November 23, 2021, at 6:00 pm City Hall, 918 Obispo Street, Council Chambers

The City Council meeting will broadcast live on Charter Spectrum Cable Channel 20.

All persons attending the City Council meeting are required to wear nose and face masks regardless of vaccination status when indoors in public setting, with limited exceptions pursuant to **County of Santa Barbara Health Officer Order No. 2021-10.6.** 

If you choose not to attend the City Council meeting but wish to make a comment during oral communications or on a specific agenda item, please submit via email to <u>juana@ci.guadalupe.ca.us</u> no later than 1:00 pm on Tuesday, November 23, 2021.

Please be advised that, pursuant to State Law, any member of the public may address the City Council concerning any item on the Agenda, before or during Council consideration of that item. If you wish to speak on any item on the agenda, including any item on the Consent Calendar or the Ceremonial Calendar, please submit a speaker request form for that item. If you wish to speak on a matter that is not on the agenda, please do so during the Community Participation Forum.

The Agenda and related Staff reports are available on the City's website: <u>www.ci.guadalupe.ca.us</u> Friday before Council meeting.

Any documents produced by the City and distributed to a majority of the City Council regarding any item on this agenda will be made available the Friday before Council meetings at the Administration Office at City Hall 918 Obispo Street, Monday through Friday between 8:00 am and 4:30 pm, and also posted 72 hours prior to the meeting. The City may charge customary photocopying charges for copies of such documents. Any documents distributed to a majority of the City Council regarding any item on this agenda less than 72 hours before the meeting will be made available for inspection at the meeting and will be posted on the City's website and made available for inspection the day after the meeting at the Administrator Office at City Hall 918 Obispo Street, Monday through Friday between 8:00 am and 4:30 pm.

In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, including review of the Agenda and related documents, please contact the Administration Office at (805) 356.3891 at least 72 hours prior to the meeting. This will allow time for the City to make reasonable arrangements to ensure accessibility to the meeting.

## 1. <u>ROLL CALL</u>:

Council Member Liliana Cardenas Council Member Gilbert Robles Council Member Eugene Costa Jr. Mayor Pro Tempore Tony Ramirez Mayor Ariston Julian

### 2. <u>MOMENT OF SILENCE</u>

### 3. <u>PLEDGE OF ALLEGIANCE</u>

#### 4. AGENDA REVIEW

At this time the City Council will review the order of business to be conducted and receive requests for, or make announcements regarding, any change(s) in the order of business.

### 5. <u>COMMUNITY PARTICIPATION FORUM</u>

Each person will be limited to a discussion of three (3) minutes or as directed by the Mayor. Pursuant to provisions of the Brown Act, no action may be taken on these matters unless they are listed on the agenda, or unless certain emergency or special circumstances exist. City Council may direct staff to investigate and/or schedule certain matters for consideration at a future City Council meeting.

### 6. <u>CONSENT CALENDAR</u>

The following items are presented for City Council approval without discussion as a single agenda items in order to expedite the meeting. Should a Council Member wish to discuss or disapprove an item, it must be dropped from the blanket motion of approval and considered as a separate item.

- **A.** Waive the reading in full of all Ordinances and Resolutions. Ordinances on the Consent Calendar will be adopted by the same vote cast as the first meeting, unless City Council indicates otherwise.
- **B.** Approve payment of warrants for the period ending November 18, 2021.
- **C.** Approve the Minutes of the City Council special meeting of November 2, 2021, to be ordered filed.
- **D.** Approve the Minutes of the City Council regular meeting of November 9, 2021, to be ordered filed.
- **E.** Accept the October 2021 Financial Report.
- **F.** Adopt Resolution No. 2021-90 authorizing staff to apply for the CalFire Urban and Community Forestry grant program for funding to create an urban forest management plan, plant trees, and accept and execute the grant.

#### G. MONTHLY REPORTS FROM DEPARTMENT HEADS

- 1. Public Safety Department:
  - a. Police Department report for October 2021
  - b. Fire Department report for October 2021
  - c. Code Compliance report for October 2021
- 2. City Treasurer's report for October 2021
- 3. Human Resources report for October 2021

## 7. <u>CITY ADMINISTRATOR REPORT</u>: (Information Only)

## 8. <u>DIRECTOR OF PUBLIC SAFETY REPORT</u>: (Information Only)

## 9. MAYOR'S REPORT- UPDATES:

#### **REGULAR BUSINESS**

#### 10. Broadband Strategic Plan.

Written Report: Todd Bodem, City Administrator

<u>Recommendation</u>: That the City Council:

- a. Receive a presentation from Marjie Kirn, Executive Director from the Santa Barbara County Association of Governments on a regional broadband strategic plan for Santa Barbara County.
- b. Approve and authorize the Mayor to execute a Memorandum of Understanding with Santa Barbara County Association of Governments (SBCAG), County of Santa Barbara, and the cities of Santa Barbara, Santa Maria, Lompoc, Goleta, Carpinteria, Guadalupe, Solvang, and Buellton to prepare a regional broadband strategic plan and financially contribute \$5,422.63 toward this effort from a portion of the City's American Rescue Plan Act (ARPA) funds.

#### PUBLIC HEARING

#### 11. Crandall 12<sup>th</sup> Street Apartments – Design Review Permit (2021-049-DR).

Written Report:	Bill Scott, City Planner
Recommendation:	That the City Council:

- a. Receive a presentation from staff;
- b. Conduct a public hearing, including 1) an opportunity for the applicant to present the proposed project, and b) receive any comments from the public; and
- c. Adopt Resolution No. 2021-88 approving the major Design Review Permit 2021-049-DR, for the Crandall 12<sup>th</sup> Street apartment project.

#### 12. Edwards Olivera Street Apartments – Design Review Permit (2021-078-DR).

Written Report:	Bill Scott, City Planner
Recommendation:	That the City Council:

- a. Receive a presentation from staff;
- b. Conduct a public hearing, including: 1) an opportunity for the applicant to present the proposed project, and b) receive any comments from the public; and
- c. Adopt Resolution No. 2021-89 approving the Design Review Permit 2021-078-DR, for the Edwards Olivera Street 5-unit multi-family complex.

#### 13. FUTURE AGENDA ITEMS

## 14. <u>ANNOUNCEMENTS – COUNCIL ACTIVITY/COMMITTEE REPORTS</u>

## 15. ADJOURNMENT

I hereby certify under penalty of perjury under the laws of the State of California that the foregoing amended agenda was posted on the City Hall display case and website not less than 72 hours prior to the meeting. Dated this 19<sup>th</sup> day of November 2021.

Todd Bodem

Todd Bodem, City Administrator

REPORT TO THE CITY COUNCIL OF THE CITY OF GUADALUPE Agenda of November 23, 2021

Prepared by: Veronica Fabian Finance Account Clerk Buena M.

Reviewed by Lorena Zarate Finance Director

Todd Bodem

Approved by: Todd Bodem City Administrator

**SUBJECT:** Payment of warrants for the period ending November 18, 2021 to be Approved for payment by the City Council. Subject to having been certified as being in conformity with the budget by the Finance Department staff.

## **RECOMMENDATION:**

That the City Council review and approve the listing of hand checks and warrants to be paid on November 24, 2021.

## BACKGROUND:

Submittal of the listing of warrants issued by the City to vendors for the period and explanations for disbursement of these warrants. An exception, such as an emergency hand check may be required to be issued and paid prior to submittal of the warrant listing, however, this warrant will be identified as "Ratify" on the warrant listing.

## MINUTES City of Guadalupe

### Special Meeting of the Guadalupe City Council Tuesday, November 2, 2021 6:00 pm City Hall, 918 Obispo Street, Council Chambers

#### 1. <u>ROLL CALL</u>:

Council Member Liliana Cardenas Council Member Gilbert Robles Council Member Eugene Costa Jr. Mayor Pro Tempore Tony Ramirez Mayor Ariston Julian

All were present. (The abbreviation "CM" is being used for Council Member in these minutes.)

#### 2. MOMENT OF SILENCE

#### 3. PLEDGE OF ALLEGIANCE

#### 4. COMMUNITY PARTICIPATION FORUM

Each person will be limited to a discussion of three (3) minutes or as directed by the Mayor. Pursuant to provisions of the Brown Act, no action may be taken on these matters unless they are listed on the agenda, or unless certain emergency or special circumstances exist. City Council may direct staff to investigate and/or schedule certain matters for consideration at a future City Council meeting.

There were no requests to speak.

#### **REGULAR BUSINESS**

5. Consideration of City of Guadalupe Firefighter's Association, International Association of Fire Fighters, Local 4403 Memorandum of Understanding Tentative Agreement.

Written Report: Emiko Gerber, Human Resources Manager

<u>Recommendation</u>: That the City Council approve the tentative agreement for a Memorandum of Understanding with the International Association of Fire Fighters, Local 4403 for a three-year period retroactive to 07/01/2021 through 06/30/2024.

Emiko Gerber, Human Resources Manager, briefly explained the tentative MOU with the International Association of Fire Fighters, Local 4403 (hereinafter referred to as the "Association"). She then turned things over the Ché Johnson, attorney with the law firm, Liebert, Cassidy & Whitmore, who is representing the City in negotiations. Mr. Johnson explained that the City has been in negotiations

with IAFF for over two (2) months now. He said, "The last round of proposals offered that Association included the City's 'Last, Best, and Final Offer' (LBFO). We thought that the Association wouldn't accept the LBFO and we then declared impasse in the negotiations. We were prepared to go through impasse procedures including potentially fact finding. But before the timeframe for fact finding occurred, the attorney representing the Association sent an email saying the Association was willing to accept the City's LBFO."

Mr. Johnson went on to explain that the Council has before them the LBFO that was accepted and contained the following provisions: 1) 3-year term; 2) change from the current 14-day FLSA pay period to a 28-day FLSA pay period. An important part from the City's perspective is that the evaluation period to determine if the fire fighter has worked overtime is doubled = less of a chance for fluctuation within a 28-day period where we can normalize the schedule and better control overtime; there's also the reopener clause if overtime continues beyond the approved budget, the parties can reopen the agreement and consider other cost-saving measures, and 3) shift trades, allowing employees, with prior approval of the City, to trade shifts that will not impact overtime.

He further said, "In exchange for the change from the 14-day FLSA pay period to a 28-day FLSA pay period, there were wage increases as follows: 1) Year 1 = Status Quo; 2) Year 2 (FY 22/23) = 2.0%, and 3) Year 3 (FY 23/24) = 2.5%. There are significant costs the department has seen in overtime. This will start to correct that overtime." The discussion was turned back to the Council.

CM Ramirez said, "I have a couple questions, not on the actual MOU but on the health of our finances. Currently, with the current MOU, we're at 30% overage. We be should at 25% now. Looking at the LBFO, there are a lot of things that are currently in place that will make an impact. But will it be a significant impact to make sure that at the end of the fiscal year, we're not going to be over the budget, specifically with overtime? And it's also not touching incentives."

Ms. Lorena Zarate, Finance Director, responded, "There will be savings from the FLSA change in the 28-day period. Also, there will be \$113,000 reimbursed from the mutual aid agreement. Estimating what the year would be with the changes in the tentative agreement, we still would be over budget in overtime at the end of this fiscal year."

CM Ramirez said, "Given that things are unpredictable, particularly with things in the fire world, looking at being pulled away for mutual aid, someone gets hurt or sick, etc. We're dealing with that on the police side when someone gets pulled away for a time, having to cover staff. MOU doesn't necessarily address all that we have on there. Also, another part of this is that when this was negotiated, in good faith, we didn't have all the answers on the American Cares Act either. One of the things I'm trying to see the larger picture where I can give the okay is on the Battalion Chief. This leaves no room for anything like that. To add anything for sustainability down the line."

Ms. Anna Marie Michaud, City Treasurer, asked, for clarification on the shift trade language in the tentative agreement. Mr. Johnson said, "The shift trade language we adopted is pursuant to the Fair Labor Standards Act (FLSA). The general rule, according to FLSA, when someone is eligible for overtime, all hours worked should be paid. But in Section 207, there is an exception to that general rule. Fire fighters look at hours "scheduled to work" that are traded to determine overtime, not "hours worked".

That would be another mechanism to help reduce overtime under the FLSA. That language was not in the current MOU."

CM Cardenas, "Going back to how the information on the estimated year-end line item for overtime, it says it doesn't include step increases and additional incentives. Why would that be under the overtime line item?"

Ms. Zarate said, "Receiving additional incentives equates to an increase in the hourly rate. If the employee worked overtime, the overtime rate would include incentives. Step increases are not automatic but are based on performance. They may or may not receive a step increase which are normally 5.0%. Not knowing if they would receive step increases, that could be more in the next years. So, those are the factors."

Mayor Julian asked, "Do we have definitions for what's applicable for incentives?" Ms. Gerber said, "Yes, in the current MOU, there are twelve defined certifications or a potential of up to 18% of incentive pay." CM Ramirez then said, "The tentative agreement we have here doesn't address incentive pay. Ms. Gerber added, "No, it doesn't address incentive pay. There are two categories, education and certificate." CM Ramirez continued commenting, "So, it's 18% above what a base salary is. Potentially compounded. Right?" Ms. Gerber said, "Correct. Compounded with the potential of 23% on top of base rate with educational incentives."

The mayor asked if we had information on where the Fire staff was in terms of incentives. Ms. Gerber said, "Some employees are in the middle. 12% is the highest now paid in incentives."

CM Cardenas referenced the staff report saying, "It says that the City will likely reopen negotiations if overtime is exceeding the budget. Is this because we're already exceeding the overtime budget? Why is that?" Ms. Gerber said, "Based upon our YTD for the 1<sup>st</sup> Quarter, there was \$110,000 approved in overtime but \$90,000 has been budgeted for the full year. We will receive a reimbursement which is an estimate based on calculated base wage with benefits, I believe. The \$113,000, even though we paid out \$110,000 in overtime, also includes benefits, as well. We applied that to the entire year for the projection and Lorena was conservative with those figures. That's some of the data we wanted to review with the Association before we moved forward with this tentative agreement. However, they didn't accept our invitation to meet and review those figures."

Mayor Julian then said, "So, it's an unknown." Mr. Johnson added, "Correct. This agreement would allow us to come back to the table and reopen this agreement to try and achieve more cost savings. One of the council members brought up the issue of incentives, specialty pay. That was something in our original proposal and were talking to the Association about, having a future discussion on curtailing and reducing costs of some of those proposals. But the Union was very much against that and was part of the LFBO. We did strike that provision. But the reopener would allow us to come back and reopen any economic part of the Agreement if the overtime continues to be above the budgeted amount." CM Costa, Jr. said, "On the OES mutual aid when they go out on a strike team, they only reimburse for strike team hours while out in the field and not for the overtime here to cover. Is that right?" Ms. Gerber said, "That is correct. There is no reimbursement for coverage at the local station."

CM Ramirez then asked, "The reopener is part of the agreement. If the Council denies this tentative agreement, then what happens?" Mr. Johnson responded, "Staff is recommending the proposal. If the *Council rejects this tentative agreement, it sets the parties back to the table to continue negotiations.* The status quo or current system would be in place. There would be no negotiated protections in place for curtailing overtime, such as shift trades. I would anticipate that the negotiations would be very difficult. It would be very foreseeable that we would probably reach another impasse. But we would essentially be sent back to the negotiations table to try and negotiate terms that the City Council would find agreeable."

CM Cardenas also asked, "If staff believes going back to negotiations will be tough, we already know that. Is that still anticipated?" Mr. Johnson said "I think negotiations will be difficult because these negotiations have been hard. Employees don't like to take pay cuts, and they don't like to see the amount of their overtime going down. If the Council rejects this agreement, that will even be harder than if we used the reopener of the agreement to come back to the table."

CM Costa, Jr. asked, "Fire doesn't want to do a different schedule on their shifts?" Mr. Johnson said, "Correct, we originally proposed an entirely different schedule. We had looked at a schedule that we thought would be the most efficient way to control overtime. The Union was completely against that schedule. They didn't want that proposed schedule. This idea of the FLSA pay period change was during the back-and-forth process of negotiations and was the most acceptable term that the Union was willing to accept."

Mayor Julian said, "On page 2 of 3 on the staff report, 'Fiscal Impact', there's a lot of unknowns that I see. We already know that we're over in overtime. There's a 10%+ increase with different health benefits, and everything else. It's a little spooky not to have a handle on finances as we look forward. There's an alternative that's noted here in terms of not approving the tentative agreement. What triggers, in terms of time, then coming back to the table to negotiate?"

Mr. Johnson said, "If it was the Council's direction to reject the proposal, then we would send out a notice to the Union immediately. I would anticipate that they would be reluctant to come back to the table. They may even threaten an unfair labor practice charge. But consistent with the City Council's direction, staff will do exactly what the Council wants us to do. We'd be very vigilant in moving forward in starting negotiations and try reaching an agreement the Council will accept. In terms of a timeframe, we would at least need to assume about a period of three-to-four months of additional negotiations. I'm being a little conservative there by overestimating but I think that's a fair estimation. An additional three-to-four months."

The mayor then asked, "What triggers an unfair labor practice?" Mr. Johnson answered, "I'm not saying there'd be any merit to it but I think It would be naïve to assume that the Association wouldn't try to defend their position as strongly as possible. I don't know what the basis of that would be, but I do believe that we have been negotiating in good faith and have tried to reach an agreement in good

faith. It's the Council's discretion to either accept or reject the proposal. As the staff report indicates, the City Council has the ability give us direction and send us back to the table if that's the desire of the Council. However, during the period while we're still in negotiations, the overtime costs will continue."

Mayor Julian said, "Staff has looked at the alternatives and has given us this format in terms of approving with an alternative. Do we have enough information that we would benefit financially if we denied or rejected the tentative agreement?" Ms. Gerber, "Staff has outlined some additional contributing factors that we'd like to bring to the table. We've talked about incentives, including education pay, and restructuring that program. There's Article 13D regarding overtime. Currently, overtime includes vacation, sick leave, compensatory time off, etc. Those are some contributing factors we'd like to address with the Association. Also, minimum staffing. At the current time, the MOU says that if an employee is out for vacation or sick leave purposes, another employee needs to fill in. A 1-to-1 ratio. There are other areas we can look at that can be contributing factors to the overtime we're currently seeing."

City Attorney Sinco questioned whether the mayor's question was answered and asked the mayor if he wanted to rephrase it. Mayor Julian asked again, "Where would we be financially if we went with this versus if we stayed at the current rate?" Ms. Zarate said, "If the Council denies or rejects the agreement, we'd look at the estimated costs for this fiscal year, including COLA projections. There may be step increases and additional certifications that would increase the costs, in addition to additional attorney costs for the negotiations." Mayor Julian said, "You need a crystal ball."

CM Cardenas asked, "The \$113,000 reimbursement for mutual aid. Does that cover a large portion of the overtime? Ms. Zarate said, "I think so. Chief said most of the salary is covered for the employee(s) out in the field, dollar-for-dollar all related benefits, but only regular salary for the employee(s) backfilling at the station here."

CM Cardenas continued asking, "Is the overtime mostly for mutual aid?" Ms. Zarate said, "Yes, for the first three (3) months of the current fiscal year, it is mostly mutual aid." CM Robles asked, "Can you define mutual aid?"

Chief Cash added, "Let me answer the first question. Yes, in this situation, most of the overtime is mutual aid. But because of the way it's structured, there's a continuing wave of overtime. They're paid automatic overtime. That's the issue." Ms. Gerber explained the current 2/4 schedule with the built-in overtime. Two (2) days on/four (4) days off schedule as well as anticipated overtime with the current schedule versus actual overtime. She said, "We were slightly over budget at the start of the quarter, and it accelerated which was due to mutual aid fighting the wildfires." The mayor then said, "So, the projection is \$87,000 difference over the budget." Ms. Gerber said, "Yes, at this time."

Chief Cash then said, "A correction I want to make is when we say, 'mutual aid'. I look at this in two different ways. There's actual mutual aid we have for Santa Barbara County to where we go and help our neighbors. That's the one we have to adhere to. As for wildfires, that's a 'if we can'. I have the option not to send a team to go to fight those wildfires. We can control that aspect of it, but it's the automatic overtime that I have no control over that exacerbates the budget."

Mayor Julian asked, "Given that scenario, if we look at the alternative to go to back to the table, again looking at the crystal ball, would it result in reduction in overtime?" Ms. Gerber answered, "I don't know if Lorena could answer that question effectively. We anticipated overtime for sick leave and vacation coverage. We itemized mutual aid separately as it's a variable that could or could not affect us. But we should factor in coverage for sick leave and vacation coverage. The numbers we came up with are reasonable. I think that's a realistic approach because we have one Fire Captain and one Fire Engineer per 48-hour shift. The number of hours used to project this number is a little bit lower than the number of actual hours used for sick and vacation coverage for last year. One of the drivers here is incentive pay."

The mayor then said, "So, we have a choice. To me, it seems there are more questions than there are answers. More problems if we accept it, that's my opinion, if we don't go back and start to look at the other elements within this as we proceed. Of course, Fire is important. All of public safety is important. We've made great strides bringing up their pay accordingly. Just seems there's an excessive amount of resources going...we receive Measure N monies and others, but it seems there's a leak in terms of where those monies are going. We have to anticipate that money isn't going to be here all the time. If we see that it's being jeopardized based on what we're seeing here, it brings up the question if we should go back and make this more finite so there's a better financial outcome for the City."

CM Cardenas said, "My concern is if we need to go back to negotiations, the Association already said, it says here, that they're not willing to reopen negotiations. Right?" The mayor commented, "Which means we go back to impasse." Mr. Johnson said, "To be clear about that point, the Association wanted this agreement in place first before they had any other discussions. We would be very aggressive getting the Union back to the table. If we need to, we might even have the City look at an unfair labor practice if they were refusing to bargain. But as I said earlier, it will be very difficult discussions."

CM Ramirez added, "This is not to single out any group. I'm falling closely what the mayor's saying. The Council must be stewards of the entire treasury. Looking at one aspect of it, there's more that could be done. We're all-important parts of the mechanism to make it work. When one area's not working, it affects the others. No matter what the other agreements were that would before us, we'd have to take the same critical look, regardless." The mayor then said, "And I think we have. We're looking at our funds pretty tightly. So, the recommendation is approving the tentative agreement or not."

Mayor Julian asked, "Is there a motion to approve the tentative agreement as specified?" There was no response.

The mayor then asked, "Is there a motion to not approve the agreement as specified?" Motion made by Council Member Costa, Jr. and seconded by Council Member Ramirez to not approve the tentative agreement between the City of Guadalupe and the International Association of Fire Fighters, Local 4403. Ayes: Julian, Ramirez, Cardenas, Costa, Jr. Robles Noes: 0 5-0 Passed.

Mr. Johnson said, "Thank you, Council. We'll be updating you on the status of negotiations in the future."

Mayor Julian added, "These are tough decisions for both City staff and the Fire staff. We work with the community and Fire and public safety knows that. It's never our position to negate anybody's pocketbook in terms of their livelihood. But as Antonio mentioned, we must look at the overall picture where we are as a city. We're coming out of some doom and gloom over the last six (6) years. I think we need to keep the shoulder to the wheel to make sure that everything that comes up, expenses, are brought up to us by the staff. Brought to us for decision-making. It's not an easy decision."

CM Cardenas said, "I want to say thank you to the staff, both sides. Negotiations are difficult. I know you reached an agreement, but we do need to oversee everything. So, thank you to all our staff. I know you've met for quite some time, but this is just something we need to make sure. We're continuing to progress and continuing making that progress we've been doing with our finances."

Mayor Julian asked if there was any further discussion from Council or staff. CM Costa Jr. said, "We're five (5) council members up here. And the staff has to do what they have to do. We appreciate it. But the five (5) of us up here. We're in a position where the citizens voted us in to make the right decision for our City. Not to take away anything that a prior council member said but it's time to make the best impact for the City to continue to improve financially, not waste more money in certain aspects. And we can use money to upgrade our City and not in just one particular area. It's not our intention to say that we don't believe in what anybody's doing. We don't feel that way. We have to do this for the City. That's the role of the Council. What's in the best interest for the City. A decision like this is a difficult one but one that needs to be made." Mayor Julian responded. "Thank you. Well said."

#### 6. ADJOURNMENT

Motion was made by Council Member Costa, Jr. and seconded by Council Member Cardenas to adjourn the meeting. 5-0 Passed. Meeting adjourned at 6:42pm.

#### Prepared by:

Approved by:

Amelia M. Villegas, City Clerk

Ariston Julian, Mayor

### MINUTES

### City of Guadalupe Regular Meeting of the Guadalupe City Council Tuesday, November 9, 2021, at 6:00 pm City Hall, 918 Obispo Street, Council Chambers

#### 1. <u>ROLL CALL</u>:

Council Member Liliana Cardenas Council Member Gilbert Robles Council Member Eugene Costa Jr. Mayor Pro Tempore Tony Ramirez Mayor Ariston Julian

CM Costa, Jr was absent. All other members were present. (Note: The abbreviation "CM" is being used for "Council Member" in these minutes.)

#### 2. <u>MOMENT OF SILENCE</u>

#### 3. <u>PLEDGE OF ALLEGIANCE</u>

#### 4. AGENDA REVIEW

At this time the City Council will review the order of business to be conducted and receive requests for, or make announcements regarding, any change(s) in the order of business.

CM Ramirez requested to pull Item #7F, "Adopt Resolution No. 2021-87 adopting a classification and salary range for Fire Battalion Chief" from the agenda. Per CM Ramirez, "It's being pulled for staff to have more time to work on it. Staff concurs with that."

#### 5. PRESENTATION

• Karen Twibell, 1<sup>st</sup> District Representative – Redistricting

Ms. Twibell began by saying, "I was talking with Tony (Ramirez), and he said that the Council is already in the process of reviewing maps." She then said that she was going to go through some of the slides but felt that the last few slides were informational showing the process of viewing maps and could just be viewed on the website.

She began by saying, "Every 10 years census data are used to redraw election district lines. 2020 was a difficult year for census gathering. It was hard getting people to help with the census, and then there was the pandemic. The Citizens Independent Redistricting Commission (hereinafter referred to as 'Commission') was to get information in April, but it just went up on the website. This has caused a delay in giving people time to review the maps and give input. However, the Commission is still looking for public information to ensure diverse communities are fairly

represented. If you didn't want to draw a map, you still could give your input on your community of interest. You could give information on your current district and how you might want to see it."

She spoke about various rules for drawing district lines but focused on several rules: The California Voting Rights Act, undivided neighborhoods and communities of interest and easily identifiable boundaries. Ms. Twibell said, "Look at how Santa Barbara County is made up. Santa Maria, with its huge population, there's no way not to divide it. It's difficult. You'd try to find a boundary that's easily identifiable. You want to make sure the districts are compact. In the County, there are large areas of land with no population. One of the districts then will look really large in comparison to the other districts."

Ms. Twibell then focused on "Demographic Summary of Existing Districts". The data presented showed the breakout of 2020 census, total population by ethnic division and citizen voting age population by ethnic division for the County's current plan. The percentage of deviation for the 2020 census is 11.17% which is over what we're shooting for which is under 10%. Total population for the County is shown at 446,704. When divided by the five (5) districts, the targeted population is approximately 89,341."

She highlighted November 12<sup>th</sup> as the upcoming deadline date for all drawn maps for the Commission to consider. Ms. Twibell then walked through how to view submitted drawn maps. Go to 'drawsantabarbaracounty.org' and pull up the 'View Draft Maps' tab. All drawn maps submitted as a specific date will be displayed by map number and link. She did say that drawn maps submitted prior to the updated census data being available, those maps needed to be redrawn. She then said that the remainder of her presentation could be found on the website.

Mayor Julian asked, "Maps can be accepted until Friday, November 12<sup>th</sup>. Is that still correct?" Ms. Twibell said, "Yes, the 12<sup>th</sup> until noon." Ms. Twibell then walked through some examples of drawn maps on the website with specific information on each drawn map.

CM Cardenas asked, "The percentage of deviation. The deviation is for the targeted population?" Ms. Twibell explained that that percentage is the difference between the most populated area and the least populated area, divided by 89,300, the targeted population.

Ms. Twibell went back to show how you can see each submitted drawn map on the website. She said, "Each map comes with specific information. On 'Santa Barbara Interactive Map', you can enlarge to see actual streets, and what is shown on the map, what was drawn as divisions or boundaries. She said, "On November 12<sup>th</sup>, we will be reviewing maps in Santa Barbara on zoom. We're still looking for input from the public. If you go to the home page, you can write a narrative or make comments on a specific map." She then asked if there were any questions.

#### 6. <u>COMMUNITY PARTICIPATION FORUM</u>

Each person will be limited to a discussion of three (3) minutes or as directed by the Mayor. Pursuant to provisions of the Brown Act, no action may be taken on these matters unless they are listed on the agenda, or unless certain emergency or special circumstances exist. City Council may direct staff to investigate and/or schedule certain matters for consideration at a future City Council meeting.

The first speaker was Frances Romero who said, "I'm here to voice my opinion that the Redistricting Commission should be careful not to confuse the position of an advocacy group with the desires of our community. I've been a resident for almost 25 years. My husband is a former police officer, Post Commander of the American Legion, and I've held positions ranging from interim City Clerk to Recreation & Planning Commissioner to Mayor. Together we've worked on several local events to benefit our community. I've also been involved with the Dunes Center since 2002. Our perspective about our community is far different than that of CAUSE. I've talked to several community members, including Shirley Boydstun and John Velasquez. Shirley is not able to be here tonight, but she asked me to convey that my comments are the same as hers.

We've lived in three (3) districts without ever moving, all of us here tonight who have been in Guadalupe. And now it's time to move again. This time we should be put back in District #4. Our kids go to Righetti High School and during that time, they make lifelong relationships. Guadalupe should aspire to be more like Orcutt from the standpoint of a healthy downtown core. That's what this community needs. After all, we're the only coastal community not flourishing. I realize that Covid has been a terrible hit to every community in the country, but we can do more with our downtown area. We need good examples and good partners with representation that can help us lift us up and do better. We have so many positives, and we have more in common with District #4 than District #5. We're more than just our ethnic demographics. Being lumped in with District #5 will only dilute Guadalupe's voice. District #5 will be fine as a majority district without us.

I'd really like the Commission to understand that the people who live here, who work here, who have put down roots here, who have purchased homes, who have lived here for multi-generations are not necessarily the people that CAUSE is representing. So, I think it's very important that you listen to the people who live here and have invested their time and civic engagement. Thank you."

Reina Chavez then spoke. She said, "I'm here as a mother, a resident of Guadalupe and a member of the Guadalupe Community Changers, a parent organization made up of individuals who have been historically disenfranchised and are dedicated to voicing community concerns. We advocate for civic participation, education and social justice to live in a more inclusive and just environment where we can all have the same opportunities. With that said, our group supports the redistricting map that CAUSE has put together. Guadalupe and Santa Maria have similar demographics and comprehension with other communities in the County that impact our political representation. Therefore, we should be merged as one district. It is important to remember that all regions should and must be equally represented to uplift all communities that are encompassed by our county borders." Note: Veronica Tran translated Ms. Chavez's comments into Spanish.

Mayor Julian asked if the staff or Council had any questions. He then asked, "The bottom line is that this information from the Redistricting Commission will then go to the Board of Supervisors to draw the lines or what's the process?" Ms. Twibell said, "The Commission draws the final map. This is the first time the Board of Supervisors are not drawing the maps. So, we really want community input. During Covid and all, it's been a difficult time. We've tried to get the word out. We do want people to come to the meetings or even zoom in and give their comments. For example, I can say that CAUSE was at the last meeting and had at least twenty speakers. That's why we're encouraging people to give their comments. You can do it online now to say why you're supporting a specific map. That's the information we go over and that we need. The Commission itself...we do not draw the lines, so we're looking for public input. The maps will be narrowed down to between 3-5 maps based on similarities and by population. Let us know what the people want."

CM Ramirez said, "Thank you, Ms. Twibell. From our short time that you've been here, you might have noticed that we're a pretty vocal group of a Council. Prior councils might have been somewhat isolated and focused on Guadalupe issues which is important. But we're also advocates for larger issues. You'll see a strong statement from at least a few of the council members here and representatives for the community. It's important to listen to everyone. It's not just people who have roots here. Everyone has a voice and an opinion. Everyone's a community member whether you've lived here one year or 30 years. It's important to know that this is a community and there shouldn't be a weight. For me, that's something I hold true. As a Council, we may have our strong opinions on where people might fit. Hopefully, we can come to a consensus to be able to provide the Commission with direction the City is looking for as far as a specific district."

Ms. Twibell emphasized, "You can do that as a City Council and as individuals. Also, you can take into consideration population growth. If you're looking at one district having a lower population, you're thinking about the potential growth. We know that Guadalupe, Santa Maria and Orcutt are all growing. We don't see that much growth in the South County. Remember the districts will last 10 years."

Mayor Julian added, "Santa Maria passed a resolution where they wanted to be and broadcasted it all over Santa Barbara County. By this coming Friday, November 12<sup>th</sup>, you need input, a decision from, Council's decision." At this point, City Attorney Sinco interjected, "This topic can't be discussed. It's not been agendized. It needs to be noticed and agendized."

The mayor then said, "We should have been way ahead of the game here when this process all came forward. It's been almost a year now that it's been moving forward. Sometimes I feel like the tail of the dog. Instead of the dog wagging the tail, we get the tail wagging us. But I'm glad that we had people speak up with their opinions and what they consider. From Council's perspective, one of the things I was looking at was consensus but that doesn't hold a lot of weight when it comes to the full Council taking a stand on it. Does the Council want a special meeting to state formally what our desires are? Maybe there are no desires. Maybe you want to stay with Isla Vista. I'm just polling the Council." City Attorney Sinco said, "There's no problem to put this on at a special meeting. You just can't take the action now." The mayor asked if there was a need to do that, to take a position. City Attorney Sinco said, "There's another option. Is it possible for the council members to submit individual map as an individual and then as a member of the City Council submit individually or would they only count as one map?"

*Ms.* Twibell said, "You can submit multiple maps as an individual. I want to clarify that the submission of a map is by 12noon, Friday, November 12<sup>th</sup>. But support for maps can be given during the next seven (7) meetings." CM Cardenas asked, "If we want to make a map ourselves, we can do that individually and then can support later." Mayor Julian said, "There's more weight taking action as the whole City Council for the City rather than individual maps."

City Attorney Sinco then said, "Looks like there are three (3) options: 1) schedule a special meeting and create your own map at the meeting and submit that from the City Council; 2) each individual

council member can draw a map, and 3) support a map as a body which can be put on regular agenda. Vote to support a map at the November 23<sup>rd</sup> council meeting."

CM Ramirez said, "I have reviewed some of the maps and there are some maps I'd already support. So, I wouldn't need to draw any myself." Mayor Julian asked, "What's the wish of the Council? Which way do you want to go?" CM Cardenas said, "So, Tuesday, November 23<sup>rd</sup> ...we already have a special meeting coming up." Mayor said, "I just want to make sure that our influence as representatives of our community is brought before the Commission. We can do it individually, but it holds more weight to do it as the Council. Or we may all disagree, too."

City Attorney Sinco said, "Consensus then is that the Council will consider supporting a previously submitted map and the Council will not submit its own. Correct?" Mayor Julian said, "Yes, correct. We don't have to reinvent the wheel." City Attorney Sinco then said, "That makes sense. But then to remind you, everyone can support other maps, too."

*Ms.* Twibell said, "Remember, we're going to be reviewing maps so the sooner your comments are submitted, the better. The November 23<sup>rd</sup> meeting would seem to be late."

City Attorney Sinco then said, "The Council has a joint meeting with the School District on Wednesday, November 17<sup>th</sup>, at 6:00 p.m. I recommend a special meeting before or after that one for the Council to vote as one body. If you meet on the 17<sup>th</sup>, the Commission will have that input for the four (4) remaining Commission meetings. If you waited until the 23<sup>rd</sup> regular Council meeting, there are two Commission meetings on the 18<sup>th</sup> and 22<sup>nd</sup> where the Commission wouldn't have your vote."

CM Ramirez said, "November 17<sup>th</sup> wouldn't be bad because we'd be able to review the maps that would have submitted up to the deadline on that Friday, November 12<sup>th</sup>. If we did the 17<sup>th</sup>, we could do it before the joint meeting with the School District." City Attorney Sinco said, "You already have the meeting with the School District. You can meet at 5:00 p.m. in the Council chambers and afterwards, meet with the School District at 6:00 p.m. at the District's Media Center. The special notice would show the meeting would be here in the City Council chambers." Ms. Twibell said, "As a reminder, there is a meeting in Santa Maria on Monday, November 15<sup>th</sup>."

#### 7. <u>CONSENT CALENDAR</u>

The following items are presented for City Council approval without discussion as a single agenda item in order to expedite the meeting. Should a Council Member wish to discuss or disapprove an item, it must be dropped from the blanket motion of approval and considered as a separate item.

- **A.** Waive the reading in full of all Ordinances and Resolutions. Ordinances on the Consent Calendar will be adopted by the same vote cast as the first meeting, unless City Council indicates otherwise.
- **B.** Approve payment of warrants for the period ending November 3, 2021.
- **C.** Approve the Minutes of the City Council regular meeting of October 26, 2021, to be ordered filed.

- **D.** Accept the June 2021 Financial Report.
- **E.** Accept the First Quarter FY 2022 Financial Report.
- **F.** Adopt Resolution No. 2021-87 adopting a classification and salary range for Fire Battalion Chief.

#### G. MONTHLY REPORTS FROM DEPARTMENT HEADS

- 1. Planning Department report for October 2021
- 2. Building Department report for October 2021
- 3. Public Works Department report for October 2021
- 4. Recreation and Parks report for October 2021

Aside from Item #7F previously pulled from the agenda, there were no other items pulled.

Motion was made by Council Member Ramirez and seconded by Council Member Robles to approve the Consent Calendar, absent Item #7F. 4-0 Passed Absent: Costa, Jr.

#### 8. <u>CITY ADMINISTRATOR REPORT</u>: (Information Only)

Mr. Bodem gave a brief update on Pasadera development. He said, "Every now and then, I check in with Craig Smith, developer, to see how things are going. There is an expected 80-90 units to be built each year. That doesn't include the time it will take next year to build the bridge. Sales are good. 350 homes gave already been built. Things sound very positive." Mayor Julian then said, "It'll take another 4-5 years for full completion." Mr. Bodem said, "Yes, considering there's about a 480-home build out at 80-90 per year. The only issue so far has been the PG&E delays. As for moving towards the south end, permits are into the railroad. We should hear of approvals, hopefully, in the next couple of months or so." The mayor then added, "Hopefully, we can get that shopping center in before long."

#### 9. DIRECTOR OF PUBLIC SAFETY REPORT: (Information Only)

There was no report from Chief Cash.

#### 10. MAYOR'S REPORT- UPDATES:

Mayor Julian briefly spoke about redistricting being very important. He also talked about cannabis with the deadline for applications being Monday, November 15, 2021. He also said, "The Recreation Commission. Interviews for the Recreation Services Managers are scheduled for Monday, November 15<sup>th</sup>." The mayor thanked Mr. Bodem for including all the items in the report as he said, "There's really a lot going on." He then referred to the full Mayor's Report for more details on the various City projects which can be viewed on the City's website.

#### **REGULAR BUSINESS**

November 9, 2021

## 11. Appointment of a Council Member to the Loan Advisory Committee (LAC) of the City of Guadalupe Microenterprise Assistance Program.

Written Report:Tom Brandeberry, CEO Los Amigos de GuadalupeRecommendation:That the Mayor assign one Council Member to the Loan Advisory Committee(LAC) and one alternate.

In Mr. Tom Brandeberry's absence, Mr. Bodem spoke on this item. He said, "Lorena Zarate, as Finance Director, you're already on the committee as a staff member. It's recommended that the mayor assign one council member to this committee and assign one council member as an alternate to this committee that will evaluate the applicants for loans for the Microenterprise Assistance Program." At this point, City Attorney Sinco interjected, "Just to clarify, the mayor should assign a council member and the Council would ratify your assignment."

Mayor Julian then said, "I spoke to Tom Brandeberry several months ago. There are a lot of financial details involved here. I appoint Council Member Liliana Cardenas for this committee with Council Member Gilbert Robles as the alternate.

Motion was made by Council Member Ramirez and seconded by Mayor Julian to confirm the appointment of Council Member Liliana Cardenas to the Loan Advisory Committee of the City of Guadalupe Microenterprise Assistance Program with Council Member Robles as the alternate. 4-0 Passed Absent: Costa, Jr.

Mayor Julian thanked both council members for stepping up and accepting these assignments.

#### 12. FUTURE AGENDA ITEMS

*Mr.* Bodem: move 'Planning Software' from 'Nov. 23<sup>rd</sup> meeting' to Dec. 14<sup>th</sup>. City Attorney Sinco said, "In the Mayor's report, it says that Dude Systems didn't disclose some important information about a continuing contract which the City didn't have a say in. But they did, in fact, disclose that information. However, it wasn't necessarily straightforward. Staff is considering another software. That's why we're pulling it." Mr. Bodem said that the other software would be on the platform with Tyler and of a comparable price. City Attorney Sinco suggested that the item be moved to "Other Unscheduled Items" as the report might not be ready by Dec. 14<sup>th</sup>.

Special Council meeting scheduled for Wednesday, Nov. 17<sup>th</sup>, at 5:00pm to discuss redistricting maps.

CM Ramirez requested that City goals that were set in the summertime be reviewed after the new year.

#### 13. ANNOUNCEMENTS - COUNCIL ACTIVITY/COMMITTEE REPORTS

CM Ramirez said he was interested in what the new infrastructure federal bill will bring to the City, like broadband. Mayor Julian said, "Speaking of broadband, SBCAG was asking for us..." Mr. Bodem interjected, "It's on the next agenda on Nov. 23<sup>rd</sup>."

CM Robles mentioned, "There was nice media coverage for McKenzie Middle School where we had a vaccine clinic for children. I think we might have been the first school in the County to provide vaccinations for children. There was a decent turnout of children. And I believe they were giving booster shots to adults, as well. Also, Stephanie Krouse painted the murals on Flower & Birch Street bus stop. We're probably going to get rid of that stop soon, but Stephanie wanted to put her artistic talent on it and has received some good feedback on how nice it looks from the neighbors." Ms. Sweeney then commented, "Stephanie has been a delight to work with. She asked if she could practice on those bus stops that are scheduled to be torn down. She expressed interest in decorating other bus stops. This was her practice round to see things like did the paint take, did it run in the rain, etc. So, I'll continue to work with her to see how we can paint other bus stops." CM Robles said, "For the future, we're looking at doing something similar with the electrical utility boxes." Ms. Sweeney said that she is doing some research on that.

CM Cardenas said that she hoped to get a meeting going for the playground equipment for O'Connell Park." Mayor Julian suggested checking with Head Start as there is similar equipment there as would be used at O'Connell Park. Ms. Sweeney said that she's waiting to hear back from Recreation Commissioner Robert Salinas to schedule a meeting.

CM Robles said that there's a meeting for the Auditorium Ad Hoc Committee scheduled with Shannon on Monday, 11/15, at 1:30pm.

Mayor Julian reported that at the recent Foodbank distribution, there were 260 people. He said, "There's a bump in foot traffic, but not necessarily in car traffic. It was a bit of a zoo out here with all the sidewalk construction going on. But somebody moved the big equipment out of the way, so it was pretty smooth then."

The mayor also talked about COVID guidelines for use of the City auditorium/gym. He said, "We're probably waiting for the Recreation Services Manager. The reason I brought that up is that I saw kids at McKenzie practicing volleyball. So, we're going to run into that season. I know the County and everybody else is coming up with different guidelines for use. I know that Emily with Vandenberg has a strict policy that they use. Masks are not required when playing. Only two (2) people are allowed per individual. There's temperature checking."

Mr. Bodem said, "Emily did draft the guidelines for us. We have those guidelines and can get it to you." Mayor Julian said, "Getting it to us and adopting it are two (2) different things. Because they're going to be asking, what do we do. And I know there was a quincinera this weekend. How was that handled?" Amelia Villegas, who is temporarily handling city facility rentals, responded, "It was a 25<sup>th</sup> silver wedding anniversary. We didn't put any special provisions on them in terms of

masks or things like that." The mayor then said, "Well, the County is saying that we need to do that. I just don't want to get in trouble with anybody getting sick or things like that."

CM Cardenas reported that at McKenzie, they hosted financial aid workshops. She said, "A lot of our students at Righetti that are from Guadalupe aren't able to attend workshops that are held after school or after hours. So, we wanted to have one here in our City so that our families didn't have trouble attending them. This is the first time we branched out from another one and it went well." Mayor Julian said, "We need that. It's just like sports. People aren't going to go out there. They need to come here."

Mayor Julian said, "I was in La Pasadita restaurant and saw a poster of the Community Changers about the clean-ups. They have a schedule of clean-ups that's great. I don't know if that's on our website. I might have mentioned before but there's a group of college students from San Diego who come here and work with them. That's their effort to clean things up."

CM Robles said, "Touch of Style will have their annual car show for Toys-4-Tots drive on Saturday, 11/13, at O'Connell Park. There will be raffles, car awards and food vendors." Mayor Julian added that he heard that there were to be around 100 vehicles.

CM Robles gave an update on the Guadalupe Bulldogs Football teams. He said, "Our Intermediate team will be moving forward. We had four (4) teams that went to the playoffs. We're in the third round right now. We'll be playing at Pioneer against an unidentified Santa Maria team this Saturday at 6:00 p.m. If they win, they'll be in the Super Bowl held in Arroyo Grande High School the following week. In their history since 2005, we've had five (5) appearances and two (2) titles." Mayor Julian asked if this was the only team that's going forward? CM Robles said, "Yes, out of our four divisions. We have the Bantams, Juniors, Intermediates and Seniors. The Intermediates are the only ones going forward."

#### 14. ADJOURNMENT TO CLOSED SESSION MEETING

The meeting is being adjourned to closed session. Item to be discussed: Public Employee Performance Evaluation (Subdivision (b) of Government Code Section 54957) Title: City Administrator

Motion was made by Council Member Ramirez and seconded by Council Member Cardenas to adjourn to closed session. 4-0 Passed. Absent: Costa, Jr. Meeting adjourned at 7:02 p.m.

#### **CLOSED SESSION**

15. <u>PUBLIC EMPLOYEE PERFORMANCE EVALUATION</u>

Agenda Item No. 6E

REPORT TO THE CITY COUNCIL OF THE CITY OF GUADALUPE Agenda of November 23, 2021

Lorena Zarate

Prepared by: Lorena Zarate, Finance Director

Todd Bodem

Approved by: Todd Bodem, City Administrator

**SUBJECT:** October 2021 Financial Report

#### **RECOMMENDATION:**

That the City Council accept the October 2021 Financial Report

#### **DISCUSSION**:

The Finance Department has prepared a Financial Report for the fiscal year 2021-2022 through October 2021 for the Council's and the public's information. Attached hereto as Attachment No. 1 is the Report. Staff requests that the City Council accept this report for its information.

#### ATTACHMENTS:

1. October 2021 Financial Report

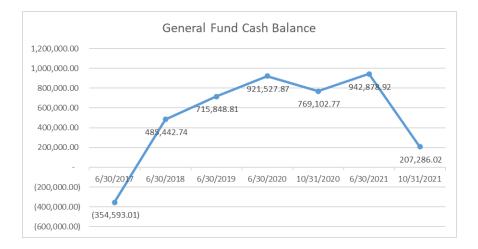

City of Guadalupe Financial Report Fiscal Year 2021-22 through October 2021

#### **Overview**

The fiscal year 2021-22 financial report concentrates on the General Fund and Water/Wastewater Enterprise Funds through October 31, 2021, or 33 percent of the year expended. The purpose of the report is to provide a status of cash, fund balance and budgeted Revenue and Expenditures versus actual at 33 percent of the fiscal year expended.

#### **General Fund Cash**

Total cash as of October  $31^{st}$ , 2021, was <u>\$207,286.02</u>. For comparison, the cash balance for October 2020 was <u>\$769,102.77</u>.

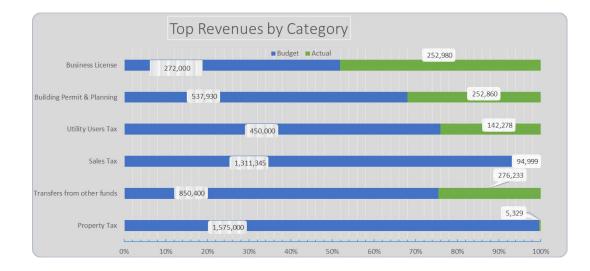

#### **General Fund Revenue**

Budgeted revenues versus actual revenue received through October 31, 2021, shows the General Fund below target 20.8 percent of expected revenues.

The table and graph below show General Fund revenue by category. Highlighted in yellow are specific revenue categories that have fallen short as compared to the budget through October 2021. In regard to sales tax revenue and property tax revenue, which are several of the City's top revenue categories, timing delays in payments cause the shortage. Most all revenue in these categories received in July and August were accrued back to June 2021, as they were attributable to the prior fiscal year. The City should expect property tax revenue to be received later in the calendar for the current fiscal year.

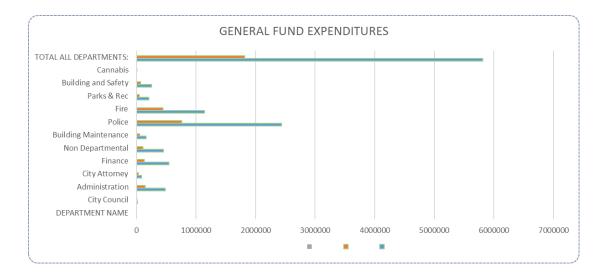

Gen. Fund Revenue by Category								
Category	Budget	Actual	%					
Property Tax	1,575,000	5,329	0.3%					
Transfers from other funds	850,400	276,233	32.5%					
Sales Tax	1,311,345	94,999	7.2%					
Utility Users Tax	450,000	142,278	31.6%					
Building Permit & Planning	537,930	252,860	47.0%					
Business License	272,000	252,980	93.0%					
Franchise Fees	260,000	43,672	16.8%					
COPS Grant	166,000	67,443	40.6%					
Rental of Property	100,000	37,954	38.0%					
Administrative Overhead	30,000	10,947	36.5%					
Other	489,892	75,104	15.3%					
Total Revenue	6,042,567	1,259,799	20.8%					

#### **General Fund Expenditures**

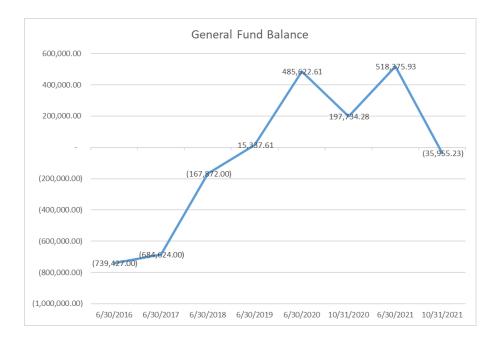

Expenditures are currently under budget at 31 percent expended. The Table and Chart below shows all General Fund Departments and spending trends as of October 31, 2021. Several departments are shown to be over budget, including the attorney and fire departments. The overage in the attorney department is related to amounts paid for labor union negotiations. The overage in the fire department is related to overtime. \$90,000 was budgeted for overtime, but actual expense currently shows at 143%. This is related to the mutual aid contract for which the City is expecting reimbursement for. Overall, expenditures for the General Fund are higher than revenues so far related to the timing of receipt of funds for Sales and Property taxes.

2020-21 GENERAL FUND EXPENDITURES								
	Adopted Budget	Actual Spent as of						
DEPARTMENT NAME	Adopted Budget	10/31/2021	33%					
City Council	15,070	4,302	29%					
Administration	485,330	145,303	30%					
City Attorney	90,000	36,892	41%					
Finance	548,475	132,427	24%					
Non Departmental	453,506	109,455	24%					
Building Maintenance	164,720	54,258	33%					
Police	2,437,300	758,572	31%					
Fire	1,145,700	449,019	39%					
Parks & Rec	212,530	51,336	24%					
Building and Safety	258,850	70,267	27%					
Cannabis	-	2,300	0%					
TOTAL ALL DEPARTMENTS:	5,811,481	1,814,131	31%					

#### **General Fund Balance**

The term fund balance is used to describe the net position of governmental funds calculated in accordance with generally accepted accounting principles (GAAP). It is intended to serve as a measure of the financial resources available to the fund. Fund balance represents the total amount accumulated in the fund from prior years at a point in time. The fund balance in the General Fund as of October 31, 2021 is a negative (\$35,955.23). As a disclosure, the FY2021 is currently under audit and may change the fund balance. The graph below shows the upward trend through the past several years. As shown in the visual below, the fund balance at the end of October 2020 was \$197,734.28 for comparison. A priority for City is to continue to increase the fund balance enough to establish a reserve of a minimum of 15% of the General Fund operating budget, which is \$871,722.

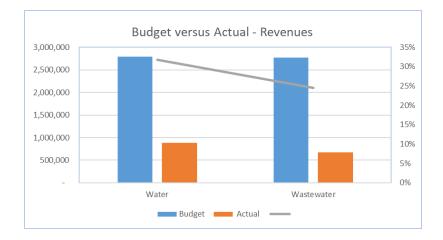

#### ENTERPRISE FUNDS – WATER AND WASTEWATER

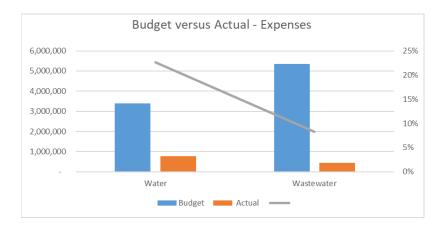

The Statement of Revenues and Expenditures through October of fiscal year 2021-22 is shown in the Table below.

Actuals Through Oct		
31, 2021	Water	Wastewater
<u>REVENUES</u>		
Charges for Services	872,890	617,883
Interest	1,935	1,541
Other	11,381	57,141
Connection Fees	-	-
Developer Fees	-	-
Total	886,206	676,566
EXPENSES		
Operating	406,942	354,958
Capital	-	85,936
Depreciation	-	-
State Water	268,118	-
Debt Service	93,260	-
Total	768,320	440,894

The following charts compare budget to actual Revenue and Expense:

The Enterprise funds experienced revenue at 32 percent of budget for Water. Wastewater was slightly below budget at 24 percent of revenue expected for the period.

Operating expenses for Water and Wastewater are below budget at 23 percent and 8 percent, respectively.

#### **CONCLUSION**

The funds analyzed in this report are generally in line with budget through October, except for General Fund revenue as mentioned above because of timing delays as these are common early in the fiscal year. The City needs to continue to find other revenue sources and economic development to sustain current operations. In addition, the City needs to continue with cost cutting measures in order to build reserves for the General Fund. Enterprise funds and other funds are general in line with budget and City Staff does not expect any further significant fluctuations in these funds. City Staff will continue to monitor closely and continue to provide a financial report to Council monthly.

Information in this report is unaudited.

Page 5 of 5

Agenda Item No. 6F

#### REPORT TO THE CITY COUNCIL OF THE CITY OF GUADALUPE Agenda of November 23, 2021

Shannon Sweeney

Prepared by: Shannon Sweeney, Public Works Director

#### SUBJECT:

Todd Bodem

Approved by: Todd Bodem, City Administrator

Adopting a resolution authorizing City staff to apply for the CalFire's Urban and Community Forestry grant program for funding to create an urban forest management plan, plant trees, and accept and execute the grant.

#### **RECOMMENDATION:**

It is recommended that the City Council Adopt Resolution No. 2021-90 to authorize city staff to submit an application to CalFire for their Urban and Community Forestry grant program through the Greenhouse Gas Reduction Fund, which will support the development of an urban forest management plan, plant trees and accept and execute the grant is awarded, if awarded.

#### BACKGROUND:

The city submitted a concept proposal to the Urban and Community Forestry grant program on June 24, 2021. On October 4, 2021, the City was notified (attached) that they had been chosen to submit an application by December 10, 2021.

The primary objective is to create a Master Plan for Urban Forest management for the city. This would include completing a tree inventory, canopy assessment that include mapping future tree sites, city ordinance for trees, and list of allowable trees all of which would be part of the 40-year plan for the city's urban forest future.

The Secondary objective, with the support of Los Amigos de Guadalupe, is to educate the community on the importance of having an urban forest and getting them involved in the planning process and create a volunteer group for future tree planting and management. This will be done by developing a curriculum which will be taken into the intermediate school in Guadalupe. In educating the students we are educating the future of Guadalupe. The program will also be holding bilingual stakeholder meetings and advertise them widely to make sure all residents' opinions are a part of the urban forest management plan. We will also hold community events to update the residents of Guadalupe and get them involved in the planting of trees.

Lastly the grant will fund tree planting. In the concept proposal we identified Le Roy Park as the location for all trees to be planted. Since then, Los Amigos de Guadalupe was awarded a grant from the ReLeaf

Program to do the same tree planting in Le Roy Park. City staff will be working on a list of alternative locations within the city. CalFire has indicated we can substitute locations.

#### DISCUSSION:

The City of Guadalupe identified the need to create an urban forest management plan. This will help the city develop and maintain an urban forest.

#### FISCAL IMPACT:

The total grant is for \$292,627.45 but is paid on a reimbursement process that is completed quarterly. The City would be required to certify that it has sufficient funds to operate and maintain the project on a reimbursement basis. As part of the final Plan the City would need to consider how it would be able to fund the long-term management and maintenance of its urban forest.

The program requires a match, but it can be met with volunteer hours. Additionally, the application and the CalFire representative indicted that the match can be waived in the community is a disadvantage community or a low-income community, which Guadalupe is.

#### **ATTACHMENTS**

- 1. Resolution No. 2021-90
- 2. CalFire Invitation Letter

#### **RESOLUTION NO. 2021-90**

#### A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GUADALUPE FOR FUNDING FROM THE URBAN AND COMMUNITY FORESTRY GRANT PROGRAM OF THE CALIFORNIA DEPARTMENT OF FORESTRY AND FIRE PROTECTION AS PROVIDED THROUGH THE GREENHOUSE GAS REDUCTION FUND

**WHEREAS,** the Governor of the State of California in cooperation with the California State Legislature has enacted State of California Greenhouse Gas Reduction Funding, which provides funds to the State of California and its political subdivisions for urban forestry programs; and

**WHEREAS**, the State Department of Forestry and Fire Protection has been delegated the responsibility for the administration of the program within the State, setting up necessary procedures governing application by local agencies and non-profit organizations under the program, and

**WHEREAS**, said procedures established by the Department of Forestry and Fire Protection require the applicant to certify by resolution the approval of application before submission of said application to the State; and

**WHEREAS**, the applicant will enter an agreement with the State of California to carry out an urban forestry project.

**NOW, THEREFORE, BE IT RESOLVED,** by the City Council of the City of Guadalupe as follows:

- 1. Approved the filing of an application for "State Greenhouse Gas Reduction Funding" Urban and Community Forestry grant program funds; and
- 2. Certifies that said applicant has or will have sufficient funds to operate and maintain the project; and,
- 3. Certifies that funds under the jurisdiction of City of Guadalupe are available to begin the project.
- 4. Certifies that said applicant will expend grant funds prior to **March 30, 2026**.
- 5. Appoints **MAYOR**, or a designee, as agent of the City Council to conduct negotiations, execute and submit all documents including, but not limited to applications, agreements, amendments, payment requests and so on, which may be necessary for the completion of the afore mentioned project.

**PASSED, APPROVED AND ADOPTED** at a regular meeting on the following vote:

MOTION:

AYES: NOES: ABSENT:

#### **ABSTAIN:**

I, Amelia M. Villegas, City Clerk of the City of Guadalupe DO HEREBY CERTIFY that the foregoing Resolution, being **Resolution No. 2021-90**, has been duly signed by the Mayor and attested by the City Clerk, all at a regular meeting of the City Council, held November 23, 2021, and that same was approved and adopted.

#### ATTEST:

#### **RE: Concept Proposal for the CAL FIRE Urban and Community Forestry Grant**

Dear Concept Proposal Applicant,

We are pleased to inform you that your organization is invited to submit an Urban Forestry Grant Application for your project titled **Guadalupe Urban Forest Management Plan** in the **Urban Forest Management Activities** category. Your Project Tracking Number is **21-UF-MGMT-024**.

You will need to obtain the Project Application from your Regional Urban Forester (RUF) listed on our <u>web page</u> or Appendix G of the <u>Grant Guidelines</u>. The Guidelines contain information necessary to complete your application, and we recommend reading the document before contacting your RUF.

You will receive an invitation to a SharePoint folder for you to submit your application and supporting documents. Each document must reference your Project Tracking Number. Note that we send the invitation from an automated email system, which could end up in your 'Spam' folder.

The deadline to upload the required documents to your folder is <u>3:00 PM PST on</u> <u>December 10, 2021.</u>

With anticipated administrative delays for the holidays, we expect to award projects in January or February 2022.

Sincerely,

Walter Passmore State Urban Forester

#### HUMAN RESOURCES MONTHLY REPORT – October 2021

#### **DEPARTMENT REPORT – PUBLIC SAFETY**

#### Police Department

The Police Department is remains understaffed. An Officer involved in a shooting has been on administrative leave effective August 22, 2021. An Officer Trainee has on medical leave of absence effective September 10, 2021, and is not expected back for the remainder of the year.

A background check on a potential Reserve Police Officer is underway. Background interviews are scheduled for the week of November 15.

#### Fire Department

The Public Safety Paid Volunteer Program has been structured into a 24-week internship program, allowing for two (2) nine (9) hour shifts or 18 hours per week. The pilot program will begin under the training and guidance of the Fire Department on November 7, 2021 and run until April 22, 2022.

#### **COVID-19 FACE COVERINGS**

The Santa Barbara County Public Health Department is extending an order requiring people to wear masks indoors for another month.

The order requires everyone, regardless of vaccination status, to wear face coverings when indoors in public settings, with limited exceptions.

The current mask mandate was put into place in August and was originally set to expire in September. At that time, it was extended until October 5 and extended again until November 4.

The order will now remain in place until December 4, but could be extended again.

County health officials say in order for the indoor mask mandate to be rescinded, the county's case rate should be 6 cases per 100,000 or lower for two straight weeks.

On the latest reporting date, October 30, the county's case rate was 7.7.

#### HEALTH OFFICER ORDER NO. 2021-10.6 COUNTY OF SANTA BARBARA FOR THE CONTROL OF COVID-19 FACE COVERINGS WITHIN SANTA BARBARA COUNTY

Health Officer Order No. 2021-10.6 Supersedes and Replaces Health Officer Order No. 2021-10.5

Effective Date: November 4, 2021, 5:00pm PT

**1.** This Order 2021-10.6 is effective 5:00 p.m. (PT) November 4, 2021 and continuing until 5:00 p.m. (PT), on December 4, 2021 or until it is extended, rescinded, superseded, or amended in writing by the County of Santa Barbara Health Officer ("Health Officer"). This Order applies in the incorporated and unincorporated areas of Santa Barbara County ("County").

**2.** This Order orders that in the County Face Coverings must be worn over the mouth and nose – regardless of vaccination status – in all Indoor Public Settings, and while inside any Business, as defined below, including but not limited to: offices, retail stores, restaurants and bars, theaters, family entertainment centers, conference and event centers, and State and local government offices serving the public.

**3.** Individuals, Businesses, venue operators, hosts, and others responsible for the operation of Indoor Public Settings must:

- a. Require all individuals to wear Face Coverings regardless of vaccination status while indoors; and
- b. Post clearly visible and easy-to-read signage at all entry points to communicate the Face Covering requirements.

- **4.** Exemptions. Individuals are not required to wear Face Coverings in the following circumstances:
  - a. While working alone in a closed office or room;
  - b. While actively eating and/or drinking;
  - c. While swimming or showering;
  - d. While obtaining a medical or cosmetic service involving the head or face for which temporary removal of the Face Covering is necessary to perform the service;
  - e. Performers at indoor live events such as theater, opera, symphony, religious choirs, and professional sports may remove Face Coverings while actively performing or practicing, though such individuals should maximize physical distancing as much as practicable;
  - f. Individuals in indoor religious or cultural gatherings may remove Face Coverings when necessary to participate in religious or cultural rituals;
  - g. Individuals actively engaged in water-based sports (e.g., swimming, swim lessons, diving, water polo) and other sports where masks create imminent risk to health (e.g., wrestling, judo). All other indoor recreational sports, gyms, and yoga studios shall comply with this Order;
  - h. Persons younger than two years old must not wear a Face Covering because of the risk of suffocation;
  - i. Persons with a medical condition, mental health condition, or disability that prevents wearing a Face Covering. This includes persons with a medical condition for whom wearing a Face Covering could obstruct breathing or who are unconscious, incapacitated, or otherwise unable to remove a Face Covering without assistance;
  - j. Persons who are hearing impaired, or communicating with a person who is hearing impaired, when the ability to see the mouth is essential for communication;
  - k. Persons for whom wearing a Face Covering would create a risk to the person related to their work, as determined by local, state, or federal regulators or workplace safety guidelines.

**5.** Persons exempted from wearing a Face Covering due to a medical condition, mental health condition, or disability must wear a non-restrictive alternative, such as a face shield with a drape on the bottom edge.

**6.** Workplaces subject to the Cal/OSHA COVID-19 Emergency Temporary Standards (ETS) and/or the Cal/OSHA Aerosol Transmissible Diseases Standards should consult the applicable regulations for additional requirements. The ETS allows local health jurisdictions to mandate more protective measures. (8 CCR § 3205(a)(2).) This Order, which requires Face Coverings for all individuals in Indoor Public Settings, and while inside any Business, regardless of vaccination status, takes precedence over the more permissive ETS regarding employee face coverings.

**7.** "Business" or "Businesses" for the purpose of this Health Officer Order is defined to mean any institution, establishment, public or private agency, for-profit, non-profit, or educational entity, whether an organization, corporate entity, partnership, or sole proprietorship. Business does not include a place when used exclusively by one or more individuals for a private gathering or other personal purpose.

**8.** "Face Covering" means a covering made of a variety of materials such as cloth, fabric, cotton, silk, linen, or other permeable materials, that fully covers the tip of a person's nose and mouth, without holes, including cloth face masks, surgical masks, towels, scarves, and/or bandanas. This Order does not require the public to wear medicalgrade masks, including masks rated N95, KN95, and their equivalent or better. A face covering with a one-way valve (typically a raised plastic cylinder about the size of a quarter on the front or side of the mask) that provides a preferential path of escape for exhaled breath shall not be used as a face covering under this Order because the valve permits respiratory droplets to easily escape which places others at risk.

**9.** "Indoor Public Setting" or "Indoor Public Settings" for the purpose of this Health Officer Order is defined to mean an enclosed area whether privately or publicly owned, to which the public have access by right or by invitation, expressed or implied, whether by payment of money or not, but not a place when used exclusively by one or more individuals for a private gathering or other personal purpose.

**10.** Except as otherwise set forth herein, the June 28, 2021 Guidance for the Use of Face Coverings issued by the CDPH

(<u>https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/guidance-for-facecoverings.aspx</u>) as may be amended from time to time, continues to apply throughout the County of Santa Barbara.

**11.** The Health Officer strongly encourages that individuals, Businesses, venue operators, hosts, and others responsible for the operation of Indoor Public Settings to provide Face Coverings at no cost to individuals required to wear them. 12.If you cannot afford a face covering one will be provided to you free-of-charge at the following locations:

- a. Santa Barbara County Administration building lobby, 105 E Anapamu St, Santa Barbara
- b. Santa Barbara Health Care Center, 345 Camino del Remedio, Santa Barbara
- c. Santa Maria Health Care Center, 2115 Centerpointe Parkway, Santa Maria
- d. The Health Officer requests cities within the County of Santa Barbara provide face coverings free-of-charge to those cannot afford them.

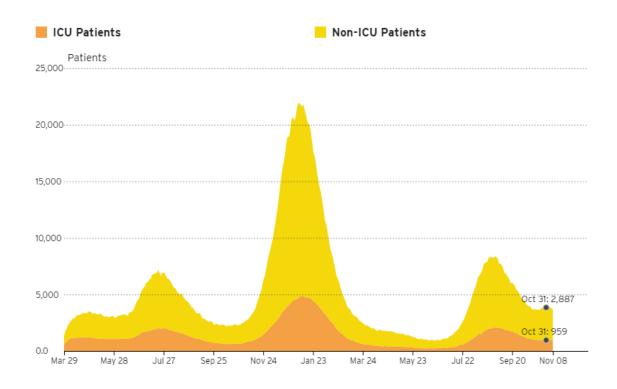

This Order is issued as a result of the worldwide pandemic of COVID-19 which has infected at least 235,850,589 individuals worldwide, in 221 countries and territories, including 42,408 cases, and 504 deaths in the County, and is implicated in over 4,818,386 worldwide deaths.

This Order is issued based on evidence of increasing transmission of COVID-19 both within the County and worldwide, scientific evidence regarding the most effective approach to slow transmission of communicable diseases generally and COVID-19 specifically, as well as best practices as currently known and available to protect the public from the risk of spread of or exposure to COVID-19.

You can find the complete Health Officer Order <u>HERE</u>. Specific guidance on appropriate masking in schools settings <u>HERE</u>. Santa Barbara County Masking Guidance <u>HERE</u>.

#### Hospitalizations of confirmed COVID-19 patients in California

The number of confirmed patients in ICU and non-ICU settings began to climb in mid-June after California began to ease more of its shutdown restrictions. Here's the trend since the California Department of Public Health began releasing the data on April 1, 2020. As of October 31, there are 959 patients in ICUs, and 2,887 non-ICU patients.

So far, 1 out of every 10 people in the county has tested positive, 46,242 in total.

#### WORKERS COMPENSATION

Enclosed is the monthly summary report, Activity Period 10/1/2021-10/31/2021.

Updates below:

#### 1. Guadalupe Vaccine Clinic

The Fire Department will hold a Guadalupe Vaccine Animal Clinic on November 21<sup>st</sup> from 10 a.m. to 1 p.m. The Clinic Services Coordinator from C.A.R.E.4PAWS reached out to the City Fire Department to once again to see what the possibility of us being able to hold another Low-Cost Vaccination Clinic in front of the fire house. Every vaccine clinic we have held in our city has been successful and we are proud to be able to bring this service to pet owners to Guadalupe City. Two mobile units will be arriving at 9 a.m. to prep for our surgery check that begins at 9:30 a.m.

#### 2. <u>Guadalupe Commercial Cannabis Applications – Immediate Next Steps</u>

On Monday, November 15<sup>th</sup> the Administration office received five (5) retail cannabis applications *(see below).* City staff uploaded the data/sent them to HdL for them to review the completeness of the application material submitted. Contract City Planner Bill Scott was able to complete all the Zoning Verifications Letters (ZVL) which recommended approval for all of the; HdL/City will proceed with the next steps which is applicant background. The applications will be reviewed by reviewers to score. Scoring should be done before Christmas, possibly complete interviews of all 5 applicants in a special city council meeting sometime during the week of January 17<sup>th</sup>.

	Guadalupe Commercial Cannabis Applications

5	11/15/2021	SLOCAL Roots Management LLC DBA: Root One	928 Guadalupe Street					

#### 3. Public Safety Budget Meeting

After our managers meeting, the Chief for both the Fire and Police Department's stated to his personnel that they need to get financially healthier, leaner, and more sustainable operating

budget, he will be implementing a "Line-Item Review" of both departments budget. Each month Finance provides him with a Departmental Expenditure Report with percentages of where our spending should be for that month. These line items fluctuate from below the expected expenditure percentage to above the budgeted monthly amount.

He will be addressing this issue by aiming for a monthly expenditure of 5% below expected line-item expenditures. This will mean that some maintenance, administrative items, and operational supplies will be delayed or not ordered. We will need to better forecast our overall spending plans, habits, and order only out of necessity. This is not how First Responders normally operate since their duties are fluid and unpredictable. He will try to account for unexpected expenditures and request as much as possible and will always have SAFETY as the number one priority for our personnel and the community. ALL spending requests will need PRIOR APPROVAL. We will hold the line on cost and defer most items except for emergency situations that he will make the call on.

He will periodically advise where they can spend and how much and advise where we will stop for the Fiscal Year. The Chief expressed his appreciation and respect everyone's work ethic and determination to always, "Do the best with the Least". He will be open and straightforward with questions / input you may have as we all go through this. This affects EVERY CITY DEPARTMENT not just public safety!

The City Administrator and Public Safety Director believe it is important for both to meet soon with Council to review the roles of the Public Safety Director and City Administrator as it relates to departmental finances and other matters.

#### 4. EPA Grant – Mayor Support Letter

Mayor Julian submitted a Support Letter for an EPA Recreation Economy for Rural Communities (RERC) Program grant for submission from Los Amigos dee Guadalupe. Its focus is technical support for revitalizing downtown rural areas by developing outdoor recreation like trails. The application is due November 21, 2021, so it is needed reasonably soon. There is not enough time for a city resolution and the strong letter from the mayor will do.

#### 5. <u>Central Coast Community Energy</u>

The Central Coast Community Energy received their first kWs of test energy from our Slate RE PPA on 11/9. This is the first of their many upcoming long physical asset agreements to deliver power! The quantity of energy is presently very small, but as the facility completes its testing milestones more inverters will be turned on and more power will be delivered in the coming month. It is a big step on their way to full COD by December 21, 2021.

#### Also,

#### Funding available for Electric Vehicles, EV Chargers and EV Readiness!

CCCE Electrify Your Ride program formally launched November 9th and offers \$2.8 million dollars in rebates when you:

- Purchase or lease a new or used electric vehicle for your fleet
- Install Electric Vehicle Supply Equipment (EVSE) chargers

• Electric Vehicle Readiness projects

Electric vehicles can save our city money on fuel and maintenance. Charging stations encourage staff to transition to electric vehicles.

CCCE Member Agencies enrolled in CCCE electricity service are eligible for increased incentives.

- \$3000 rebate for NEW or USED EV (purchase or Lease) with no limit on the # of vehicles
- \$1000 rebate for Electric Motorcycles with no limit
- Up to \$10,000 for Level II EV charger and no limit
- Up to \$10,000 for EV readiness and no limit

Purchases made on or after October 1st, 2021, are eligible. These rebates are designed to be stackable with other programs and funding sources. Rebates, are available on a first come, first served basis until funds are fully reserved. There is no limit on the number of EVSE and EV Readiness projects undertaken.

CCC3 highly encourage us to work with our department heads to evaluate how to take advantage of these increase rebates and opportunities to electrify our transportation operations.

To learn more about this program, please visit:

https://3cenergy.org/electrify-your-ride-program/

#### 6. <u>Le Roy Park Community Center Update</u>

The Mayor has been very patient and is working hard to find the right time to work with staff to coordinate a meeting with the various groups to be housed in the Le Roy Park Community Center. Over the past several days, he had very productive discussions with Michael Jimenez, SER- Jobs for Progress/Community Center for Arts and Technology, and with Michael Boyer, Chief Executive Officer, BGCCC and Roberto Rodriguez regarding services to be provided at the newly renovated Le Roy Community Center. As we know that facility is nearing completion. On November 15<sup>th</sup>, the City interviewed Recreation Services Manager applicants and when this person is on board with the City, we will be able to begin some serious discussions of how to proceed in managing the facility, services to be offered at this location, etc., all benefiting our residents.

He shared a note received from SER, Community Center for Arts and Technology, with the Club representatives this past Monday. He mentioned to Mr. Jiminez that he would be meeting with the Club and this information would be useful to share with the Club and with City representatives.

At the November 12, 2021 meeting, it was recommended by the Club representatives that they meet with Michael Jimenez/SER to discuss options and resources the two organizations

could be able to provide at the center. Mr. Boyer will connect with Mr. Jiminez to set up a meeting to move this positive collaboration forward.

He also copied the City Administrator and Council member Lilliana Cardenas as we now believe that the time is upon us all to move any leases, MOU's, service discussions, etc., forward.

Future discussions between with these organizations will be needed to discuss the Le Roy park's opening and services that could be offered at this location. This collaboration between the two organizations as well with the City, is long overdue. A meeting will be scheduled soon.

#### 7. Mask Restrictions for City Facility Rentals

Amelia Villegas stated that beginning with the City auditorium rental on Friday, 11/20, we will be adhering to indoor mask restrictions. Attendees may remove masks when eating/drinking but otherwise, masks should be worn indoors. In review of SBCo Public Health information, I've not found anything in terms of distancing, limited capacity, etc. Amelia spoke with the City of Santa Maria Parks & Recreation Department regarding renting their city facilities. They also have not seen anything other than requiring masks. As Gabriel Velasco, Santa Maria's Supervisor of Parks & Recreation, said, "We're following the restaurant requirements for our rentals."

SLO County restricts full capacity of halls, etc. to 50% but SB County doesn't. Unless the County's Public Health Office issues anything other than the current indoor ask mandate, there are no other Covid restrictions for our rentals

#### 8. Planning Software Update

The Planning Director, City Administrator and Public Works Director attended a Zoom meeting to review the community development planning software from Tyler. The cost of this program is a bit less than Dudes Solutions. Staff is excited because this software integrates and with the overall Tyler Software System. The contract Planning Director is currently doing some reference checking on California cities who use this software. BACKGROUND: Late last year, the City entered a contract with Tyler technologies to provide software for accounting services. Apparently, there was also an additional module that covered code compliance, building, and business license issuance. The Planning Director was looking at the time to utilize a state grant (REAP) to find planning software. After staff reviewed of the Tyler building software, we thought it could be modified to assist Planning. Then we learned that they had a more robust planning module available. Staff asked our contact with the firm, Kip, if he could provide us with the names of any agencies in CA that use the same software. He gave the Planning Director several agencies who use the robust system

The main purpose in considering planning software is to be able to track our discretionary and ministerial permits through the planning process and be able to store the documents and plans that are part of each. Also, staff is interested to know how other agencies managed to upload all the data when you first started using the system.

#### 9. November 15<sup>th</sup> – U.S. President Joe Biden Signs infrastructure Funding Bill

On November 15<sup>th</sup> U.S. President Joe Biden signed the \$1.2 trillion bipartisan infrastructure bill (Infrastructure Investment and Jobs Act (IIJA)) at a ceremony on Monday, one week after the House of Representatives passed the Senate version of the legislation. We are encouraged and excited about the reauthorization of surface transportation programs that will provide about \$550 billion of new funding for roads, bridges, water systems, broadband, passenger rail, transit, and other infrastructure. Thank you to the support of the SBCAG Board of Directors who lobbied for approval of the legislation in coordination with other local/regional government stakeholders. We are ready to take advantage of opportunities presented by IIJA for high priority projects in our region and expect to learn more of its full impact in coming days and weeks.

#### 10. City Hall Auditorium Update

The city of Guadalupe is going to spend some American Rescue Funds to renovate the City Auditorium and stage. As you know, an ad hoc committee has been formed to include the following:

- 1. Gilbert Robles, City Council member
- 2. Emily Dreiling, Recreation and Parks Commission
- 3. Shannon Sweeney, Public Works Director

The Ad Hoc Committee met alongside the City Administrator to discuss some of the following areas to be assessed:

- Electrical
- Painting
- Floor renovations; redo the flooring on stage
- Repair of any wall surface glitches before painting
- Retouching archway
- Consider improving look of front area where the pads are located
- Improve lighting/there are lights on the front of the stage facing presenters
- Would be nice to see some type of window dressing/curtains.
- Acoustics?
- Look at a sound system?
- Look at best way hide tables and chairs.
- Paint wall surrounding the arch.
- Stage curtains would be nice, but this should be a fund raiser by the community.

The above are simply discussion points.

The City Administrator reached out to Chachi Ramirez who works in the performing arts industry and he is excited to hear about this project. He would love to be an asset however possible and will meet with the Ad Hoc Committee to evaluate the auditorium space and seek his recommendation.

Meetings are ongoing.

#### **END OF REPORT**

Agenda Item No. 10

#### REPORT TO THE CITY COUNCIL OF THE CITY OF GUADALUPE Agenda of November 23, 2021

Todd Bodem

Prepared by: Todd Bodem, City Administrator

**<u>SUBJECT</u>**: Broadband Strategic Plan

#### **RECOMMENDATION**:

- A. Receive a presentation from Marjie Kirn, Executive Director from the Santa Barbara County Association of Governments on a regional broadband strategic plan for Santa Barbara County.
- B. Approve and authorize the Mayor to execute a Memorandum of Understanding with Santa Barbara County Association of Governments (SBCAG), County of Santa Barbara, and the cities of Santa Barbara, Santa Maria, Lompoc, Goleta, Carpinteria, Guadalupe, Solvang, and Buellton to prepare a regional broadband strategic plan and financially contribute \$5,422.63 toward this effort from a portion of the City's American Rescue Plan Act (ARPA) funds.

#### BACKGROUND:

Broadband and the lack of quality internet access has been a discussion point for many years. During the COVID-19 pandemic, this became an urgent issue as more residents relied on their internet service to continue to work, go to school and/or shop. The COVID-19 pandemic has made the digital divide in unserved and underserved communities, including communities of color, rural communities, and senior residents in unserved and underserved communities are struggling to participate in the digital landscape as broadband services are unavailable to them due to lack of affordability or infrastructure. As such, there is a need to expedite broadband infrastructure deployment and provide connectivity at an affordable rate to unserved and underserved communities. Providing better access to broadband contributes to creating more sustainable communities with lasting economic, education, and health benefits along with reducing greenhouse gas emissions that contribute to climate change.

In July, SBCAG formed a broadband ad-hoc committee, comprised of the following members: Joan Hartmann (County Supervisor, Third District); Bob Nelson (County Supervisor, Fourth District); Jenelle Osborne (Mayor, City of Lompoc); Alice Patino (Mayor, City of Santa Maria); and Paula Perotte (Mayor, City of Goleta). The ad-hoc committee formed the basis for SBCAG Board of Director's support and encouragement to formalize a collaborative, regional approach to developing a broadband strategic plan between SBCAG, the County of Santa Barbara and the eight incorporated cities in the region.

#### DISCUSSION:

On October 21, 2021 the SBCAG Board of Directors directed their Executive Director, Marjie Kirn, to coordinate with the eight cities in the county to request participation in a regional broadband strategic planning process and seek financial contribution to that effort. The County of Santa Barbara committed \$200,000 of America Rescue Plan Act funding at their October 19 Board of Supervisors meeting. The SBCAG Board of Directors proposed dividing the remaining cost among the eight cities based on the 2021 Department of Finance (DOF) Population Estimate to the cities' population of 307,821 (see Table 1 of proposed jurisdiction contributions based on population).

The City of Guadalupe is being requested to support the regional broadband strategic plan with a financial contribution of \$5,422.63 from its ARPA funds in partnership with SBCAG, the County of Santa Barbara and participating incorporated cities in the region. The total estimated cost for this effort is \$400,000, which includes \$300,000 of direct costs with the Broadband Consortium Pacific Coast to develop the strategic plan. The strategic plan is anticipated to be completed in six to nine months and is estimated to begin early 2022.

Jurisdiction	2021 DOF Population Estimate	%	Contribution
Buellton	5,435	1.77%	\$3,531.27
Carpinteria	13,196	4.29%	\$8,573.81
Goleta	32,339	10.51%	\$21,011.56
<b>Guadalupe</b>	<mark>8,346</mark>	<mark>2.71%</mark>	\$5 <mark>,422.63</mark>
Lompoc	42,493	13.80%	\$27,608.90
Santa Barbara	93,055	30.23%	\$60,460.46
Santa Maria	107,445	34.91%	\$69,810.05
Solvang	5,512	1.79%	\$3,581.30
County	n/a	n/a	\$200,000.00
Total	307,821		\$400,000.00

#### Table 1: Proposed Jurisdiction Broadband Strategic Plan Financial Contribution

SBCAG Board of Directors in coordination with the County of Santa Barbara, Broadband Consortium Pacific Coast, and the Santa Ynez Band of Chumash Indians have been working to help prepare Santa Barbara County for potential funding opportunities. Over the past couple of months, potential funding opportunities have been announced from both the federal and state governments to provide better access to those who depend on broadband services. With available funding forthcoming, SBCAG would like to ensure that our region is prepared at a regional level to secure and implement funding to stakeholders in an effective and efficient manner.

#### FISCAL IMPACT

No impact to the City's general fund. Funds will come out of the City's ARPA fund in the amount of \$5,422.63. Uses of these funds for Broadband meets the Treasury Departments criteria.

#### ATTACHMENTS:

- 1. Broadband Strategic Plan Memorandum of Understanding
- 2. Draft Broadband Consortium Pacific Coast Scope of Work
- 3. Broadband Strategic Plan PowerPoint

#### MEMORANDUM OF UNDERSTANDING

#### BETWEEN THE:

#### SANTA BARBARA COUNTY ASSOCIATION OF GOVERNMENTS, COUNTY OF SANTA BARBARA, AND THE CITIES OF BUELLTON, CARPINTERIA, GOLETA, GUADALUPE, LOMPOC, SANTA BARBARA, SANTA MARIA AND SOLVANG

for

#### PREPARING A REGIONAL BROADBAND STRATEGIC PLAN FOR THE SANTA BARBARA COUNTY REGION

THIS Memorandum of Understanding (MOU) is hereby entered into by and between the Santa Barbara County Association of Governments referred to herein as "SBCAG", and the County of Santa Barbara as well as Cities of Buellton, Carpinteria, Goleta, Guadalupe, Lompoc, Santa Barbara, Santa Maria, and Solvang individually referred to herein as "AGENCY", or, collectively as the "AGENCIES."

#### RECITALS:

**WHEREAS,** the AGENCIES form a Joint Powers Authority as SBCAG, which serves as the Metropolitan Planning Organization for the region;

**WHEREAS**, the AGENCIES agree to work together on the development of the Regional Broadband Strategic Plan;

**WHEREAS**, the AGENCIES agree to financially participate to cover the expenses of the Regional Broadband Strategic Planning effort;

**WHEREAS,** SBCAG shall be the administrative entity for the Regional Broadband Strategic Planning effort during the term of this MOU;

**WHEREAS,** SBCAG, as the administrative agency, will work with the Broadband Consortium of the Pacific Coast (BCPC) to assist the region with the development of the Regional Broadband Strategic Plan.

**NOW, THEREFORE**, the AGENCIES agree to the following:

- 1. **ROLES AND RESPONSIBILITIES.** Under this MOU, SBCAG and the AGENCIES agree to work together to:
  - A. Cooperate in developing a Regional Broadband Strategic Plan, including but not limited to, identifying improvement needs, funding options and strategies, economic impacts, and benefits.
  - B. Designate a technical contact person(s) to assist in planning for Broadband infrastructure and support the invoicing process;
  - C. Actively participate in the planning process by attending meetings and providing comments and input where appropriate;
  - D. Pay the invoice for the Broadband Strategic Plan.
  - E. The name for the working body under this mutual understanding will be known as the "BROADBAND ALLIANCE OF SANTA BARBARA COUNTY (ALLIANCE)."
  - F. SBCAG to serve as the administrative agent and secretary for the ALLIANCE.

BROADBAND MOU for the term of January 1, 2022 to December 30, 2022 Page **2** of **9** 

- 2. **ADMINISTRATIVE ENTITY.** SBCAG shall serve as the administrative entity of the ALLIANCE , SBCAG shall:
  - A. Upon approval by the SBCAG Board, enter into an agreement with BCPC, in compliance with SBCAG's purchasing policy to develop a Broadband Strategic Plan for the Santa Barbara County region and to provide oversight of the agreement with BCPC;
  - B. Act as the fiscal agent, and serve as the custodian of the financial contributions by the AGENCIES and deposit contributions in a separate fund.
  - C. Pay all invoices from the BCPC from the separate fund consisting of the single payments made by the AGENCIES.
  - D. Liaison with the AGENCIES governing bodies on topics and issues related to the Broadband Strategic Plan.
  - E. Conduct meetings with the AGENCIES' designee to solicit input and formulate Broadband Strategic Plan recommendations for the SBCAG Board.
  - F. Provide opportunities to solicit stakeholder and public input in the development of the Boradband Strategic Plan;
  - G. Conduct consultation and coordination with the Santa Ynez Band of Chumash Indians Tribal Government.
  - H. In coordination with the BCPC, participate in federal and statewide meetings, and consortiums to inform the Broadband Strategic Plan development, engage in broader broadband discussions, and advocate for Santa Barbara County needs and priorities.
  - I. Submit required reporting for America Recovery Protection Act funding;
  - J. Conduct required audits.
- 3. **TERM & TERMINATION.** This MOU is effective as of January 1, 2022 and shall expire on December 31, 2022, unless the AGENCIES agree otherwise. Any AGENCY may terminate its participation from this MOU upon 30-days written notification to the other AGENCIES.

#### 4. FINANCIAL RESPONSIBILITIES.

A. Each AGENCY shall pay the following contribution based on a population formula:

Jurisdiction	2021 DOF Population Estimate	%	Contribution
Buellton	5,435	1.77%	\$3,531.27
Carpinteria	13,196	4.29%	\$8,573.81
Goleta	32,339	10.51%	\$21,011.56
Guadalupe	8,346	2.71%	\$5,422.63

BROADBAND MOU for the term of January 1, 2022 to December 30, 2022 Page **3** of **9** 

Lompoc	42,493	13.80%	\$27,608.90
Santa Barbara	93,055	30.23%	\$60,460.46
Santa Maria	107,445	34.91%	\$69,810.05
Solvang	5,512	1.79%	\$3,581.30
County	n/a	n/a	\$200,000.00
Total	307,821		\$400,000.00

- B. Contributions shall be used for purposes of the to develop a Regional Broadband Strategic Plan for the Santa Barbara region.
- C. Financial contributions are payable by February 1, 2021.
- 5. **MUTUAL INDEMNIFICATION.** In lieu of and notwithstanding the pro rata risk allocation which might otherwise be imposed between the AGENCIES pursuant to California Government Code Section 895.6, the AGENCIES agree that all losses or liabilities incurred by a Party shall not be shared pro rata but instead all AGENCIES agree that pursuant to California Government Code Section 895.4. each of the AGENCIES hereto shall fully indemnify and hold each of the other AGENCIES, their officers, board members, employees and agents, harmless from any claim, expense or cost, damage or liability imposed for injury (as defined by California Government Code Section 810.8) occurring by reason of the negligent acts or omissions or willful misconduct of the indemnifying Party, its officers, board members, employees or agents, under or in connection with or arising out of any work, authority or jurisdiction delegated to such Party under this MOU. No AGENCY, nor any officer, board member, employee or agent thereof shall be responsible for any damage or liability occurring by reason of the negligent acts or omissions or willful misconduct of other AGENCIES hereto, their officers, board members, employees or agents, under or in connection with or arising out of any work, authority or jurisdiction delegated to such other AGENCIES under this MOU..

#### 6. GENERAL TERMS & CONDITIONS.

- A. Entire MOU and Amendment. In conjunction with the matters considered herein, this MOU contains the entire understanding and agreement of the AGENCIES and there have been no promises, representations, agreements, warranties or undertakings by any of the AGENCIES, either oral or written, of any character or nature hereafter binding except as set forth herein. This MOU may be altered, amended or modified only by an instrument in writing, executed by the AGENCIES to this MOU and by no other means. Each AGENCY waives its future right to claim, contest or assert that this MOU was modified, canceled, superseded, or changed by any oral agreements, course of conduct, waiver or estoppel.
- B. **Nondiscrimination.** Each AGENCY shall comply with the Civil Rights Act of 1964, as amended, and shall not discriminate on the basis of race, color, national origin, or sex in the performance of this MOU.
- C. Non-assignment. AGENCIES shall not assign, transfer or subcontract this MOU or any of its rights or obligations without the prior written consent of each AGENCY and any attempt

BROADBAND MOU for the term of January 1, 2022 to December 30, 2022 Page **4** of **9** 

to so assign, transfer, or subcontract without such consent shall be void and without legal effect.

- D. **Headings.** The headings of the several sections shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof.
- E. **Severability**. If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this MOU shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.
- F. Compliance with Law. Each AGENCY shall, at its sole cost and expense, comply with all State and federal ordinances and statutes, including regulations now in force or which may hereafter be in force with regard to this MOU. The judgment of any court of competent jurisdiction, or the admission of any AGENCY in any action or proceeding against an AGENCY, whether any other AGENCY is a party thereto or not, that an AGENCY has violated any such ordinance statute, or regulation, shall be conclusive of that fact.
- G. Jurisdiction & Venue. This MOU shall be governed by the laws of the State of California. Any litigation regarding this MOU or its contents shall be filed in the County of Santa Barbara, if in State court, or in the federal district court nearest to San Luis Obispo County, if in federal court.
- H. **Authority.** All signatories and AGENCIES to this MOU warrant and represent that they have the power and authority to enter into this MOU in the names, titles and capacities herein stated and on behalf of any entities, persons, or firms represented or purported to be represented by such entity(ies), person(s), or firm(s) and that all formal requirements necessary or required by any State and/or federal law in order to enter into this MOU have been fully complied with.
- I. **Execution of Counterparts.** This MOU may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts, or as many of them as the AGENCIES shall preserve undestroyed, shall together constitute one and the same instrument.
- J. **Survival.** All provisions of this MOU which by their nature are intended to survive the termination or expiration of this MOU shall survive such termination or expiration.
- K. **No Separate Legal Entity.** AGENCIES agree ALLIANCE is a multi-jurisdictional recommending agency that is not a separate legal entity and does not have powers of a decision making body. The ALLIANCE cannot enter contracts, employ staff, apply for grants or other funding, incur debts, sue or be sued.
- L. Conflict of Interest. Each AGENCY covenants that it presently has no employment or interest and shall not acquire any employment or interest, direct or indirect, including any interest in any business, property, or source of income, which would conflict in any manner or degree with the performance of services required to be performed under this MOU. CONTRACTOR further covenants that in the performance of this MOU, no person having any such interest shall be employed by any AGENCY. Each AGENCY must promptly disclose to SBCAG, in writing, any potential conflict of interest. SBCAG shall then

BROADBAND MOU for the term of January 1, 2022 to December 30, 2022 Page **5** of **9** 

promptly notify the County of Santa Barbara. The County of Santa Barbara retains the right to waive a conflict of interest disclosed by and AGENCY if the County of Santa Barbara determines it to be immaterial, and such waiver is only effective if provided by the County of Santa Barbara to the AGENCY in writing.

- M. Mandatory Disclosure. Each AGENCY must disclose, in a timely manner, in writing to SBCAG all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the award. SBCAG shall promptly report any such violations to the County of Santa Barbara. Each AGENCY is required to report certain civil, criminal, or administrative proceedings to the System for Award Management (SAM) located at www.sam.gov. Failure to make required disclosures can result in any of the remedies described in 2 CFR §200.338 Remedies for noncompliance, including suspension or debarment. (See also 2 CFR part 180 and 31 U.S.C. 3321.)
- N. **Uniform Guidance.** Each AGENCY shall comply with the requirements of Title 2, Code of Federal Regulations, Part 200, which are hereby incorporated by reference in this award.
- O. **Federal Funding**. <u>Table 1: Federal Award Information</u>. The following Federal Award Information is provided in accordance with 2 CFR § 200.332.

### Santa Barbara County | Broadband Strategy

### Objective

The Broadband Consortium of the Pacific Coast (BCPC) will coordinate with REACH and the Northern Santa Barbara County EconAlliance, local jurisdictions, and other key stakeholders and bring together higher education institutions and telecom providers to develop a long-term strategic plan for broadband deployment throughout Santa Barbara County and then the tri-county region. The Consortium will work as the project manager to ensure that the development of the strategic plan will achieve the following:

- A plan for the design of broadband infrastructure that results in regional middle mile networks to interconnect our local cities, increase capacity, increase disaster preparedness, and encourage industry competition
- Utilize collaborative strategies to ensure digital inclusion and aligns with Broadband for All California Initiative
- Ensure a Smart City vision for the future which requires technological innovation.

### Problem

As a region, our communities lack reliable connectivity to the internet to work and learn efficiently and effectively. While some areas of Santa Barbara County are well connected, including government and higher education, our businesses and our families have been affected by a lack of capacity, connection, at an affordable cost. We need to work to ensure final mile connectivity for our communities, including our schools, healthcare providers and our families.

Lack of broadband infrastructure makes it difficult for the Central Coast to compete for and attract companies. While expansion may take place over time, the region has historically not kept pace with evolving technology or service infrastructure.

### Outcome

A comprehensive Santa Barbara Strategic Plan to be used as a guiding document and planning tool that will lead to increased fiber capacity throughout the county and connection to neighboring counties. Jurisdictions within the County can use the strategy to apply for infrastructure funding at the State and Federal levels. Significant funding is anticipated from both the state and federal levels of government and a plan will be required to apply for funding. This strategy will provide the region with a "shovel ready" approach that aligns areas of needs, with both public and private interests to create a regional response that will maximize the collaborative potential of the stakeholders involved.

Throughout the process, the Consortium will work to ensure that there is ownership of the shared strategies by Santa Barbara County partners and stakeholders. The outcome will result in the building of infrastructure to create accessibility and the development of future of Smart Cities.

### Short term tactics

- REACH assisted GoBiz with deployment of broadband survey to all municipalities and key private sector leadership and education – COMPLETED and waiting for results
- Convene stakeholders to create an awareness of the imperative to establish broadband as the 4<sup>th</sup> utility and deliver Internet 4 all. This requires the development of municipal stakeholder strategies integrated at the regional level.
- Assess existing levels of service throughout the region and identify areas of greatest need.
- Create an asset inventory of existing broadband assets and right of ways. Specifically, establish a GIS platform that can serve as a unique regional collaborative information sharing tool helpful to the development of initiatives based on gaps identified, areas requiring service, existing assets, and resources available.
- Convene a regional stakeholder group to inform review and advise existing initiatives and recommend initiatives to close the gaps – specifically in consideration of current initiatives and anticipated funding.
- Identify and support jurisdictions to get projects to shovel ready status
- Partner with local and state leadership to secure funding and investment

### **Ongoing tactics**

• Work with task force and stakeholders that will result in a middle-mile regional network that interconnects municipalities and establishes communications resiliency and redundancy while providing access and capacity for the last mile private sector providers.

- Advocate and work towards the establishment of community networks to connect the anchor institutions to all municipalities.
- Develop collaborative partnerships for digital inclusion to close the digital divide.
- Work with grant writers to assist in securing funding and investment as needed for deployment of initiatives identified in the strategic plan
- Work with regional partners on governance strategy

### **Initial Investment Requirements**

75% Public Sector; 25% Private Sector  $\approx$  \$300,000

Grant funding from the following would offset need for long-term public-sector investment and increase ROI for the public partners:

• RCRC

USDAARPA

RDOF CASF

NTIA

Other jurisdictions will be approached for funding support based on any broadband planning work completed.

### Strategic Partners & Roles

All the partners are important to the development and deployment of a strategic plan. These key stakeholders help scope and shape the strategy and can sign on as applicants for grants or other funding opportunities.

The **Broadband Consortium of the Pacific Coast (BCPC)** has as its primary purpose the expansion and improvement of broadband deployment, access, and adoption through the development of collaborative, stakeholder-driven regional strategies throughout the central coastal region of California

**Public Sector Jurisdictions** are essential to the planning and deployment of broadband and specifically for adopting policies that support broadband installation, example would be a 'dig once' policy in coordination with all the jurisdictions. Policy check list attached.

**Governor's Office of Business and Economic Development (GoBiz)** has been tasked to regularly convene private-sector companies to understand and predict current and future demand for broadband. This important role is to help ensure that the proper allocation of resources and manage policies and programs that support broadband goals and initiatives that will support economic development and community wellbeing.

**Anchor institutions** are large organizations that tend to have access to build or connect reliably to broadband. Examples of these institutions are universities, medical centers, government entities and school districts. anchor institutions can be considered as part of the 'middle mile' and host jumping off points to serve the surrounding community. The role of the anchor institutions in the Central Coast region would play a critical role in broadband deployment in the Central Coast region. Representatives from institutions would need to participate in a regional stakeholder group.

**Santa Ynez Band of Chumash Indians in Northern Santa Barbara County** plays a very important role in broadband deployment in the region. Their ability to assist in the connection of infrastructure between Northern Santa Barbara County and Southern San Luis Obispo County opens opportunity for the surrounding jurisdictions.

**Other partners**, including Economic Development organizations and local experts have a significant role in broadband deployment. More specifically, they tend to understand the needs of the business community and hold the ear of the private sector. The private sector can voice need and demand in real time with real problems is well as real strategies and solutions.

### **Scope and Project Deliverables**

The consortium proposes that the scope of the project include the following:

- 1. Broadband Analysis
  - a. Collateralize already developed studies with the help of partners and consultant to determine preferred scenarios, update data, create an educational packet of information of where we are and how to reach and align with the California for All Broadband Action Plan
  - b. Aggregate SB County assets and include anchor institutions, municipal, state, federal right of ways, and all other applicable assets to be determined as a beneficial resource for broadband deployment.
  - c. Identify gaps in local governmental policies -ordinances, general plans etc and recommend adoptable policies to support the streamlining, expediting and accelerating the deployment of broadband infrastructure.
  - d. Identify and tier top priorities for deployment within the county that will result in increased speeds and equitable access while keeping in mind future technology considerations until fiber can be installed in the ground for redundancy and resiliency.

- e. Identify and aggregate potential State/Federal funding for deployment investment for use by a public entity and same for private organization or business.
- f. Address if and how the potential for a public/private partnership would benefit the County and the region.
- 2. Community Outreach
  - a. Host public forums that include businesses, education, the general public to assess digital equity.
  - b. Public outreach that includes the above and jurisdictions for speed test data
- 3. ISP Outreach
  - a. Work with ISP's to identify successes and hardships in deployment including permitting and process hindrances; help identify and create documentation of benefit for retaining their services in the County
  - b. Work to create the benefit for expanding ISP services to expand the middle mile for existing providers to leverage for business growth and opportunity for others ISP's to invest in the County and the Region
- 4. Future Planning
  - a. Consideration for the future
    - i. Cost estimate to deliver connectivity under the following scenarios
      - 1. Municipal networks
      - 2. Public/Private Partnership Model
      - 3. Connecting to underserved Residents
- 5. Economic Impacts
  - a. The BCPC will work to collate the economic analysis of the direct and indirect employment creation through existing economic development models to quantify potential economic impacts of broadband deployment. The job analysis should also address job-quality metrics, such as prevailing wages and other relevant labor standards.
  - b. This portion of the work product would be completed under a tricounty proposal and may come back to the board for consideration.
- 6. Deliverables
  - a. A Santa Barbara County Broadband Strategy in DRAFT for review and comment.
  - b. A FINAL Broadband Strategy to be utilized by the County and participating jurisdictions in hard copy and digital files
  - c. Presentation will be developed and delivered with relevant materials for the Board of Supervisors and any participating jurisdictions.

# ABOUT BCPC

WHO WE ARE

### What is the Broadband Consortium of the Pacific Coast?

- CPUC funded 16 statewide consortium to increase access to underserved and low-income communities
- •The BCPC is the collaboration of Ventura, Santa Barbara, and San Luis Obispo in partnership with the Economic Development Collaborative (EDC), EconAlliance & REACH
- Assist government to streamline broadband infrastructure opportunities
- •Stakeholders include the Cities, County, Education, and the Private Sector
- http://pcbroadband.org

## **Tri-County Planning Model**

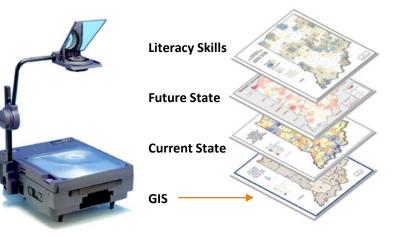

### Convening

**Invite** civic leaders to embrace the need; team up with community and external entities to develop a unique, local broadband strategy

**Integrate** municipal middle mile investment to lower barriers to entry, foster industry competition, and drive affordable services

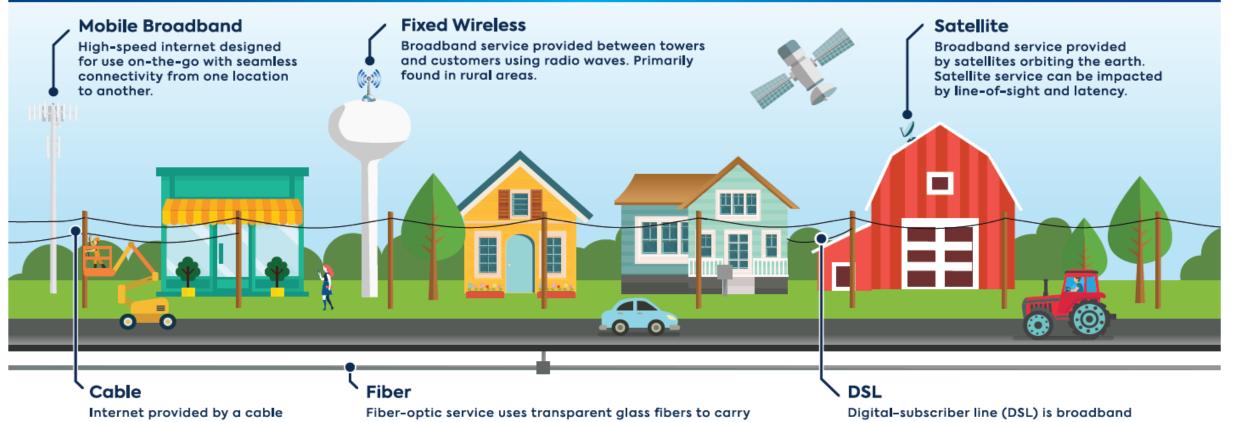

### Last Mile Collaborative Outcomes

**Include** trusted agents and bridge builders working with neighborhood, infrastructure, and literacy partners to engage and enable communities

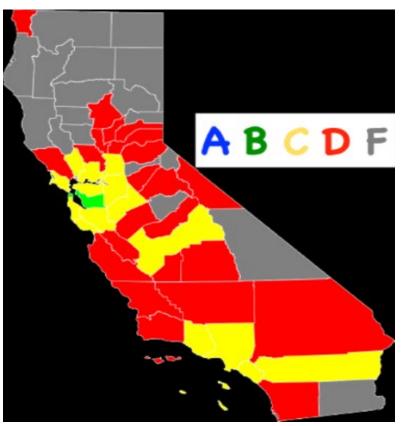

# State of Tri-County Broadband

### **Broadband is High Speed Internet**

television company over a mixed coaxial and fiber-optic network. Fiber-optic service uses transparent glass fibers to carry data across distances. Some customers can received fiber connections directly to their home, but fiber is also used to Digital-subscriber line (DSL) is broadband delivered over a mixed network of fiber and traditional copper phone lines.

### Current State: Santa Barbara County Broadband

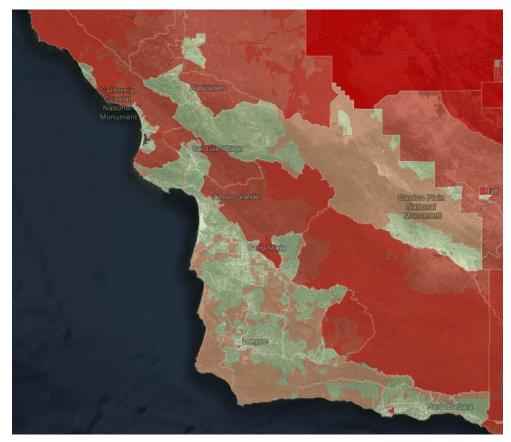

California Broadband Infrastructure Report Card, Tellus Ventures, 2020

John Wilczak was getting wireless high-speed Internet via (company's) cell towers at his home in Santa Ynez, Calif., a town of about 4,400 near Santa Barbara. Cable and phone companies sell high speed Internet downtown, but they hadn't built along his street. Mr. Wilczak's (company) service worked like a cellphone plan. Once when friends brought their children for a week-long visit, the children blew past his 50-gigabyte monthly cap and he was hit with a more than \$900 bill. Mr. Wilczak recently moved to a new house and dropped (company) in favor of a local wireless Internet company without data caps. He said at least half of the 40 people who considered buying his old *house weren't interested in part because it lacked reliable* Internet

# Broadband Strategic Planning Process

FOR SANTA BARBARA COUNTY

### Process & Deliverable

### Purpose

- Ability to streamline grants and other funding
- Establish policy alignment among jurisdictions
- Increase accuracy of asset identification
- Education for communities

### **Regional Context**

- Economies of scale
- Telecom support
- Approach with future focus for designing for cross jurisdictional boundaries
- Efficiency in approach for Digital Inclusion and Smart City planning

### Stakeholders

- Anchor institutions
- Industry experts
- Telecom
- Jurisdiction representatives

### **Timeline & Cost**

- 2-3 months project planning
- 4-6 months data collection
- 6-9 months plan drafted for review and final approval
- Final plan for FY 2022/2023 adoption
- •\$400,000

# **Current Funding Opportunities**

- American Rescue Plan Act (ARPA)
- California Advanced Services Fund (CASF)
- Connect America Fund (CAF)
- Coronavirus Aid Relief and Economic Security Act (CARES)
- Economic Development administration (EDA)
- Emergency Broadband Benefit (EBB)
- Rural County Representatives of California (RCRC)
- Rural Digital Opportunity Fund (RDOF)
- National Telecommunications and Information Administration (NTIA)
- United States Department of Agriculture (USDA)

### CARES ACT GRANTS

Coronavirus Aid, Relief, and Economic Security (CARES) Act Imergency Financial Aid Grant to Students

# Catalyst Project Case Study & Next Steps for SB County

## North County & Chumash Broadband

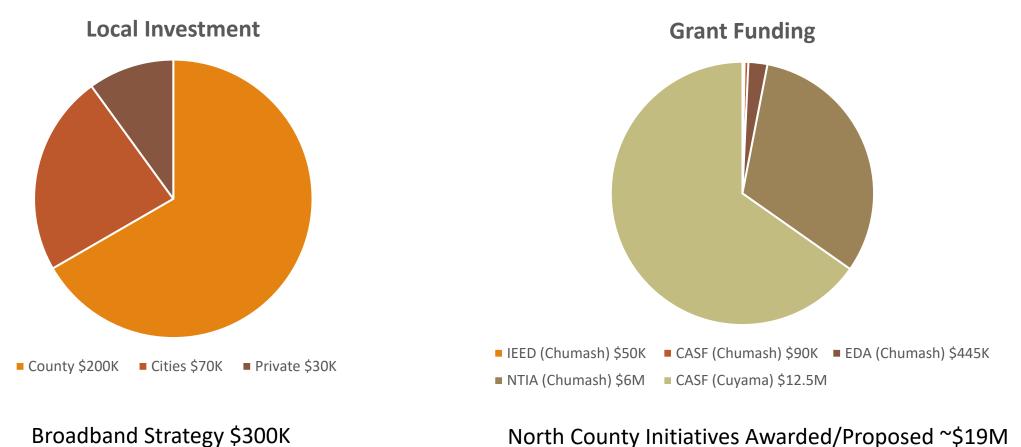

•

•

•

### **Construction, Deployment & Adoption**

## Leveraging Collaborative Resources

### North County Initiatives Awarded/Proposed ~\$19M

# What's Next for SB County

•BCPC – Leads strategic planning efforts with high intensity stakeholder engagement of partners and stakeholders to achieve the following:

- Initiate and guide governance discussion
- Ensure community resiliency & social equity
- Provide municipalities with direction and means to acquire funding
- •SB County Provide leadership and direction for the County and support the **middle mile** network work efforts
- •Jurisdictions In partnership with BCPC, assist with planning for receiving resources and deployment for <u>last</u> <u>mile</u> networks
- •Anchor institutions Key stakeholders engage to support the work and to connect as the nodes of the community network:
  - Emergency services, public safety & fair grounds (OES partners)
  - Education K-12, College, Universities
  - Libraries, hospitals & NGO's

### THIS STRATEGY PROVIDES DIRECTION AND MEANS TO ACQUIRE FUNDING TO ACHIEVE BROADBAND FOR ALL

# Wrap Up

### Summary

The Strategy's Desired Outcomes...

- An equitable, integrated response to a broad cross-section of community needs
- An approach for connected deployment that focuses on digital inclusion & mechanisms for digital literacy while aligning and leveraging resources
- Lowered barriers to entry, fostering industry competition and affordability
- Redundancy during service failures / Critical connections to anchor institutions for emergency response
- A foundation for Distance Learning, Telemedicine, Social Services, Education, Public Safety, & Infrastructure Management
- Alignment with the efforts north and south (Tri-County)

### Why the Consortium?

- Convening and collaboration is already occurring simply a continuum of the last 6 years of effort
- Outcomes are stakeholder agreements rather than consultant recommendations
- Consortium awareness of both opportunities and existing activities can better guarantee leveraging

REPORT TO THE CITY COUNCIL OF THE CITY OF GUADALUPE Agenda of November 23, 2021

Bíll Scott

Prepared by: Bill Scott, Contract City Planner

Todd Bodom

Approved by: Todd Bodem, City Administrator

**SUBJECT:** Public Hearing to consider a Design Review Permit (2021-049-DR) for the *Crandall 12<sup>th</sup> Street Apartments,* a two-building 6-unit apartment complex on a 0.34-acre property in the R-3 (High Density residential) zoning district. The property is located on the northerly corner of Twelfth Street and Olivera Street, APN 115-033-002.

### **EXECUTIVE SUMMARY:**

The applicant, Mr. Paul Knutson, applicant/designer on behalf of Mr. Trevor Crandall, property owner/developer, is requesting City Council approval of a Design Review permit to allow construction of a six-unit apartment complex on the northerly corner of Twelfth Street and Olivera Street. The Municipal Code requires City Council approval of a major Design Review (DR) permit for apartment projects having more than three apartment units. A Categorical Exemption was prepared for the project in accordance with California Environmental Quality Act (CEQA) Guidelines.

### **RECOMMENDATION:**

It is recommended that the City Council:

- 1) Receive a presentation from staff;
- 2) Conduct a public hearing, including a) an opportunity for the applicant to present the proposed project, and b) receive any comments from the public; and
- Adopt Resolution No. 2021-88 approving the major Design Review Permit 2021-049-DR, for the Crandall 12<sup>th</sup> Street apartment project.

### BACKGROUND:

### Project Site and Vicinity

The 0.34-acre property is currently vacant and fenced. The property was recently occupied by a church. A demolition permit was approved by the City in 2020 to allow removal of the building and clearing of the site. To the south, east and west are long-established original City neighborhoods. The neighborhood is zoned for R-3 (High Density) residential use and is made up of a mixture of single-family and multiple-family dwellings. Downtown Guadalupe is four blocks southwesterly. The Guadalupe city limits extends along the northwesterly side of the property.

The neighboring property on the west is occupied by a small six-building cluster housing development constructed roughly around the 1940' s. A similar vacant lot zoned for R-3 use is across Olivera Street to the east. Because the area is already developed with similar uses, the site has most municipal services and facilities in place, and future residents would have easy access to downtown, the proposed project is consistent with the City's general plan. The segment of Olivera Street, north of Twelfth Street, is unimproved and terminates at the City Limits on the north. A Vicinity Map is provided as Attachment 2.

### **Project Description**

The six apartment units are contained in two, 2-story apartment buildings. The Site Plan places the apartment buildings near the Twelfth/Olivera Streets intersection on the south end of the property and the parking behind the apartments on the north side. The two apartment buildings are identical in design. The Site Plan identifies them as Building "A" and "Building "B." (Attachment 3 - Plan set).

Building "A" contains Units 1-3 and Building "B" contains Units 4-6. The six apartments have two-levels, and all the floor plans are the same. Each apartment is 900 square feet in size. The first floor contains a living room, kitchen, a dining room and ½ bathroom. The second floor has two bedrooms and a full bath. A private yard is accessed from the dining area on the west side of the buildings. No space for laundry hookups is provided (Attachment 3 - Floor Plan).

As noted, the developer proposes a 13-space parking lot on the north side of the apartment buildings with the driveway extending from Olivera Street on the east. A six-foot high masonry wall will be constructed along the northerly and westerly property lines. The west half of the segment of Olivera Street will be paved as a part of the project. Landscape coverage and the provision of open space is discussed below in the Discussion section.

### **Building Exteriors**

The apartment buildings are simple in design. The designer calls the buildings a "Contemporary" architectural type. The buildings are generally rectangular, and the center unit is off-set slightly to better break-up the building's length. A variety of decorative elements, including railings, a window cover element, and decorative ceramic tiles have been added to embellish the buildings. The roofs are a variation of a hip roof with gable end elements. The front entries are covered by a 2-foot-wide roof (the Zoning Ordinance currently limits covered porch projections to two feet).

The exterior materials are substantial and include a stucco finish exterior, stone veneer at the base, and concrete tile roofs. The exteriors are a light crème color with darker earth tones for the trim (Attachment 3 - Elevation Plan).

### DISCUSSION

The primary issues associated with the project are: 1) ensuring a project design that is supportive of the immediate neighborhood; 2) compliance with applicable City codes and development standards; and 3) providing a high degree of livability for the future residents.

### Compatibility with the Neighborhood

To best relate to the neighborhood the two apartment buildings are placed as close to the Twelfth and Olivera Street intersection as allowed by setbacks of the R-3 zone. The parking area and trash enclosure is on the opposite end, behind the apartments on the north side of the property. Instead of turning its back to the public streets, the project orients Building "A" with its front entries facing the street. Sidewalks extend from the sidewalks on Olivera Street to the apartment unit entries.

The building orientation appropriately puts the Building "A" private yards in the site interior and puts the most highly articulated sides of the buildings facing Twelfth and Olivera Streets (Site Plan - Attachment 3). As discussed above, the building designs are simple but appropriate. At under 25 feet the buildings are substantially under that the 35-foot maximum height allowed by the R-3 zoning district. The buildings, site plan and landscape plan should provide a satisfactory appearance at this corner location in Original City portion of Guadalupe.

No traffic issues are associated with the six-unit complex. The project provides future residents with walkable opportunities to the goods, services, transportation, and entertainment available in the City's Downtown. Traffic in this segment of Olivera Street is currently limited to the several pickup trucks that make deliveries to the neighboring property in the County on the north.

### MUNICIPAL CODE CONFORMANCE

### Landscape Coverage

For decorative landscaped areas, the Municipal Code specifies *not less than 10% of a parcel shall be covered with dense landscaping.* The Plan Set indicates the project is providing 6,333 square-feet (42.2%) of landscape coverage. As proposed, the landscape coverage meets or exceeds the Municipal Code minimum standard for decorative landscape coverage.

The setback areas along Twelfth Street and Olivera Street would be substantially landscaped; and include a good variety of trees, shrubs, and ground cover (Attachment 3). The Landscape Plan includes a total of 13 ornamental trees planted throughout the project, and particularly along the Twelfth Street and Olivera Street frontages.

### Usable Open Space:

For apartments having a ground floor in the R-3 zone, the Municipal Code specifies a minimum 100 square feet of fenced private ground-level open space. The ordinance specifies that private yards should typically be rectangular in shape and have a minimum width of no less than eight feet.

The project is providing fenced private yards for each unit. Depending on the unit, the private yards vary from eight-feet by fifteen-feet (120-square-feet) to twelve-feet by fifteen feet (180-square-feet) in size. The private yards meet the Municipal Code minimum. Additionally, a 625-square-foot common outdoor seating and picnic area is provided on the north side of Building "B" (Attachment 3).

### <u>Parking</u>

The Zoning Ordinance specifies two parking spaces are required for each apartment unit; one of which shall be covered. The project is proposing twelve City standard size parking spaces, six of which will be covered by carports. Therefore, the project meets the Municipal Code parking standard.

All of the other applicable Zoning Code standards; including but not limited to: building setbacks, density, and site access and circulation have been met by the project.

### PUBLIC IMPROVEMENTS

As noted, the segment of Olivera Street north of Twelfth Street is unimproved. The project will make paving improvements on Olivera Street. The improvements would include new half-street paving; and new curbs, gutter and sidewalk improvements along the Olivera Street frontage. Curb, gutter and sidewalk improvements would also be made along the Twelfth Street frontage. The project will also be responsible for replacing an existing segment of 6-inch sewer with a new 8-inch sewer line. The sewer upgrades will extend from the west side of the property to Olivera Street; and from Twelfth Street to Eleventh Street.

### CEQA Review

The project is exempt from further environmental review. The apartment project is on a small infill property less than five acres in size. The site is surrounded on three sides by urban development within the existing City Limits. Municipal services and facilities are generally in place, and the 0.38-acres is found to have no value for protected wildlife. Therefore, the project has been found to be exempt from CEQA based on the Class 32 (Small Infill Projects) Categorical Exemption (Cal. Code Regs. Tit. 14, Sec. 15332).

### PUBLIC NOTICE

Staff published the required Public Hearing Notice in a newspaper of general circulation on Friday, November 12, 2021. Copies of the Public Hearing Notice were also mailed to property owners and occupants within a 300-foot radius of the subject property.

### FISCAL IMPACTS:

Fiscal impacts are anticipated to be negligible. As noted, the 6-unit apartment complex is a small project on an infill property in an established neighborhood where City infrastructure is already established, and municipal services are already provided. The project developer will install all utilities and improvements needed to serve the project.

### Conclusion:

As discussed above, the Crandall 12<sup>th</sup> Street apartment project meets the applicable Municipal Code standards. The project is anticipated to be a good fit for the corner location. Furthermore, the Crandall 12th Street apartments should provide a quality living environment for its residents in a walkable distance to the goods, services, entertainment and transportations facilities available in the City's Downtown.

### ATTACHMENTS:

- 1. Resolution No. 2021-88, including CEQA Exemption (Exhibit 1), Approval Findings (Exhibit 2) and Conditions of Approval (Exhibit 3)
- 2. Aerial Vicinity Map
- 3. Project Plans

#### **RESOLUTION NO. 2021-88**

### A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GUADALUPE, CALIFORNIA, APPROVING A DESIGN REVIEW PERMIT FOR THE CRANDALL TWELFTH STREET APARTMENTS, 2021-049-DR, TO PERMIT A 6 UNIT APARTMENT COMPLEX ON A 0.34-ACRE PROPERTY AT THE NORTHERLY CORNER OF TWELFTH STREET AND OLIVERA STREET (APN 115 -033 - 002)

**WHEREAS,** Mr. Trevor Crandall (the "Developer") has applied to the City of Guadalupe for a design review permit to allow the Crandall 12<sup>th</sup> Street Apartments, a six-unit apartment complex on a 0.34-acre property in the R-3 zoning district; and

**WHEREAS**, the development site is in a part of the Original City of Guadalupe, and within a walkable distance to the City's Downtown; and

**WHEREAS**, in consideration of the neighborhood and this corner location, the project design places the living areas near the Twelfth and Olivera Street intersection with the parking and service facilities at the rear of the property and substantial landscape and tree plantings are be provided along the public street frontages; and

**WHEREAS**, Consistent with General Plan policy, the Developer shall be responsible to make the public roadway improvements and infrastructure upgrades needed to serve the project; and

**WHEREAS,** the project will support General Plan objectives to provide new housing on an infill site where municipal services and facilities are in place; and where residents have easy walkable access to goods and services; and transportation facilities in Downtown Guadalupe.

WHEREAS, the City Council held a duly-noticed public hearing on November 23, 2021, at which all interested persons were given the opportunity to be heard, and notice of said hearing was published in the Santa Maria Times at least 10 days prior to the public hearing. Said public hearing notice was also mailed to all residents and property owners within 300 feet of said property; and

**WHEREAS,** after taking public testimony and hearing evidence from City staff, the City Council finds, pursuant to the findings attached to this resolution as Exhibit 2 and subject to the project's Conditions of Approval attached to this resolution as Exhibit 3, that the approval of the Major Design Review Permit, is consistent with the City's General Plan and applicable Articles of the City's Municipal Code; and

WHEREAS, the City Council has considered the entire administrative record, including application materials, staff report, the California Environmental Quality Act ("CEQA") determination, and oral and written testimony from interested persons; and

**WHEREAS**, the City Council finds that after completely reviewing this project, it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on

the environment, and therefore the activity is not subject to CEQA per CEQA Guidelines Section 15332, Exhibit 1; and

**WHEREAS,** the City Council finds that approval of the Design Review Permit is consistent with the City's General Plan and the provisions of Title 18 (Zoning Code) of the Guadalupe Municipal Code; and

**WHEREAS,** the City Council has the ability to make the findings required to approve the project, including findings pursuant to the California Environmental Quality Act; and

**NOW, THEREFORE, BE IT RESOLVED** that the City Council of the City of Guadalupe does hereby find and determine as follows:

- Section 1. The Findings set forth in Exhibit 2 to this Resolution are true and correct regarding the Design Review Permit, which are hereby adopted and incorporated herein by this reference.
- Section 2. After reviewing this project completely, it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, and therefore the activity is not subject to further CEQA review per CEQA Guidelines Section 15332.
- Section 3. The Design Review Permit is approved, subject to the Conditions of Approval set forth in Exhibit 3 of this Resolution.
- Section 4. The City Council Secretary shall certify as to the adoption of this Resolution.

**PASSED, APPROVED AND ADOPTED** at a regular meeting on the 23<sup>rd</sup> day of November 2021 by the following vote:

## MOTON:

I, Amelia M. Villegas, City Clerk of the City of Guadalupe DO HEREBY CERTIFY that the foregoing Resolution, being **Resolution No. 2021-88** has been duly signed by the Mayor and attested by the City Clerk, all at a regular meeting of the City Council, held November 23, 2021, and that same was approved and adopted.

ATTEST:

Amelia M. Villegas, City Clerk

Ariston Julian, Mayor

**APPROVED AS TO FORM:** 

Philip F. Sinco, City Attorney

Exhibits:

Exhibit 1 - CEQA Categorical Exemption Exhibit 2 - Findings Exhibit 3 - Conditions of Approval To: County Clerk County of Santa Barbara 123 E. Anapamu Street Santa Barbara, CA 93101 From: City of Guadalupe 819 Obispo Street Guadalupe, CA 93434

Project Title: Crandall 12th Street Apartments

Project Applicant: Trevor Crandall.

Project Location-Specific: North side of the intersection of 12<sup>th</sup> Sreet and Olivera St. (4573 12<sup>th</sup> Street)

Project Location-City: <u>City of Guadalupe</u>

Project Location-County: Santa Barbara County

#### Description of Nature, Purpose, and Beneficiaries of Project:

The project is a Design Review (DR) permit, in accordance with Municipal Code Chapter 18.73, to allow development of a six-unit apartment complex and associated parking and landscaping on a 0.34-acre property in the R-3 (High Density Residential) zoning district at the above-referenced location. The project is anticipated to benefit the project developer through a potential financial return. The project would support the City's General Plan objectives to increase the housing supply for the community; and the project would benefit its future residents by providing a quality living environment in close proximity to transit and to services in Downtown Guadalupe.

#### Name of Public Agency Approving Project: Guadalupe City Council

# Name of Person or Agency Carrying Out Project: <u>Paul Knutson</u>, applicant/designer, in behalf of <u>Treavor Crandall</u>, property owner/developer.

Exempt Status: (check one)

- \_ Ministerial (Sec. 15268);
- Declared Emergency (Sec. 15269(a));
- Emergency Project (Sec. 15269(b)(c));
- XX Categorical Exemption. Section 15332
- General Exemption (Section 15061(b)(3))

#### Reasons why project is exempt:

The project consists of a six-unit apartment complex on a 0.34-acre site in the R-3 Zoning District in the City of Guadalupe.

The project is exempt in accordance with CEQA Class 15332 because:

- a) The project is consistent with the High Density Residential (20 DU/AC) General Plan land use designation and corresponding R-3 High Density Residential zoning on the property.
- b) The proposed development will occur on an infill site, less than five-acres in size (0.34-acre); and the property is wholly within the Guadalupe City limits.
- c) The project site surrounded on three sides by similar urban uses in the City. Residential neighborhoods consisting of single-family and multi-family residences in the R-3 zone surround the property to the to the south, east, and west.
- d) The property has been cleared and graded through approval of a City demolition permit. There are no trees or vegetation present; and the property has no value as habitat for rare or endangered species.
- e) Approval of the six-unit apartment project would not result in significant effects related to traffic, noise, air quality, or water quality; and the infill site is adequately served by all required utilities and municipal services. The project includes design measures that are sustainable and encourage pedestrian activity and usage of other alternative transportation modes

Based on the above, it can be seen with certainty that the proposed project could not have a significant effect on the environment.

### **EXHIBIT 2, FINDINGS FOR APPROVAL**

# DESIGN REVIEW PERMIT CRANDALL 12<sup>TH</sup> STREET APARTMENTS 2021-049-DR

#### 1.0 CEQA Findings

### 1.1 CONSIDERATION OF THE CEQA EXEMPTION AND FULL DISCLOSURE

The City Council has considered the Class 32 Categorical Exemption together with the comments received and considered during the public review process for the project. The Class 32 Exemption has been completed in compliance with CEQA and is adequate for this proposal.

#### 1.2 FINDING OF NO SIGNIFICANT EFFECT

Based on the whole record, it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, and therefore the activity is not subject to CEQA.

#### 1.3 LOCATION OF DOCUMENTS

The documents and other materials which constitute the record of proceedings upon which this decision is based are in the custody of the City of Guadalupe, 918 Obispo Street, Guadalupe, CA 93434.

#### 2.0 Administrative Findings

### 2.1 DESIGN REVIEW FINDINGS

Pursuant to City of Guadalupe Municipal Code, Section 18.73.100, a Design Review Permit shall be approved only if all the following findings can be made:

A. The buildings, structures, and landscaping are appropriate and of good design in relation to other buildings, structures, and landscaping on-site or in the immediate vicinity of the project.

The project has been designed with full consideration for both the quality of livability for its future residents and its compatibility with the neighborhood in which the project is located. The project meets or exceeds Municipal Code landscape and open space standards. The immediate area is an established part of the City typified by single-family homes and small multi-family developments. The project has placed buildings at the front setback near the Twelfth Street and Oliveira Street intersection, with parking areas

placed, away from the neighborhood, at the rear of the property. Apartment Building 1 is oriented with front entries to face Olivera Street; and additional architectural embellishments provided to the south building elevations facing Twelfth Street. The front and side-yard setbacks facing the public streets are substantially landscaped and include a good variety of trees, shrubs, and ground cover.

B. That the development will be compatible with the neighborhood, and its size, bulk and scale will be appropriate to the site and the neighborhood.

Consistent with the buildings in the immediate area, the two-story apartment buildings have a maximum height of 24-feet 8-inches; and the building exteriors include substantial materials and earth-tone colors that are compatible with the immediate neighborhood.

C. There is harmony of material, color, and composition of all sides of a structure or buildings as well as consistency and unity of composition and treatment of exterior elevation.

The apartment buildings are of simple design. However, the exterior design includes a harmonious combination of materials that include with concrete tile roofing and stone veneer at the base and a variety of compatible decorative exterior features. The exterior building materials and colors are harmonious and are consistently applied on all sides of the buildings.

D. Any mechanical or electrical equipment is well integrated into the total design concept and screened from public view to the maximum extent practicable.

Any mechanical and/or electrical equipment will be designed and located to minimize visibility and will be screened from public view as applicable.

*E.* All visible on-site utility services are appropriate in size and location.

All utility services are appropriate in their use, size and placement on the project site.

F. The grading will be appropriate to the site.

The grading plan is appropriate for the site; and includes appropriately landscaped stormwater treatment facilities to serve the functional needs of the project while enhancing site appearance. The grading plan has been endorsed by the City Engineer for its functionality, and by the Planning Department for its finished usage and final appearance.

G. Adequate landscaping is provided in proportion to the project and the site with due regard to the preservation of existing trees, and existing native vegetation, and adequate provision will be made for the long-term maintenance of such landscaping.

Dense landscaping is provided throughout the project site, including but not limited to a substantial landscape planting in the front and side-yard setback areas facing the public streets, and around the parking areas. A total of 13 trees will be installed around the north, east and south site perimeters. The project has been conditioned to require permanent maintenance of the landscaped areas in accordance with Municipal Code 18.64.120.

H. The development will not adversely affect significant public scenic views.

There are on significant viewsheds in the project vicinity. The landscape and tree planting plan as well as associated public improvements are anticipated to improve the overall appearance of the project site and its immediate vicinity.

1. All exterior site, structure and building lighting is well-designed and appropriate in size and location.

All exterior lighting fixtures shall be located, directed, and shielded to minimize potential light and glare impacts on neighboring properties.

J. The proposed development is consistent with any additional design standards as expressly adopted by the City Council.

No additional design standards were required by the City Council. However, the project was designed in full consideration of the applicable historic and neighborhood preservation goals and objectives of the City's General Plan.

K. The project architecture will respect the privacy of neighbors and is considerate of solar access.

The project is completely considerate of solar access and the site design and building placement will ensure no impact will result to the privacy of neighboring properties in the project area.

L. The project will provide for adequate street design and sufficient parking for residents and guests in a safe and aesthetically pleasing way.

A total of thirteen parking spaces are provided which exceeds the 12-parking space requirement. The parking spaces are designed to City standards and as noted, the site design places buildings close to the Twelfth Street and Olivera Street and the parking areas and trash service facilities at the rear of the property.

M. The proposed development as shown on the project plans is in conformance with all applicable policies of the General Plan and the requirements of this title.

The project meets or exceeds the applicable standards established by the City of Guadalupe Municipal Code. The project supports General Plan urban design objectives; and housing goals to provide a quality living environment for future residents.

### EXHIBIT 3

# Crandall six-unit apartment complex 2021-049-DR CONDITIONS OF APPROVAL

#### **GENERAL CONDITIONS**

 Project Description: Subject to the conditions set forth below, this permit authorizes the improvements and uses requested by Application No. 2021-049-DR, shown in the project plans on file with the City of Guadalupe. The project consists of the construction and occupancy of a six-unit apartment complex on a 0.34-acre property; with a total of twelve City standard sized parking spaces; six of the parking spaces are covered by carports; and associated landscaping and private open space as shown on the approved plan set.

Any deviations from the project description in the staff report, exhibits or conditions must be reviewed and approved by the City of Guadalupe for conformity with this approval. The project shall be constructed as shown on the approved plan set (Attachment 3), dated March 22, 2021. Deviations may require amendments to the permit, including additional CEQA review. Deviations without the above-described approval will constitute a violation of the permit approval.

- 2. The Applicant agrees, as a condition of approval of this resolution to indemnify, defend and hold harmless, at Applicant's expense, City and agents, officers, and employees from and against any claim, action or proceeding to attack, review, set aside, void, or annul the approval of this permit or to determine the reasonableness, legality or validity of any condition attached hereto. City shall promptly notify the Applicant of any such claim, action or proceeding, to which City receives notice, and City will cooperate fully with Applicant in the defense thereof. Applicant shall reimburse the City for any court costs and attorney's fees that the City may be required to pay as a result of any such claim, action or proceeding, but such participation shall not relieve Applicant of the obligation of this condition. Applicant's acceptance of this permit approval or commencement of construction or operations under the approval shall be deemed to be acceptance of all conditions of approval.
- 3. If any condition imposing a fee, exaction, or dedication is challenged by the project sponsors in an action filed in a court of law or threaten to be filed therein which action is brought within the time period provided for by law, this this approval shall be suspended pending dismissal of such action, the expiration of the limitation period applicable to such action, or final action. If any condition is invalidated by a court of law, the entire project shall be reviewed by the City and substitute conditions may be imposed.

4. In accordance with Section 18.73.120 of the City Municipal Code, this Design Review approval shall expire two (2) years from the date of approval, unless a building permit for the proposed improvements has been obtained prior to expatriation. Up to two one-year time extensions may be granted for good cause. An extension must be filed with the City prior to the permit expiration date.

### **CITY ENGINEER CONDITIONS**

- 5. All engineering submittals prepared by the applicant's engineer shall be signed and sealed by a California licensed civil engineer.
- 6. All new and existing electrical, telephone, and communication utility distribution service wires onsite and in adjacent easements shall be placed underground.
- 7. Provide a trash enclosure and dumpster located on the west end of the asphalt drive. Follow City of Santa Barbara trash enclosure guidelines (available upon request).
- 8. All water meters shall be placed in the parkway, adjacent to the curb. Landscape area greater than 5,000 square feet requires a separate, appropriately-sized irrigation meter.
- 9. For service lines already connected to the utility system, water and wastewater connection fees shall be based solely on an increase in water meter size and shall be calculated and collected prior to installation of the larger meter. For new water meters (except for ADUs) full connection fees shall apply, per the 2020-2021 master fee schedule. The owner shall pay for meter and all connection fees prior to issuance of the Building Permit.
- 10. Park development and public facilities fees shall be paid per the master fee schedule.
- 11. The developer shall obtain an encroachment permit from the Building/Planning Department prior to any work in public streets, right-of-way, or easements.
- 12. All sewer lines on-site shall be privately owned and maintained. Drawings shall label all privately owned lines as such. Private sewer lines shall tie into the public sewer main using a wye connection. Sewer laterals shall not be connected to the public sewer main at a manhole.
- 13. All the following conditions shall be completed to the satisfaction of the City Engineer prior to issuance of certificate of occupancy for the project, unless otherwise stated herein or as agreed by the City Engineer.
- 14. The applicant shall provide an engineer's estimate for all work included on the public improvement plans, and enter into an agreement with the City, subject to the City's

approval. If approved by the City, bonds or other forms of securities shall be submitted as a guarantee for the construction of infrastructure improvements before the approval of building permits.

- 15. Public infrastructure improvements shall be designed and constructed per the City of Santa Maria standards (adopted by the City of Guadalupe), and the City of Guadalupe standard drawings when available. The decision of the City Engineer shall be final regarding the specific standards that shall apply.
- 16. The applicant shall submit drainage calculations or an updated drainage report with<br/>thepublicimprovementplans.
- 17. Submit an Erosion and Drainage Control Plan to the City Engineer for review and approval prior to construction. The plan shall reflect "Best Management Practices" as proposed in the California Regional Water Quality Control Board Erosion and Sediment Control Field Manual and shall include both temporary measures (to be used during construction, and until permanent measures are completed/established) and permanent measures. Erosion control measures shall be in place and approved by the City before the start of construction. The plan shall include both source control and perimeter containment measures. All Drainage and Erosion Control Measures shall be designed and sized by a qualified professional.
- 18. All stormdrain infrastructure located on-site and required by the Post-Construction Requirements (PCRs) adopted by the California Regional Water Quality Control Board for the Central Coast Region shall be privately owned and maintained.
- 19. Install Storm Drain Markers on all drainage inlets prior to issuance of the first occupancy clearance.
- 20. Install Bioretention Signage on all bioretention areas prior to issuance of the first occupancy clearance.
- 21. Submit grading and drainage plans, including a geotechnical report providing technical specifications for grading of the site and prepared by a Geotechnical Engineer, to the City and Santa Barbara County Flood Control District for plan checking and comment. Before building permits are issued, address all comments to the satisfaction of the City Engineer.
- 22. Upon approval of the improvement plans, the applicant shall provide a scanned .pdf of the signed plans and three sets of prints of the signed improvement plans for inspection purposes.
- 23. Before final inspections and acceptance of the public improvements, the applicant shall provide to the City Engineer record as-built drawings, signed by the engineer of

record in the following method: one set of scanned pdfs, one set of reproducible mylars, and an electronic AutoCAD drawing file.

- 24. The project shall comply with all Municipal Separate Storm Sewer System (MS4) requirements. Low impact development, best management practices and similar regulations and guidelines shall be met. The design shall be in compliance with the Santa Barbara County Post Construction Requirements, Stormwater Technical Guide, and all future updates.
- 25. The developer shall submit a drainage study prepared by a registered civil engineer addressing pre and post-development storm water run-off. Post-development storm water management shall be addressed and shall be consistent with the State and County requirements.
- 26. Prior to final occupancy, an "Owner's Agreement to Construct and Maintain Private Drainage Improvements for Water Quality" on all private lots where LID measures are required must be approved, signed by the owner and City, and recorded. A template is available from the City Engineer.
- 27. Prior to final occupancy and if required, a "Storm Water Control Measures Certification of Approval" must be signed and stamped by a California Registered Engineer, Architect, Geologist and/or Landscape Architect and submitted to the City Engineer. A template is available from the City Engineer.
- 28. Prior to construction, the developer shall provide a copy of a preliminary Title Report, no more than 6 months old to the City Engineer.
- 29. The entire site shall be permanently maintained free of accumulated dirt and litter and in an otherwise neat and attractive manner and adhere to the requirements of the City of Guadalupe Municipal Code. Any graffiti on the property shall be promptly painted out. All landscaping areas in the property shall be permanently maintained with healthy, growing plant material, free from weeds. Dead or dying plant material shall be replaced within one month of plant deterioration. Failure to comply with this condition is a public nuisance and is subject to the adopted citation ordinance of the City of Guadalupe.
- 30. The developer shall repair any cracked or broken curb, gutter, and sidewalk within the project frontage along 12th and Olivera Streets. Public Works staff will determine the extent of the sidewalk and curb and gutter repair in the field prior to construction. Driveways shall be flush with adjacent sidewalk.
- 31. The developer shall upgrade the public sewer main on 12<sup>th</sup> Street from a new manhole in 12<sup>th</sup> Street aligned with west edge of property to Olivera Street and on Olivera Street from 12<sup>th</sup> Street to 11<sup>th</sup> Street to meet minimum sewer size requirement of 8-

inch for multifamily developments in accordance with Santa Maria standard specifications. All plans must be signed by the City Engineer prior to commencement of construction activities.

32. Half-street paving improvements shall be completed on the section of Olivera north of Twelfth Street.

#### PLANNING DEPARTMENT CONDITIONS

- 33. Commencement of work. The applicant shall notify City Planning Department and City Building Department staff of the start date for construction at least five (5) working days in advance of the start of work. This notification shall also include an estimated construction schedule and a truck haul route for demolished and recycled materials. The applicant shall also notify City staff of the completion of construction and demolition work no more than one working day upon completion.
- 34. Recycling. Excess construction materials and demolition materials shall be recycled to the extent feasible and proof of recycling in the form or receipt from the recycling facility noting recycled materials and amounts shall be provided to City staff.
- 35. Fees. Prior to Zoning Clearance, the applicant shall pay all applicable permit processing fees in full, including but not limited to building permit fees.
- 36. Zoning Clearance. No Building Permit shall be issued until a Zoning Clearance has first been issued by the City.
- 37. Agreement to Comply. Approval of this Design Review is not valid until the property owner or authorized agent signs and returns the Agreement to Comply form, agreeing to the terms and Conditions of Approval. The signed form must be submitted to Planning Department prior to issuance of a Zoning Clearance.
- 38. Compliance with Conditions. The applicant shall comply at all times with these conditions. If complaint are filed with the City, staff will review the complaints and determine if a meeting with the applicant and complainants can resolve the issue(s). If no resolution is reached, a hearing will be scheduled before the City Council for staff to present a recommendation to resolve the issue(s) The applicant shall be responsible for the fees to cover staff time.
- 39. Construction Hours. The Owner/Applicant, including all contractors and subcontractors shall limit construction activity, including equipment maintenance and site preparation, to the hours between 7:00 a.m. and 5:00 p.m. Monday through Friday. No-noise generating construction shall occur on weekends or state holidays. Non-noise generating interior construction activities such as plumbing, electrical, drywall and painting (which does not include the use of compressors, tile saws, or

other noise- generating equipment) are not subject to these restrictions. The applicant is advised that building inspector and planning staff will spot check and responds to complaints.

- 40. Landscaping. Landscape Plan. Prior to issuance of Zoning Clearance, the applicant shall submit a Final landscape Plan for review and approval by the Planning Director. Prior to the first occupancy clearance, the project shall have all landscaping planted. Landscaping shall be installed and maintained per the City-approved landscape and irrigation plan and maintained for the life of the project. The type, size, density and configuration of new plants shall be selected to maximize successful establishment and growth to achieve this landscaping objective within a reasonable period of time after installation. Final landscape and irrigation plans shall be submitted by the Applicant to the City for review and approval prior to issuance of Zoning Clearance. All landscaping and irrigation shall be completed and installed prior to the first Occupancy Clearance of that particular phase of development. Plant locations may be adjusted in the field (as directed by Planning staff) to achieve landscaping objectives. The applicant shall contact City Planning staff at least 48 hours prior to request for occupancy clearance to verify that landscaping and irrigation has been installed according to the approved plans, Failure to comply with the requirements could jeopardize issuance of the occupancy clearance.
- 41. Additional Permits Required. The use and/or construction of any structures or improvements authorized by this approval shall not commence until all necessary planning and building permits are obtained. Before any Permit will be issued by the Building Department, the Owner/Applicant must obtain written clearance from all determents having conditions. Such clearance shall indicate that the Owner/Applicant must obtain written clearance shall indicate that the Owner/Applicant has satisfied all pre-construction conditions.
- 42. Design Review Expiration. The Owner/Applicant shall obtain the required Zoning Clearance within 24 months following the effective date of this Design Review Permit. If the required Zoning Clearance is not issued within 24 months following the effective date of this Deign Review Permit, or within such extended period of time as may be authorized in compliance with Section 18.73.120.B of the Guadalupe Municipal Code, and an application for an extension has not been submitted to the Planning Department, then the Design Review permit shall be considered void and of no further effect.
- 43. Design Review-Void. This Design Review Permit shall become void and be automatically revoked if the development and/or authorized use allowed by this time Design Review Permit is discontinued for a period of more than 12 months, or within such extended period as may be authorized in compliance with Section 18.73.120.B of the Guadalupe Municipal Code. Any use authorized by this Design Review Permit shall immediately cease upon expiration or revocation of this Design Review Permit.

Any Zoning Clearance approved or issued pursuant to this Design Review Permit shall expire upon expiration or revocation of the Design Review Permit. Design Review Permit renewals must be applied for prior to expiration of the Design Review Permit.

- 44. Plans Requirements. The Owner/Applicant shall ensure all applicable final conditions of approval are printed in their entirety on applicable pages of grading/construction or building plans submitted to the Building Department.
- 45. Contractor and Subcontractor notification. The Owner/Applicant shall ensure that potential contractors are aware of City conditions and requirements. Owner/Applicant shall notify all contractors and subcontractors in writing of the site rules, restrictions, and Conditions of Approval and submit a copy of the notice to Planning Staff.
- 46. Time Extensions-All Projects. The Owner/Applicant may request a time extension prior to the expiration of the permit or entitlement for development. The review authority with jurisdiction over the project may, upon good cause shown, grant a time extension in compliance with City rules and regulations, which include reflecting changed circumstances and ensuring compliance with CEQA. If the Owner/Applicant requests a time extension for this permit, the permit may be revised to include updated language to standard conditions and/or mitigation measures and additional conditions and/or mitigation measures which reflect changed circumstances or additional identified project impacts.
- 47. All newly planted landscaping shall be maintained for the life of the project.
- 48. In the unexpected event archeological or paleontological resources are unearthed during project construction, all earth disturbing work within the project area of potential effect (APE) must be temporarily suspended until an archaeologist has evaluated the nature and significance of the find. After the find has been appropriately mitigated, work in the area may resume. A Native American representative should monitor any archaeological field work associated with Native American materials.
- 49. The project is required to comply with standard lighting requirements per the Guadalupe Municipal Code, which requires that light and glare be minimized on any adjacent properties. Exterior lighting shall be shown on all Building plans prior to approval of the Zoning Clearance and Building Permit.
- 50. Carports. A minimum of six (6) covered parking spaces are required. Detailed plans for carports shall be approved by the Zoning Administrator or a designee, prior to approval of a Zoning Clearance for Building Permit.
- 51. Lot Combining. A lot combining may be required prior to issuance of a building permit.

- 52. Stormwater. The project is Tier 2 project as identified in the *Project Clean water* Technical Guide, established as the guiding document for stormwater discharges in Santa Barbara County. The project shall establish and implement a Stormwater Control Plan, in accordance with the protocol established by the Project Clean water Technical Guide.
  - a) Prior to occupancy the Stormwater Control Plan shall be approved by the City; and the measures identified shall be fully constructed to the satisfaction of the City.
  - b) All stormwater control measures, and associated landscaping shall be maintained by the property owner(s) and their successors for the life of the project.
- 53. Prior to issuance of a building permit, the applicant shall pay all fees due to the Planning Department and those applicable fees to Building at the time of permit issuance.
- 54. Site Maintenance General: The property and all of the facilities, including but not limited to buildings; parking areas; carport structures and trash enclosures and their immediate areas shall be maintained in an orderly manner and free of accumulations of dirt, litter to the satisfaction of the City; and as further specified by Municipal Code Chapter 18.050.070.
- 55. Landscape Maintenance: Landscape materials shall be planted as shown on the approved Landscape Plan, identified as Exhibit \_ attached hereto and incorporated herein. Trees and larger shrub plantings shall be selected to be generally symmetrical and installed in healthy condition. Any damaged or otherwise unhealthy plant material shall be immediately removed and replaced.

To minimize the potential for bent or leaning, or miss-sharpen trees, tree plantings shall be firmly staked until determined to be established as vertical and upright, and not susceptible to wind damage or leaning.

The Property Owner(s) and their successors shall be responsible for the long-term maintenance of the landscaped areas. All required landscaping shall be maintained in good condition. Such maintenance shall include, where appropriate, pruning, moving, weeding, cleaning, fertilizing, and watering. Whenever necessary, plant materials shall be replaced, and any structural materials included in the basic landscaping design shall be repaired or replaced. (Municipal Code Section 18.64.120.)

All shrubs and plants shall be of a minimum size of one gallon, or equivalent, at the time of installation, and all trees shall be of a minimum size of fifteen (15) gallons, or equivalent, at the time of installation.

56. Fence and Wall Maintenance: Fences and walls shall be maintained in an upright vertical and unbroken condition and in accordance with Municipal Code Chapter 12.52.125. Any graffiti shall be removed within 48-hours.

#### **BUILDING DEPARTMENT**

- 57. <u>Accessibility.</u> Clearly identify on the plans that the R-2 Occupancy Buildings are required to comply with C.B.C., Chapter 11A Accessibility Requirements. The ground floor of the multi-story units shall be fully accessible. [C.B.C., §1102A.1]
- 58. <u>Permits.</u> A building permit application, plans and specifications demonstrating compliance with current California Building, Fire, Plumbing, Mechanical, Electrical, Green Building and Energy Standard Code requirements is to be submitted and permits obtained prior to construction.
- 59. <u>Grading.</u> Sheet C3.0; Correct Note #16 to reflect the City of Guadalupe, not Santa Maria.
- 60. <u>Design Professional Required.</u> Plans for the project shall be prepared signed and sealed by a California registered design professional, i.e. architect or engineer.
- 61. <u>Soils Report Required</u>. A soils (Geotechnical) report will be required for the project and must be submitted at the time of building permit application. [C.B.C., §1803]
- 62. <u>Undergrounding Required.</u> All electrical, telephone and communication utility distribution and service wires shall be placed underground.
- 63. <u>Water Meters.</u> Utility or customer submetering of the domestic water supply is required for each unit in multiunit (2 or more) residential structures.
- 64. <u>Area and Height.</u> Justification for the proposed allowable area and height for the buildings in this project shall be shown on the cover sheet of plans. [C.B.C. Table 506.2]. Show compliance with R-2 occupancy using total square footage of residential occupancies. [5,930 sf proposed < 7,000 sf allowed]
- 65. <u>Truss Calculations.</u> The City of Guadalupe requires truss calculations and their design to be submitted at the time of building permit application. C.B.C. §107.3.4.1
- 66. <u>Alarm Systems.</u> Fire alarm systems, smoke alarms and carbon monoxide alarms shall be provided in Group R-2 occupancies, as applicable. C.B.C., §420.5

- 67. <u>Fire Sprinklers.</u> New Group R occupancies are required to be protected by an automatic sprinkler system in accordance with C.B.C. Section 903.2.8. Fire sprinkler systems require separate review, approval and permit and are not within the scope of the building permit application for the structures.
- 68. <u>Fire Barriers.</u> Fire barriers separating dwelling units and other occupancies shall be constructed in accordance with C.B.C., Section 707 and horizontal assemblies separating dwelling units and other occupancies shall be constructed in accordance with C.B.C., Section 711. In addition to the fire resistive construction, walls and floor/ceiling assemblies separating dwelling units shall be designed to provide a sound transmission class rating in compliance with C.B.C., Section 1207.
- 69. <u>Clothes Washers.</u> Clothes washers shall be provided in accordance with C.P.C., Table 422.1 as follows; Laundry tray or 1 automatic clothes washer connection per unit or 1 laundry tray or 1 automatic clothes washer connection for each 12 units.
- 70. <u>Photovoltaics</u>. The project shall incorporate solar photovoltaic system(s). Show the PV array locations on the elevation plans as applicable. [C.En.C. §110.10(a)2]
- 71. <u>Waste Management.</u> After the issuance of a building permit, the applicant shall submit a waste management plan to the Building Division. The plan shall include the estimated composition and quantities of waste to be generated and how the project developer intends to recycle at least 65 percent of the total job site construction and demolition waste measured by weight or volume. Proof of compliance shall be provided to the Chief Building Official prior to the issuance of a final inspection. During demolition and construction, the project developer shall mark all trash disposal bins "trash materials only" and all recycling bins "recycling materials only."

## FIRE DEPARTMENT

- 72. <u>Fire Hydrant.</u> Sheet C2.0; Identify existing or proposed Fire Hydrants and show compliance with the Amended City of Guadalupe Municipal Fire Code §15.08.030, Appendix C Table C102.1; Number and Distribution of Fire Hydrants.
- 73. <u>Site Plan.</u> Sheet C2.0; Correct Fire Department Requirements Note #2. There is no Appendix III-D in the 2019 C.F.C.,
- 74. <u>Emergency Contact Information</u>. An "Emergency Contact Information" form shall be provided to the Guadalupe Fire Department (GFD) prior to the issuance of Building Permits.
- 75. <u>Address Numbers.</u> The proposed location and design of address numbers shall be shown on plans. New and existing buildings shall have approved address numbers,

building numbers or approved building identification placed in a position that is plainly legible and clearly visible from the centerline of the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of 4 inches in height with a minimum stroke width of 0.5 inch (12.7mm) for residential occupancies and 6 inches (152 mm) high with a minimum stroke of 0.75 inch (19 mm) for commercial and industrial occupancies. Numbers and/or letters of larger size may be required based on the size and design of the building or groups of buildings. Where access is by means of a private road and the building cannot be viewed from the public way, a monument pole or sign or means shall be used to identify the structure. Address identification shall be maintained.

- 76. <u>Access.</u> Fire Department Access requirements shall comply with the Fire Code of the City of Guadalupe Chapter 8, Title 15 of the Guadalupe Municipal Code (GMC), 2019 California Fire Code (C.F.C.), Section 503 and C.F.C. Appendix D. All weather surface access roads shall be installed and approved by the Fire Department prior to the issuance of a building permit or start of construction unless otherwise approved by the Fire Code Official.
- 77. <u>Access Roads</u>. An approved Guadalupe Fire Department (GFD) access road shall extend to within 150 feet of all portions of the exterior walls of the first story of the building, as measured by an approved route around the exterior of the building.
  - a. All weather surface access roads shall be installed and approved by the GFD prior to vertical combustible construction.
- 78. <u>Temporary Access Roads.</u> Plans for temporary access roads shall be reviewed, inspected and approved by the GFD prior to construction, in accordance with C.F.C. Section 501. Temporary access roads shall be constructed with compacted base, curbs and gutters prior to vertical combustible construction. Access roads shall be maintained clear and unobstructed for the duration of the construction project.
- 79. <u>Temporary Fire Access Road Signage</u>. Temporary access signage shall be placed at each entrance to the project (when necessary) to delineate construction and fire access. These signs shall be installed prior to combustible construction.
- 80. <u>Fire Lane Sign Requirements.</u> No Parking/Fire Lane signs must follow these guidelines:
  - a. The CVC Code 22500.1 (CVC 22500.1) must be imprinted on the bottom of the sign.
  - b. All lettering shall be red on white reflective background no smaller than 2 inches in height.

- c. The sign shall be no smaller than 12 inches wide by 18 inches high.
- d. The sign shall be securely mounted facing the direction of travel and clearly visible to oncoming traffic entering the designated area. Signs shall be of durable material.
- e. Signs shall be installed at all driveway entrances and at intervals of not less than 100 feet along all designated fire lanes.
- 81. <u>Fire Lane Curb Painting Requirements.</u> Where a curb exists adjacent to a fire lane, the top and face of the curb shall be painted with red traffic paint. Where the curb is discontinued, a red stripe and stencil as described below shall be painted to define the fire lane. Red curbs, red stripes and white stencils must be maintained in good condition and follow these guidelines:
  - a. The face of the curb shall be stenciled with the words: NO PARKING FIRE LANE in white block letters a minimum 4 inches in height.
  - b. The stencil must be painted on the FACE of the curb. Exception: Under circumstances where the curb height is less than 4 inches, the stencil may appear on the top of the curb.
  - c. The stencil must appear every 50 feet or less, depending on the configuration of the fire lane. (Where a small island cannot contain both phrases, FIRE LANE must appear the NO PARKING may be omitted).
  - d. Where no curb exists adjacent to the fire lane, the edge of the fire lane shall be marked with an 8-inch-wide red stripe. In addition, a diagonal 8-inch-wide red stripe may be required between the edges of the fire lane, with the diagonal stripe connecting the stripes or curbs at the edges of the fire lane. Spacing of the diagonal stripe is every 50 feet.
  - e. The stripe shall be stenciled with the words NO PARKING FIRE LANE in white block letters, minimum 4 inches in height.
  - f. The stencil must appear every 50 feet or less, depending on the configuration of the fire lane. If the fire lane is less than 50 feet the stencil must appear at the beginning and end of the fire lane.
- 82. <u>Water Supply for Fire Protection.</u> An approved water supply for fire protection shall be installed and made fully operational prior to the delivery of combustible materials to a job site. The Fire Code Official shall inspect and approve the water system prior to the delivery of combustible materials at the job site.

- 83. <u>Portable Fire Extinguishers.</u> Structures under construction, alteration or demolition shall be provided with not less than one approved portable fire extinguisher in accordance with C.F.C., Section 906 and sized for not less than ordinary hazard as follows:
  - a. At each stairway on all floor levels where combustible materials have accumulated.
  - b. In every storage and construction shed.
  - c. Throughout the building under construction in sufficient quantity so travel distance does not exceed 75 feet (23 m).
  - d. The minimum rating for fire extinguishers shall be 2A10BC.
  - e. Additional portable fire extinguishers shall be provided where special hazards exist including, but not limited to, the storage and use of flammable and combustible liquids.
- 84. <u>Fire Flow.</u> Fire flow shall comply with C.F.C., Appendix B. The minimum fire flow for this R-2 project shall be 500 gallons per minute for a 1/2 hour (based on Type V Construction with fire sprinklers).
- 85. <u>Fire Sprinkler Systems.</u> Automatic Fire Sprinklers are required for the proposed R-2 occupancy and as otherwise required by the C.F.C.. Deferred submittal of fire sprinkler plans and calculations is permitted. The plans and calculations shall be signed and sealed on every sheet by a registered Fire Protection Engineer or Fire Protection Contractor.
- 86. <u>Fire Department Connection (FDC)</u>. FDCs shall be located on the front access side of buildings, fully visible and recognizable from the street or nearest point of fire department vehicle access or as otherwise approved by the Fire Chief or his/her designee. The FDC shall:
  - a. Face the public street or fire lane fronting the protected building and be installed so the center line of the connection is a minimum of 36 inches above finished grade.
  - b. Within 40 feet of an approved roadway or driveway and arranged so that hose lines can be readily attached to the inlets without interference.
  - c. Within 50 feet of an approved fire hydrant.
  - d. Be equipped with Knox Brand locking caps.

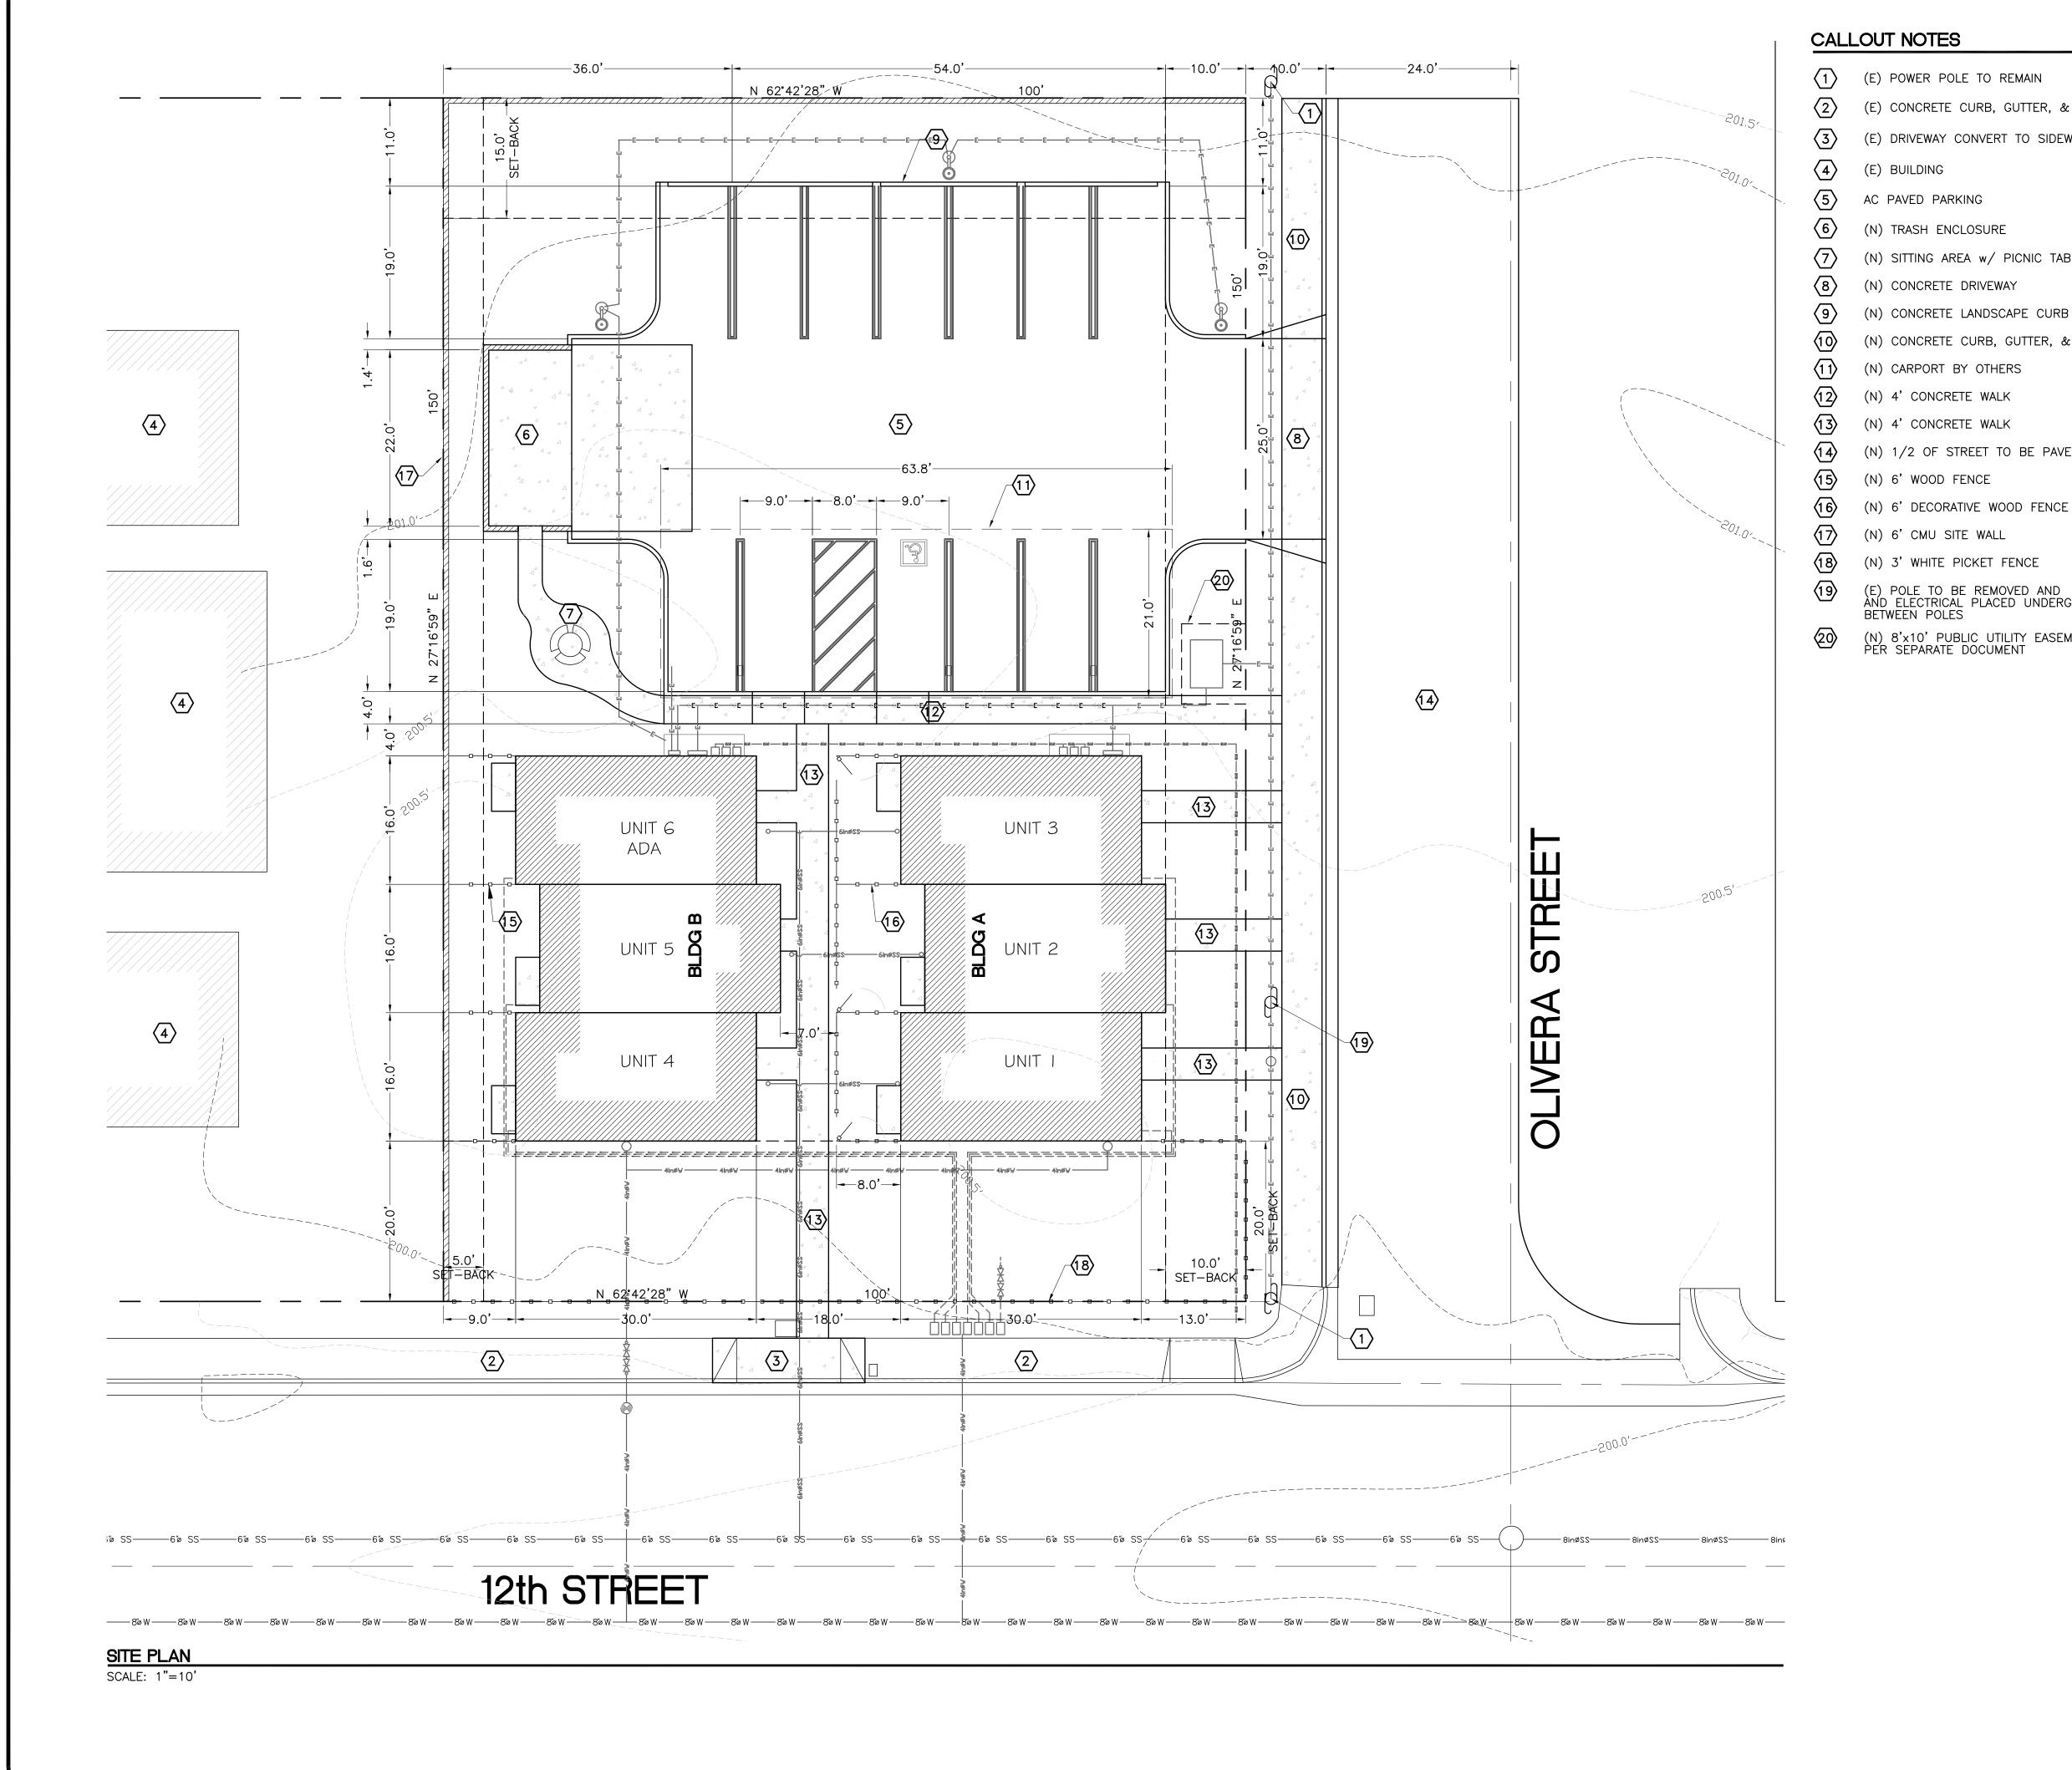

- e. All Fire Department Connections, fire sprinkler risers, standpipes connections, and fire pump connections shall be provided with a sign identifying its location in accordance with standards established by the Fire Code Official. Where the FDC does not serve the entire building, a sign shall be provided indicating the portion of the building served.
- f. A 5-foot (1.5 m) clear space shall be maintained in front of the FDC when placed directly in front of a parking area or road. Where the clearance required intrudes into the road or parking area the Fire Lane Curb Painting Requirements in C.F.C., Appendix Section D103.6.4 must be applied.
- 87. <u>Fire Alarm System.</u> A fire alarm system shall be installed in accordance with the C.F.C. and N.F.P.A. 72 standards. All alarm systems shall have an alarm permit issued by the Guadalupe Police Department. Permit shall be obtained prior to final occupancy approval. The fire alarm system shall be certificated by Underwriters Laboratories or an equivalent nationally recognized organization.
  - a. Deferred submittal of fire alarm plans is permitted. The plans shall be signed and sealed, on every sheet, by a registered Fire Protection Engineer or Fire Protection Contractor licensed in California.
  - b. A Fire alarm system, at a minimum incorporating tamper switches on control valves and a Central Station service for the water flow alarm shall be installed for fire sprinkler systems.
- Smoke and Carbon Monoxide Detectors/Alarms. Smoke and Carbon Monoxide Detectors/Alarms shall be installed in accordance with the C.F.C., C.B.C., and N.F.P.A. 72.
- 89. Inspections/Approvals. The Fire Department shall inspect/approve the following:
  - a. Fire access road(s): prior to vertical combustible construction.
  - b. Fire hydrants: prior to vertical combustible construction.
  - c. Water mains: prior to vertical combustible construction.
  - d. Underground fire sprinkler piping: prior to concealment.
  - e. Overhead fire sprinkler piping: prior to installation.
  - f. Fire Alarm system acceptance test: prior to occupancy clearance.
  - g. Fire Department Key Box; mounted in proper location w/key(s) inside: prior to occupancy clearance.
  - h. The Fire Department shall be given 48 hours minimum notice for all inspections via the inspection request line 805-356-3905.
  - i. All permits shall be issued prior to start of any work.

# NOTES

1. THE CONTRACTOR SHALL POTHOLE AND VERIFY THE LOC OF EXISTING UTILITIES PRIOR TO THE START OF CONSTRUCT NOTE 13.

 TRENCH REPAIR SHALL CONFORM TO THE CITY OF SANT REQUIREMENTS.
 THE INSTALLATION OF ALL UTILITIES SHALL CONFORM TO CITY OF GUADALUPE REQUIREMENTS. AND ALL OTHER APPL

CODES. 4. ALL SEWER LINES CROSSING WATER LINES SHALL BE CONSTRUCTED IN ACCORDANCE WITH CALIFORNIA STATE HEAI

AGENCY STANDARDS. THE CONTRACTOR SHALL PROVIDE THE ENGINEER WITH PLANS FOR THE METHOD OF PROTECTING THE LINE AT EACH CROSSING. 5. ANY EXISTING SEWER SERVICES NOT TO BE UTILIZED BY

DEVELOPMENT SHALL BE ABANDONED AT THE CITY MAIN PER STANDARDS. 6. ADJUST EXISTING UTILITY BOXES AND FIRE HYDRANTS TO

FINISH GRADE. 7. SEWER LINES RUNNING PARALLEL TO WATER LINES SHAL SEPARATED FROM THE WATER LINE BY A MINIMUM OF TEN F 8. IT IS THE RESPONSIBILITY OF THE CONTRACTOR TO MAK THAT EXISTING FIRE HYDRANTS, EXPOSED WATER VALVES, AN

FLOW DEVICES ARE RELOCATED WITHIN LANDSCAPED AREAS NECESSARY TO MAKE ROOM FOR CURBS, GUTTERS, AND SID 9. THE ELECTRICAL CONTRACTOR SHALL PROVIDE THE

ENGINEER WITH A COMPLETE SET OF ELECTRICAL PLANS. 10. FOR ADDITIONAL INFORMATION, SEE SPECIFICATIONS, S

11. ALL LANDSCAPE CONNECTIONS TO POTABLE WATER SHALL BE EQUIPPED WITH BACK FLOW PREVENTION ACCEPTABLE TO THE CITY.

12. THE CONTRACTOR IS RESPONSIBLE TO ENSURE THAT FOR SIGNS, LIGHT POLES, AND EQUIPMENT ARE REINSTALL ADEQUATE FOUNDATIONS, AND LOCATED PER CITY REQUIR 13. THE UTILITIES SHOWN ON THIS SHEET ARE SCHEMATIC REPRESENT THE TYPE OF UTILITIES THAT ARE TO BE BROWN THE SITE. THE EXACT LOCATION OF UTILITIES MAY BE DETERTING FOR THE FIELD. THE CONTRACTOR SHALL GAIN ACCEPTANCE OF AND UTILITY COMPANIES PRIOR TO CONSTRUCTION.

14. MINIMUM COVER FOR UTILITIES SHALL BE 3'. UTILITY SHALL BE FILLED IN 8" LIFTS & RECOMPACTED TO 95% 15. PROVIDE SEWER CLEANOUTS FOR ALL SEWER PIPES. CLEAN OUTS FOR RUNS OVER 150 FEET. PLACE CLEANOUTS BOX IN PAVED AREAS.

16. COORDINATE WITH SBC AND CHARTER COMMUNICATIONS FOR CABLE SERVICE LOCATIONS. COORDINATE WITH THE GAS COM GAS SERVICE LOCATIONS.

17. COORDINATE WITH PACIFIC GAS AND ELECTRIC COMPANY FOR ELECTRIC SERVICE LOCATIONS.

18. ANY EXISTING WATER SERVICES NOT TO BE UTILIZED BY THIS DEVELOPMENT SHALL BE ABANDONED BY THE DEVELOPER AT THE MAIN LINE PER CITY REQUIREMENTS. 19. ALL BACKFLOW PREVENTION ASSEMBLY INSTALLATIONS – INCLUDING SPACIAL REQUIREMENTS AND ASSEMBLY ORIENTION – SHALL BE PERFORMED ACCORDING TO THE FOUNDATION FOR CROSS CONNECTION CONTROL AND HYDRAULIC RESEARCH (FCCC&HR) OF THE UNIVERSITY OF SOUTHERN CALIFORNIA (USC) AS ESTABLISHED IN THE MANUAL OF CROSS-CONNECTION CONTROL – SPECIFICATION OF BACKFLOW PREVENTION ASSEMBLIES, TENTH EDITION, OR ANY SUCCESSOR EDITION.

20. ALL WORK PERFORMED WITHIN THE PUBLIC RIGHT-OF-WAY REQUIRES AN ENCROACHMENT PERMIT THAT MAY BE OBTAINED FROM THE CITY.

21. UTILITY AND DRAINAGE EASEMENTS SHALL BE PROVIDED BY A BLANKET RECIPROCAL ACCESS AND UTILITY EASEMENT TO BE RECORDED AS PART OF THE FINAL MAP.

22. ALL LIDS FOR WATER METER BOXES SHALL BE BROOKS SP SERIES OR EQUIVALENT.

23. TELEPHONE AND CATV SERVICE PLANS TO BE PROVIDED BY THEIR RESPECTIVE UTILITY COMPANIES. A COPY OF THE PLANS SALL BE SUBMITTED TO THE PUBLIC WORKS DEPARTMENT FOR REVIEW PRIOR TO THE START OF CONSTRUCTION.

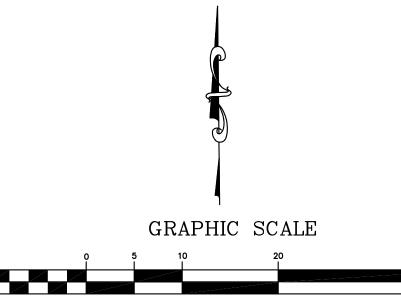

# INTERIOR FIRE SPRINKLER SYSTEM IS REQUIRED

AN NFPA 13R SYSTEM IS TO BE DESIGNED AND SUBMITTED PRIOR TO PERMIT ISSUANCE AS A DIFFERED SUBMITTAL

Sheet:

( IN FEET ) 1 inch = 10 ft.

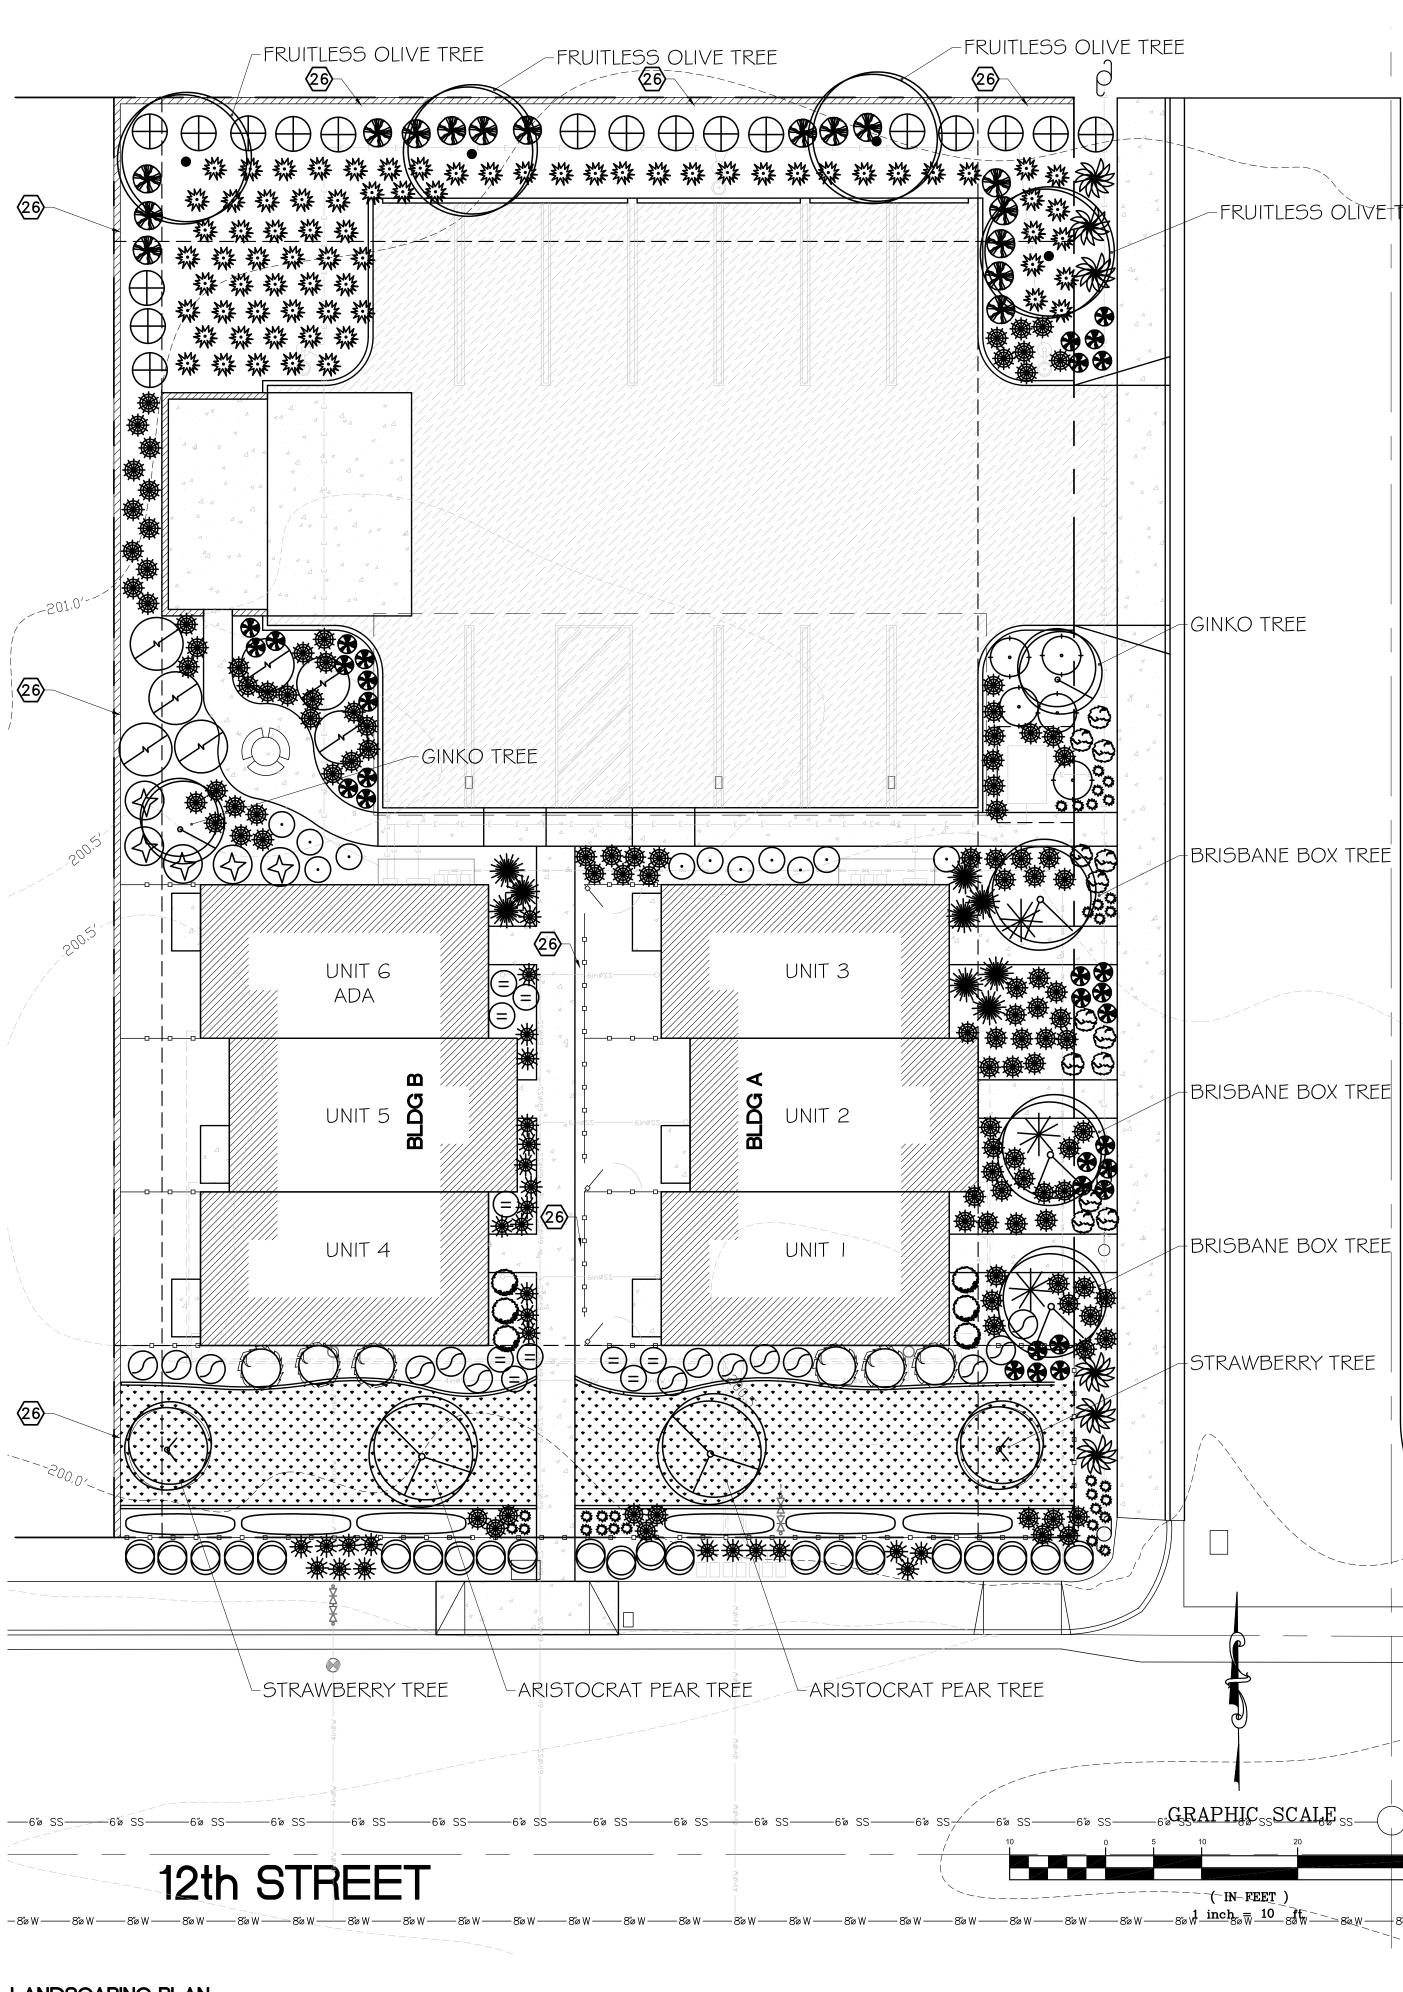

# MAINTENANCE PROGRAM

- 1. THE MAINTENANCE PERIOD FOR THE LANDSCAPE CONTRACTOR WILL BE FOR 6 MONTHS FROM THE DATE OF INSTALLATION BEING ACCEPTED. THE WORK SHALL INCLUDE ALL LABOR, MATERIALS, EQUIPMENT AND TOOLS TO COMPLETE THE MAINTENANCE OF THIS PROJECT.
- 2. MAINTENANCE REQUIREMENTS: AFTER ALL HAS BEEN COMPLETED, INSPECTED AND APPROVED BY THE OWNER; THE LANDSCAPE MAINTENANCE CONTRACTOR SHALL MAINTAIN ALL PLANTED AREAS BY MEANS OF CONTINUOUS WATERING, WEEDING, ROLLING, MOWING, RE-SEEDING, PRUNING, REPLACING, FERTILIZING, SPRAYING AND /OR OTHER OPERATIONS NECESSARY FOR PROPER CARE AND UPKEEP FOR THE PERIOD OF TIME SPECIFIED BY THE OWNER. THE MAINTENANCE SHALL MEET THE REQUIREMENTS HEREIN SPECIFIED -
- 3. WATERING:
- A. WATER SHALL BE APPLIED LIGHTLY AND FREQUENTLY UNTIL ROOTS BEGIN TO GROW. THIS MAY BE AS OFTEN AS NECESSARY DURING THE DAY DURING HOT DRY WEATHER.
- B. ONCE PLANTS ARE ESTABLISHED, WATERING SHALL BE DONE AS REQUIRED FOR MAXIMUM PLANT GROWTH.
- C. ALL WATERING SHALL BE DONE ON A RISING TEMPERATURE. AUTOMATED SYSTEMS CAN BE SET TO WATER AT 5 A.M.
- 4. PRUNING:
- A. ALL PRUNING CUTS SHALL BE MADE TO LATERAL BRANCHES OR BUDS, OR FLUSH WITH TRUNK. B. ANY CUTS ONE (1) INCH OR LARGER SHALL RECEIVE TWO (2) COATS OF
- ASPHALTIC BASE SEALANT.
- C. YOUNG TREES SHALL NOT BE PRUNED OR "HEADED UP" UNTIL THEY ARE ABLE TO SUPPORT THEMSELVES WITHOUT STAKING OR OTHER SUPPORTS. ONLY PRUNE TO REMOVE DEAD, DISEASED OR DAMAGED PORTIONS WILL BE ALLOWED.
- D. SHRUBS WILL NOT BE SHEARED UNLESS DESIGNATED BY THE OWNER TO BE SHEARED.
- PRUNING SHALL BE DONE TO MAINTAIN GROWTH WITHIN SPACE LIMITATIONS OR TO MAINTAIN A PROPER LEAF TO ROOT RELATIONSHIP AS DIRECTED BY THE OWNER.
- 5. STAKING AND GUYING:
- A. REPLACE ALL BROKEN SUPPORT MATERIALS. B. REMOVE SUPPORT MATERIAL PRIOR TO DISFIGURING OF PLANT, REPLACE OR
- REDO IF SUPPORT IS STILL REQUIRED. C. SUPPORTED PLANTS SHALL BE CHECKED MONTHLY AND THE SUPPORT SYSTEM REMOVED AS SOON AS THEY ARE NO LONGER NEEDED.
- 6. INSECT AND DISEASED CONTROL: THE CONTRACTOR SHALL PROPERLY IDENTIFY ANY PEST AND IMMEDIATELY BEGIN CONTROL BY MECHANICAL OR CHEMICAL METHODS. CHLORINATED HYDROCARBONS AND ORGANIC PHOSPHATE BASED PESTICIDES WILL NOT BE USED. ALL SUCH METHODS SHALL BE DONE IN STRICT ADHERENCE TO THE MANUFACTURER'S INSTRUCTIONS AND WITHOUT HARM TO ANY PLANT OR ANIMAL LIFE, EXCEPT THE PEST TO BE CONTROLLED.
- WEEDING:

THE CONTRACTOR SHALL KEEP THE ENTIRE AREA WEED FREE BY MECHANICAL OR CHEMICAL WEED REMOVAL METHODS ONCE A WEEK. CHEMICAL APPLICATION SHALL BE DONE IN STRICT ADHERENCE TO THE MANUFACTURER'S INSTRUCTIONS AND THE CONTRACTOR SHALL TAKE FULL RESPONSIBILITY FOR ITS USE.

- 8. FERTILIZATION:
- A. GROUND COVER AREAS AND/OR PLANTED MULCHED BEDS SHALL BE FERTILIZED AT THIRTY (30) DAY INTERVALS WITH "GROW-POWER PLUS" AT TWENTY (20) POUNDS PER ONE THOUSAND (1,000) SQUARE FEET, OR EQUAL. THE CONTRACTOR AT THESE POINTS IN TIME SHALL SEND TO THE OWNER A LETTER STATING THAT THIS FERTILIZATION HAS TAKEN PLACE AND ENCLOSE COPIES OF INVOICES SHOWING AMOUNTS APPLIED.
- 9. PLANT REPLACEMENT:
- A. THE CONTRACTOR SHALL REPLACE ALL DEAD PLANT MATERIALS WITH THE ORIGINAL DESIGNATED PLANT TYPE AND SIZE.
- B. SHOULD A POTTED PLANT DIE, THE POT SHALL BE IMMEDIATELY RELOCATED OUT OF VIEW UNTIL THE PLANT CAN BE REPLACED. SUCH REPLACEMENT SHALL NOT EXCEED FIVE (5) WORKING DAYS.
- C. ANY SUBSTITUTE REPLACEMENT MUST HAVE WRITTEN CONSENT OF THE OWNER.
- 10. IRRIGATION SYSTEM:
- A. THE IRRIGATION SYSTEM SHALL BE KEPT IN CORRECT OPERATING ORDER AT ALL TIMES; REPAIRING BROKEN HEADS, VALVES, PIPES, CONTROLLERS, ETC... IN PROMPT FASHION.
- B. SHOULD FAILURE OCCUR, HAND WATERING SHALL BE CARRIED OUT TO INSURE HEALTHY PLANT GROWTH. C. AUTOMATIC SYSTEMS SHALL BE SEASONALLY ADJUSTED TO INSURE PROPER
- PRECIPITATION.
- D. HEADS SHALL BE INSPECTED WEEKLY FOR PROPER COVERAGE AND MINIMUM
- OVERTHROW. E. ADJUST CONTROLLERS PER CURRENT CALIFORNIA IRRIGATION MANAGEMENT INFORMATION SYSTEM (CIMIS) DATE (805) 644-4921.
- REPLACE BROKEN HEADS OR EMITTERS WITH SAME KIND OR MATCHING PRECIPITATION RATE.
- G. BACK FLOW DEVICE SHALL BE TESTED AND CERTIFIED ANNUALLY BY THE SANTA BARBARA COUNTY ENVIRONMENTAL HEALTH DIVISION.
- 11. DAMAGE TO PLANTING AREAS SHALL BE REPAIRED IMMEDIATELY. THIS WORK INCLUDES, BUT NOT LIMITED TO THE FOLLOWING: A. DEPRESSIONS CAUSED BY VEHICLES, EQUIPMENT, FOOT TRAFFIC AND
- SUBSIDENCE SHALL BE FILLED WITH SOIL, LEVELED, LIGHTLY COMPACTED AND REPLANTED B. ERODED OR WASHED-OUT SECTIONS OF SLOPES SHALL BE REBUILT,
- RE-COMPACTED AND REPLANTED. DEPOSITS OF SILT ON WALKS, PLANTING AREAS AND LAWN AREAS SHALL BE CLEANED-UP AND THE AREA REPLANTED AS NECESSARY TO RESTORE THE AREA TO THEIR INTENDED CONDITION. B. ALL ADJACENT PAVED AREAS SHALL BE KEPT NEAT AND CLEAN WITH ALL
- DEBRIS REMOVED FROM PLANTING AND PAVED AREAS.
- 12. ANY ALTERATIONS TO THE LANDSCAPE MUST BE APPROVED BY THE OWNER.

13. ALL VALVE ASSEMBLIES AND METER BOXES SHALL BE PLACED WITHIN SHRUB AREAS TO PROVIDE SCREENING.

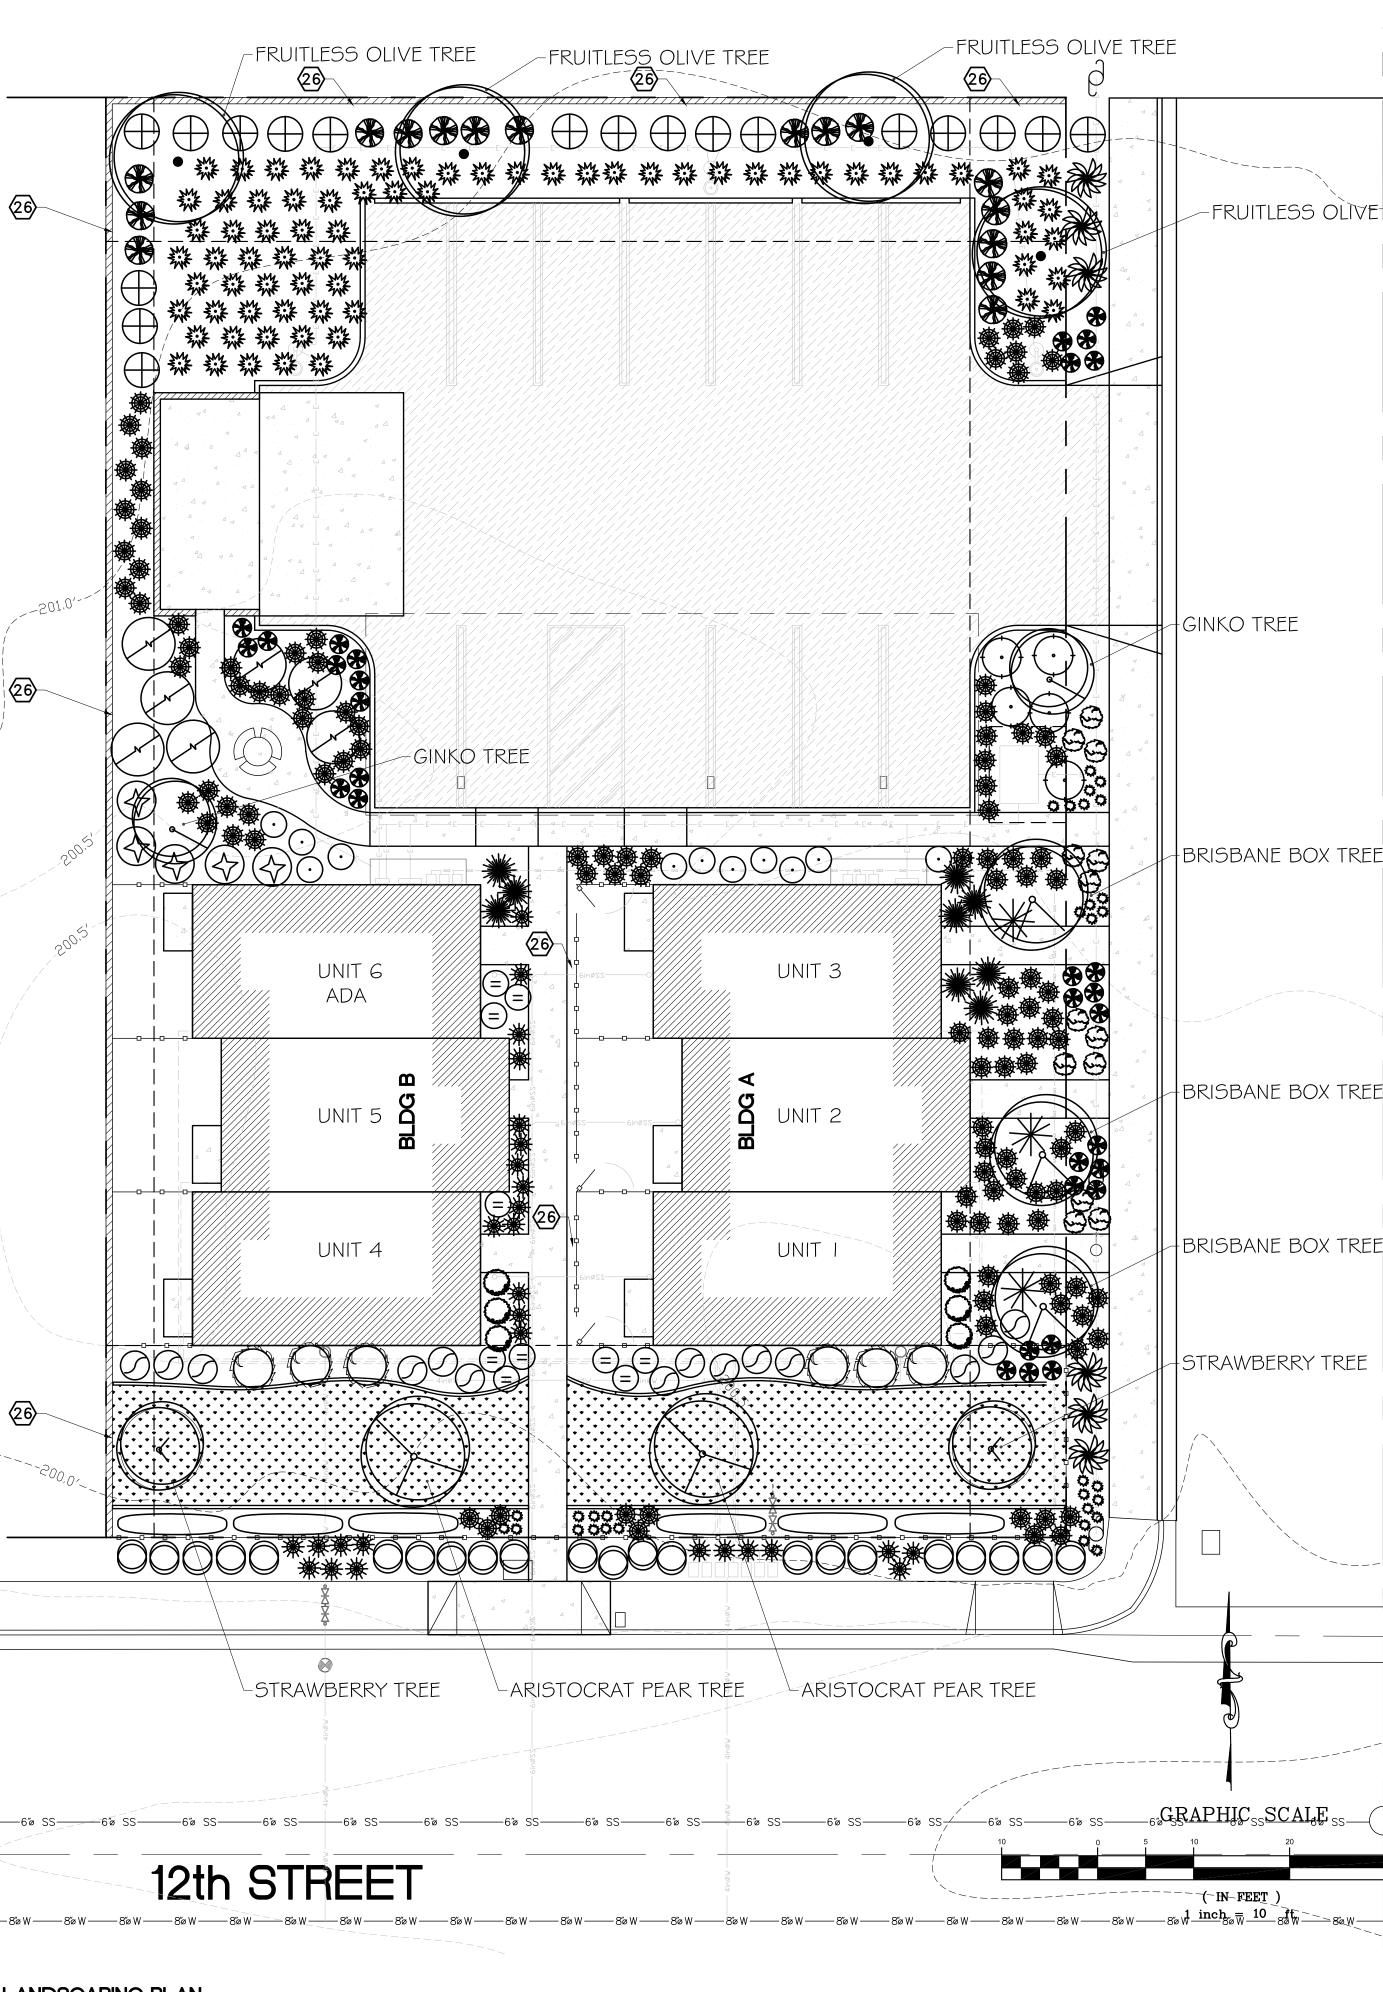

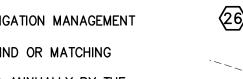

TREE PLANTING NOTE

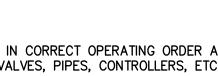

THE FINAL LOCATIONS OF STREET TREES SHALL BE DETERMINED ON-SITE BY THE SPECIAL DISTRICTS SUPERVISOR. TWENTY-FOUR HOUR NOTICE IS REQUIRED FOR INSPECTION PRIOR TO PLANTING, (805) 928-0951 EXT. 2346. INSTALLATION SHALL BE IN ACCORDANCE WITH RECREATION AND PARKS DEPARTMENT SPECIFICATIONS.

# MAINTENANCE PROGRAM

- 1. THE MAINTENANCE PERIOD FOR THE LANDSCAPE CONTRACTOR WILL BE FOR 6 MONTHS FROM THE DATE OF INSTALLATION BEING ACCEPTED. THE WORK SHALL INCLUDE ALL LABOR, MATERIALS, EQUIPMENT AND TOOLS TO COMPLETE THE MAINTENANCE OF THIS PROJECT.
- 2. MAINTENANCE REQUIREMENTS: AFTER ALL HAS BEEN COMPLETED, INSPECTED AND APPROVED BY THE OWNER; THE LANDSCAPE MAINTENANCE CONTRACTOR SHALL MAINTAIN ALL PLANTED AREAS BY MEANS OF CONTINUOUS WATERING, WEEDING, ROLLING, MOWING, RE-SEEDING, PRUNING, REPLACING, FERTILIZING, SPRAYING AND /OR OTHER OPERATIONS NECESSARY FOR PROPER CARE AND UPKEEP FOR THE PERIOD OF TIME SPECIFIED BY THE OWNER. THE MAINTENANCE SHALL MEET THE REQUIREMENTS HEREIN SPECIFIED –
- 3. WATERING:
- A. WATER SHALL BE APPLIED LIGHTLY AND FREQUENTLY UNTIL ROOTS BEGIN TO GROW. THIS MAY BE AS OFTEN AS NECESSARY DURING THE DAY DURING HOT DRY WEATHER.
- B. ONCE PLANTS ARE ESTABLISHED, WATERING SHALL BE DONE AS REQUIRED FOR MAXIMUM PLANT GROWTH.C. ALL WATERING SHALL BE DONE ON A RISING TEMPERATURE. AUTOMATED
- C. ALL WATERING SHALL BE DONE ON A RISING TEMPERATURE. AUTOMATED SYSTEMS CAN BE SET TO WATER AT 5 A.M.
- 4. PRUNING:
- A. ALL PRUNING CUTS SHALL BE MADE TO LATERAL BRANCHES OR BUDS, OR FLUSH WITH TRUNK.
- B. ANY CUTS ONE (1) INCH OR LARGER SHALL RECEIVE TWO (2) COATS OF ASPHALTIC BASE SEALANT.
- C. YOUNG TREES SHALL NOT BE PRUNED OR "HEADED UP" UNTIL THEY ARE ABLE TO SUPPORT THEMSELVES WITHOUT STAKING OR OTHER SUPPORTS. ONLY PRUNE TO REMOVE DEAD, DISEASED OR DAMAGED PORTIONS WILL BE ALLOWED.
- D. SHRUBS WILL NOT BE SHEARED UNLESS DESIGNATED BY THE OWNER TO BE SHEARED.
- E. PRUNING SHALL BE DONE TO MAINTAIN GROWTH WITHIN SPACE LIMITATIONS OR TO MAINTAIN A PROPER LEAF TO ROOT RELATIONSHIP AS DIRECTED BY THE OWNER.
- 5. STAKING AND GUYING:
- A. REPLACE ALL BROKEN SUPPORT MATERIALS.B. REMOVE SUPPORT MATERIAL PRIOR TO DISFIGURING OF PLANT, REPLACE OR
- REDO IF SUPPORT IS STILL REQUIRED. C. SUPPORTED PLANTS SHALL BE CHECKED MONTHLY AND THE SUPPORT SYSTEM REMOVED AS SOON AS THEY ARE NO LONGER NEEDED.
- 6. INSECT AND DISEASED CONTROL: THE CONTRACTOR SHALL PROPERLY IDENTIFY ANY PEST AND IMMEDIATELY BEGIN CONTROL BY MECHANICAL OR CHEMICAL METHODS. CHLORINATED HYDROCARBONS AND ORGANIC PHOSPHATE BASED PESTICIDES WILL NOT BE USED. ALL SUCH METHODS SHALL BE DONE IN STRICT ADHERENCE TO THE MANUFACTURER'S INSTRUCTIONS AND WITHOUT HARM TO ANY PLANT OR ANIMAL LIFE, EXCEPT THE PEST TO BE CONTROLLED.
- 7. WEEDING:

THE CONTRACTOR SHALL KEEP THE ENTIRE AREA WEED FREE BY MECHANICAL OR CHEMICAL WEED REMOVAL METHODS ONCE A WEEK. CHEMICAL APPLICATION SHALL BE DONE IN STRICT ADHERENCE TO THE MANUFACTURER'S INSTRUCTIONS AND THE CONTRACTOR SHALL TAKE FULL RESPONSIBILITY FOR ITS USE.

- 8. FERTILIZATION:
- A. GROUND COVER AREAS AND/OR PLANTED MULCHED BEDS SHALL BE FERTILIZED AT THIRTY (30) DAY INTERVALS WITH "GROW-POWER PLUS" AT TWENTY (20) POUNDS PER ONE THOUSAND (1,000) SQUARE FEET, OR EQUAL. THE CONTRACTOR AT THESE POINTS IN TIME SHALL SEND TO THE OWNER A LETTER STATING THAT THIS FERTILIZATION HAS TAKEN PLACE AND ENCLOSE COPIES OF INVOICES SHOWING AMOUNTS APPLIED.
- 9. PLANT REPLACEMENT:
- A. THE CONTRACTOR SHALL REPLACE ALL DEAD PLANT MATERIALS WITH THE ORIGINAL DESIGNATED PLANT TYPE AND SIZE.
  B. SHOULD A POTTED PLANT DIE, THE POT SHALL BE IMMEDIATELY RELOCATED
- DUT OF VIEW UNTIL THE PLANT CAN BE REPLACED. SUCH REPLACEMENT SHALL NOT EXCEED FIVE (5) WORKING DAYS.
- C. ANY SUBSTITUTE REPLACEMENT MUST HAVE WRITTEN CONSENT OF THE OWNER.
- 10. IRRIGATION SYSTEM:
- A. THE IRRIGATION SYSTEM SHALL BE KEPT IN CORRECT OPERATING ORDER AT ALL TIMES; REPAIRING BROKEN HEADS, VALVES, PIPES, CONTROLLERS, ETC.. IN PROMPT FASHION.
- B. SHOULD FAILURE OCCUR, HAND WATERING SHALL BE CARRIED OUT TO INSURE HEALTHY PLANT GROWTH.C. AUTOMATIC SYSTEMS SHALL BE SEASONALLY ADJUSTED TO INSURE PROPER
- PRECIPITATION.
- D. HEADS SHALL BE INSPECTED WEEKLY FOR PROPER COVERAGE AND MINIMUM
- OVERTHROW. E. ADJUST CONTROLLERS PER CURRENT CALIFORNIA IRRIGATION MANAGEMENT INFORMATION SYSTEM (CIMIS) DATE (805) 644-4921.
- REPLACE BROKEN HEADS OR EMITTERS WITH SAME KIND OR MATCHING PRECIPITATION RATE.
- G. BACK FLOW DEVICE SHALL BE TESTED AND CERTIFIED ANNUALLY BY THE SANTA BARBARA COUNTY ENVIRONMENTAL HEALTH DIVISION.
- 11. DAMAGE TO PLANTING AREAS SHALL BE REPAIRED IMMEDIATELY. THIS WORK INCLUDES, BUT NOT LIMITED TO THE FOLLOWING: A. DEPRESSIONS CAUSED BY VEHICLES, EQUIPMENT, FOOT TRAFFIC AND
- SUBSIDENCE SHALL BE FILLED WITH SOIL, LEVELED, LIGHTLY COMPACTED AND REPLANTED B. ERODED OR WASHED-OUT SECTIONS OF SLOPES SHALL BE REBUILT,
- RE-COMPACTED AND REPLANTED. DEPOSITS OF SILT ON WALKS, PLANTING AREAS AND LAWN AREAS SHALL BE CLEANED-UP AND THE AREA REPLANTED AS NECESSARY TO RESTORE THE AREA TO THEIR INTENDED CONDITION. B. ALL ADJACENT PAVED AREAS SHALL BE KEPT NEAT AND CLEAN WITH ALL
- DEBRIS REMOVED FROM PLANTING AND PAVED AREAS.
- 12. ANY ALTERATIONS TO THE LANDSCAPE MUST BE APPROVED BY THE OWNER.

13. ALL VALVE ASSEMBLIES AND METER BOXES SHALL BE PLACED WITHIN SHRUB AREAS TO PROVIDE SCREENING.

TREE PLANTING NOTE

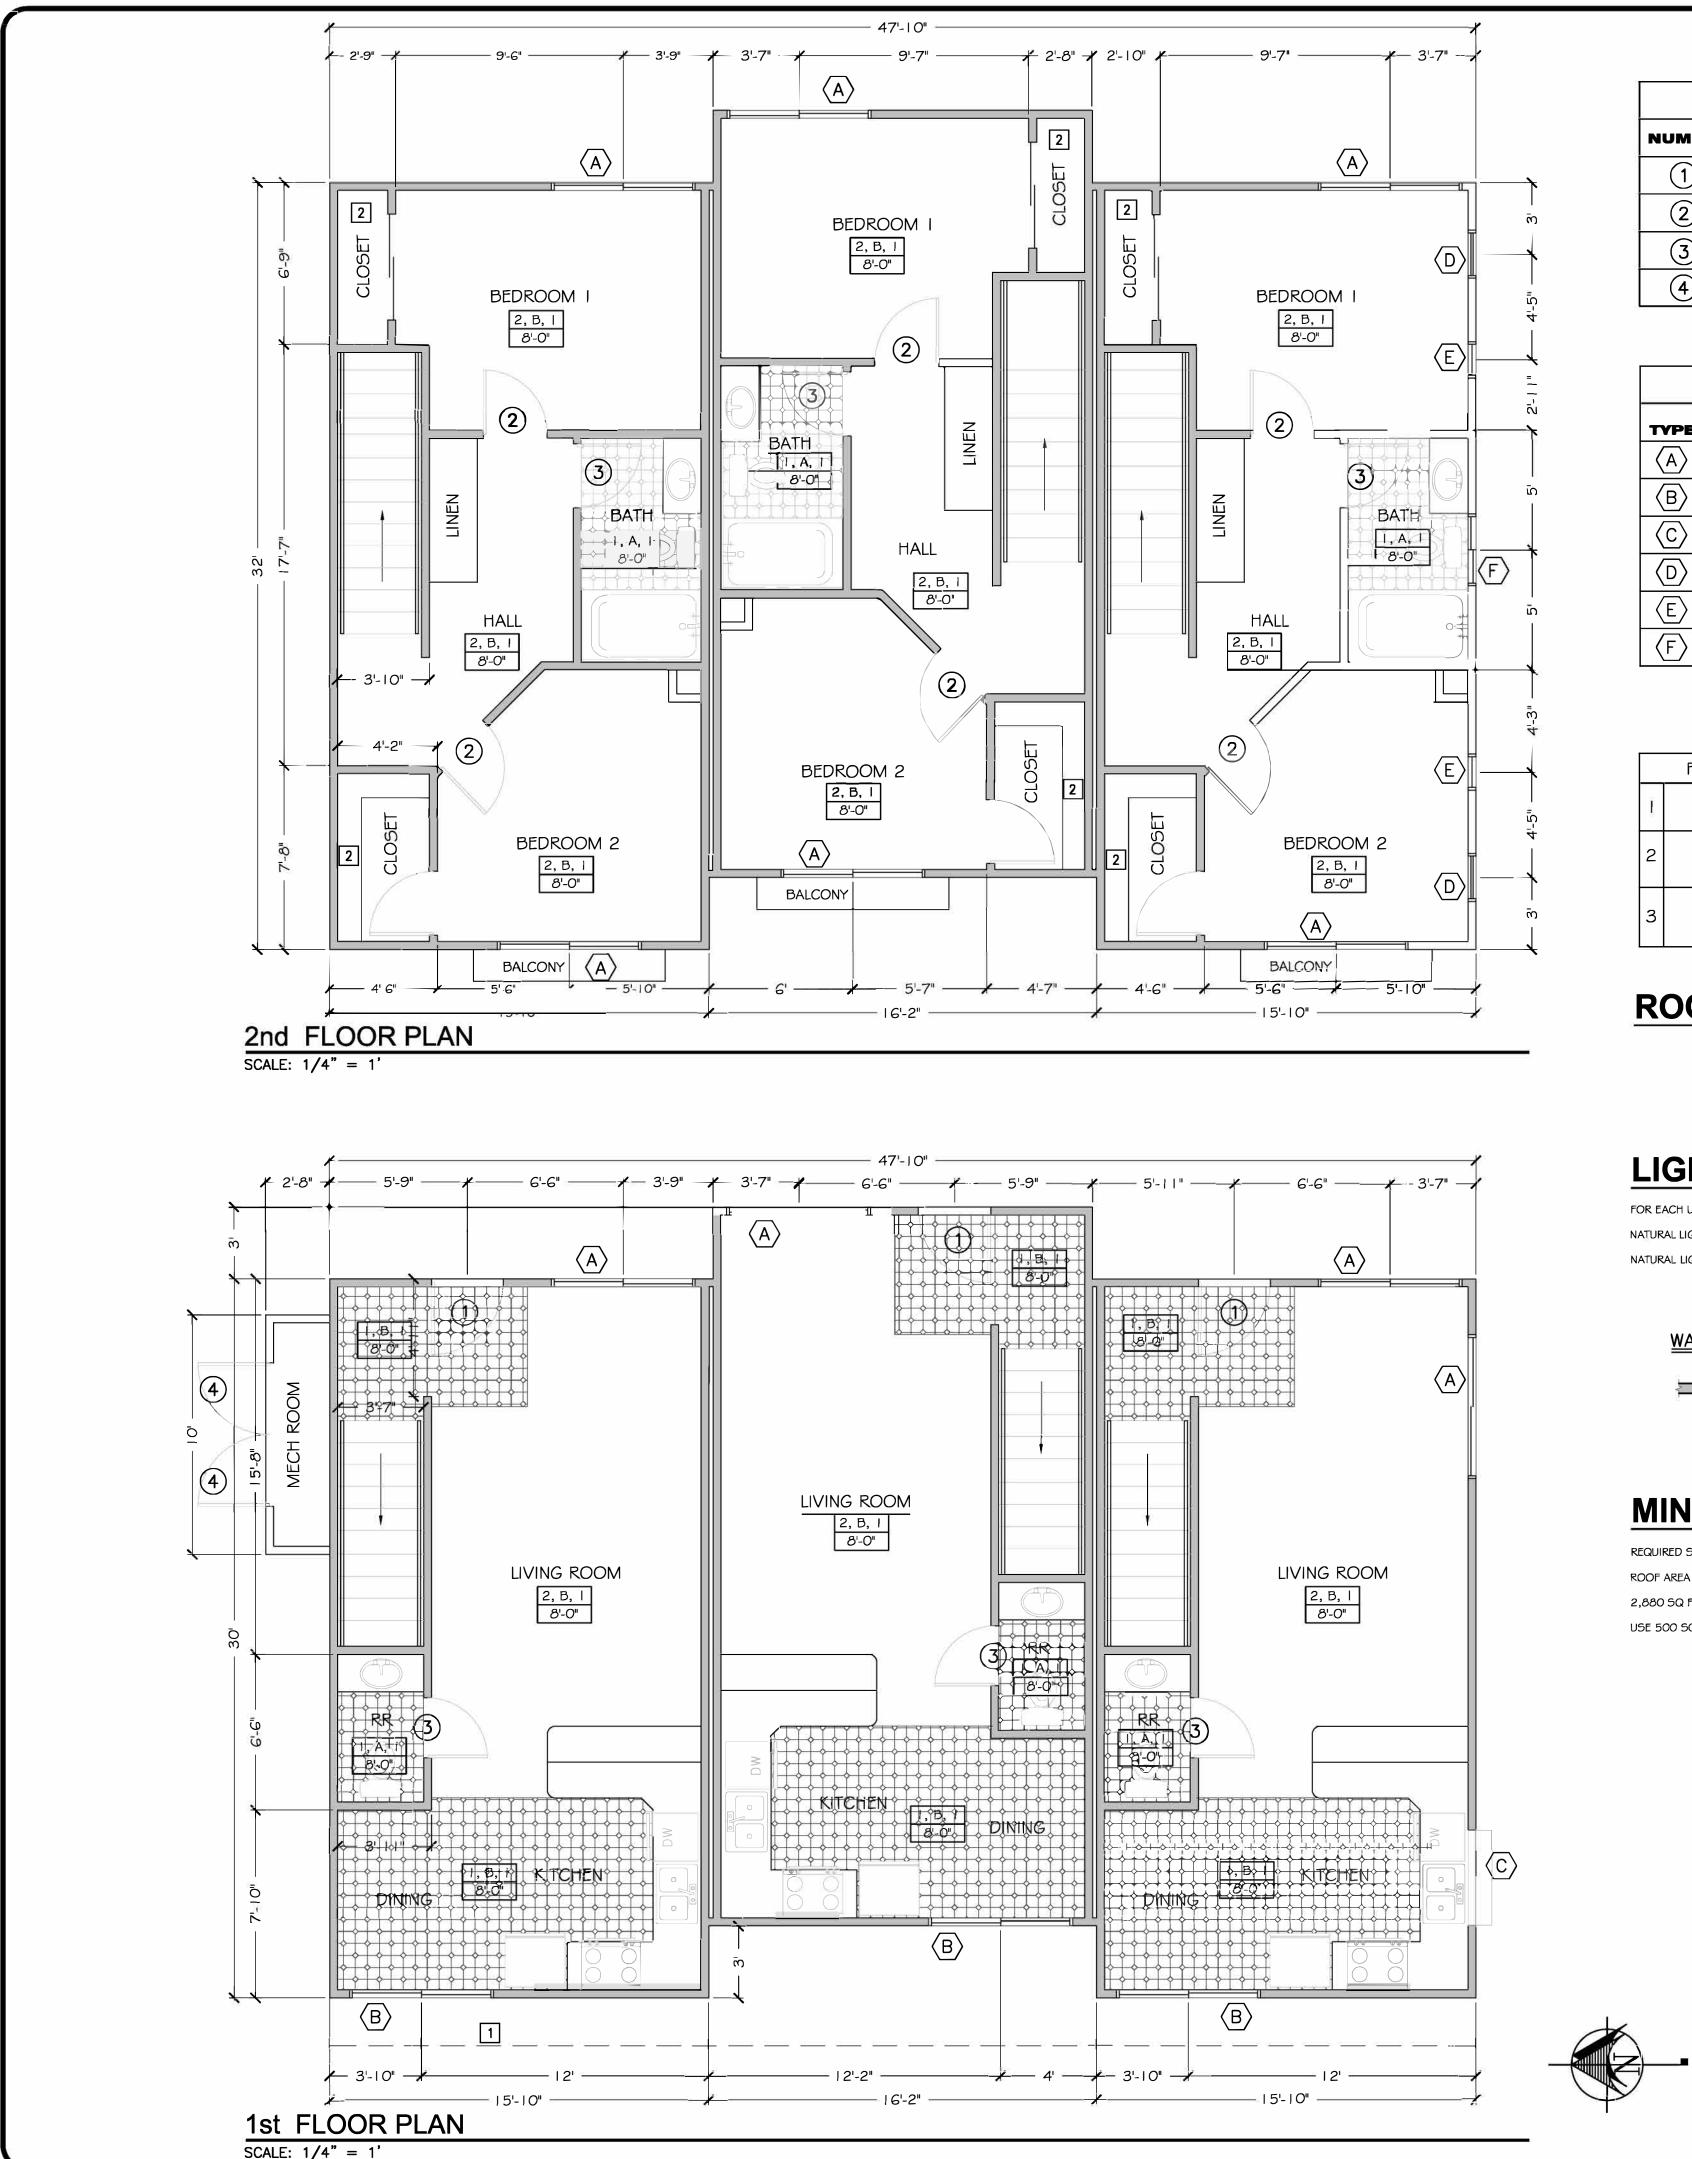

THE FINAL LOCATIONS OF STREET TREES SHALL BE DETERMINED ON-SITE BY THE SPECIAL DISTRICTS SUPERVISOR. TWENTY-FOUR HOUR NOTICE IS REQUIRED FOR INSPECTION PRIOR TO PLANTING, (805) 928-0951 EXT. 2346. INSTALLATION SHALL BE IN ACCORDANCE WITH RECREATION AND PARKS DEPARTMENT SPECIFICATIONS.

1 EDGE OF FLOOR ABOVE

2 SHELF AT 6'-O" A.F.F. WITH | 1/2"Ø HANGING POLE AT 5-6" A.F.F. WITH STEEL SHELF BRACKETS AT 32"o.c.

NOTES:

I. THE ENCLOSED ACCESSIBLE SPACE UNDER THE STAIRS (PODER ROOM) SHALL HAVE WALLS, UNDER-STAIR SURFACE AND ANY SOFFITS PROTECTED ON THE ENCLOSED SIDE WITH  $\frac{5}{8}$ " TYPE X GYPSUM BOARD.

2. EGRESS DOORS SHALL BE OPENABLE FROM INSIDE THE DWELLING WITHOUT THE USE OF A KEY OR SPECIAL KNOWLEDGE OR EFFORT.

3. SHOWERS AND WALLS ABOVE BATHTUBS WITH SHOWER HEADS SHALL BE FINISHED WITH A NON-ABSORBENT SURFACE TO A HEIGHT NOT LESS THAN 6' ABOVE THE FLOOR.

4. THE GREATEST TREAD DEPTH OR RISER HEIGHT WITHIN A FLIGHT OF STAIRS SHALL NOT EXCEED THE SMALLEST BY MORE THAN  $\frac{3}{8}$ .

5. PENETRATIONS IN WALLS BETWEEN UNITS SHALL COMPLY WITH DETAILS 41 AND 51 ON SHHET A7.0.

6. HAND ACTIVATED DOOR LATCHING, LOCKING, AND OPENING HARDWARE SHALL BE CENTERED BETWEEN 30 INCHES AND 44 INCHES ABOVE THE FLOOR. LATCING AND LOCKING DOORS THAT ARE HAND ACTIVATED AND ON AN ACCESSIBLE ROUTE SHALL BE OPERABLE WITH A SINGLE EFFORT BY LEVER TYPE HARDWARE, PANIC BARS, PUSH-PULL ACTIVATING BARS OR OTHER HARDWARE DESIGNED TO PROVIDE PASSAGE WITHOUT REQUIRING THE ABILITY TO GRASP THE OPENING HARDWARE.

7. THE BOTTOM 10" OF ALL DOORS SHALL HAVE A SMOOTH, UNINTERUPTED SURFACE TO ALLOW DOOR TO BE OPENED BY A WHEELCHAIR FOOTREST WITHOUT CREATING A TRAP OR HAZARDOUS CONDITION. WHERE NARROW FRAMED DOORS ARE USED, A 10" HIGH SMOOTH PANEL SHALL BE INSTALLED ON THE PUSH SIDE OF THE DOOR WHICH WILL ALLOW THE DOOR TO BE OPENED BY A WHEELCHAIR FOOTREST WITHOUT CREATING A TRAP OR HAZARDOUS CONDITION.

8. THE MAXIMUM EFFORT TO OPERATE DOORS SHALL NOT EXCEED 8.5 POUNDS FOR EXTERIOR DOORS AND 5 POUNDS FOR INTERIOR DOORS.

9. ALL FLOOR SURFACES SALL BE STABLE, FIRM, AND SLIP RESISTANT. CARPET OR CARPET TILE SHALL HAVE A LEVEL LOOP, LEVEL CUT PILE, OR LEVEL CUT UN-CUT PILE TEXTURE. THE MAXIMUM PILE HEIGHT SHALL BE  $\frac{1}{2}$ ". EXPOSED EDGES OF CARPET SHALL BE FASTENED TO FLOOR SURFACES AND HAVE TRIM ALONG THE ENTIRE LENGTHOF EXPOSED EDGE.

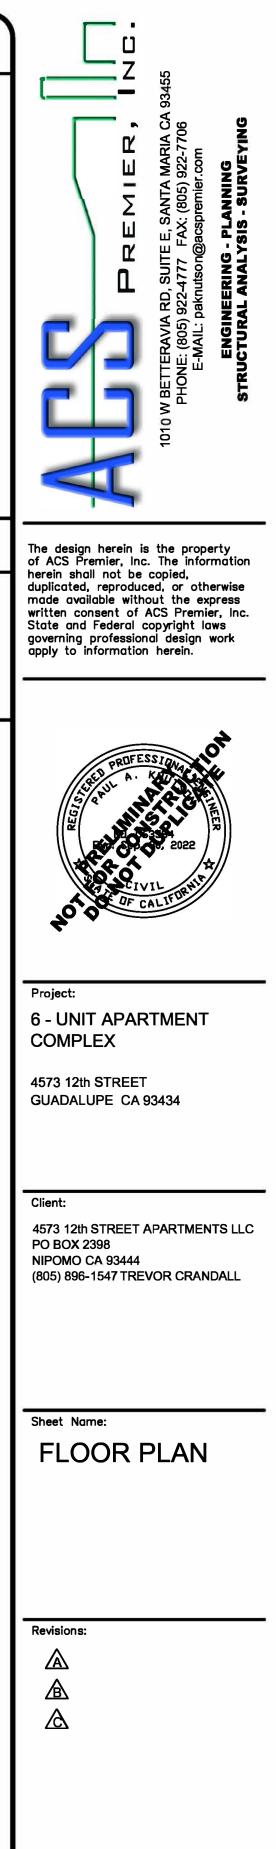

10. PENETRATIONS OF FIRE-RESISTIVE WALLS, FLOOR-CEILINGS AND ROOF-CEILINGS SHALL BE PROTECTED AS REQUIRED IN IBC SECTION 714.

II. THE BUILDER IS TO PROVIDE AN OPERATION AND MAINTENANCE MANUAL (CONTAINING INFORMATION FOR MAINTAINING APPLIANCES, ETC.) FOR THE OWNER AT THE TIME OF FINAL INSPECTION.

I 2. DURING CONSTRUCTION, ENDS OF DUCT OPENINGS ARE TO BE SEALED, AND MECHANICAL EQUIPEMNT IS TO BE COVERED.

13. VOC'S MUST COMPLY WITH THE LIMITATIONS LISTED IN SECTION 4.504.3 AND TABLES 4.504.1, 4.504.2, 4.504.3, AND 4.504.5 FOR: ADHESIVES, PAINTS AND COATINGS, CARPET AND COMPOSITION WOOD PRODUCTS.

14. PRIOR TO FINAL INSPECTION THE LICENSED ENGINEER IN RESPONSIBLE CHARGE OF THE OVERALL CONSTRUCTION SHALL PROVIDE TO THE BUILDING DEPARTMENT OFFICIAL WRITTEN VERIFICATION THAT ALL APPLICABLE PROVISIONS FROM THE GREEN BUILDING STANDARDS CODE HAVE BEEN IMPLEMENTED AS PART OF THE CONSTRUCTION.

**SUBJECT:** Public Hearing to consider a Design Review Permit (DR-2021-078-DR), for the *Edwards Olivera Apartments;* a 5-unit multi-family development on a 7,500 square-foot property in the R-3 (High Density) residential zoning district. The project site is located on the southeast side of Olivera Street, 150 feet south of Twelfth Street, APN 115-036-012.

REPORT TO THE CITY COUNCIL OF THE CITY OF GUADALUPE Agenda of November 23, 2021

# EXECUTIVE SUMMARY:

Mr. Chris Tarcon, applicant/designer MW Architects, on behalf of Mr. and Mrs. Todd and Keri Edwards, project developers, is requesting City Council approval of a Design Review (DR) Permit to allow construction of a five-unit multifamily development on a vacant 7,500 square-foot lot. The development consists of four apartments and one accessory dwelling unit (ADU). The property is on easterly side of Olivera Street, 150 feet south of Twelfth Street. Municipal Code Chapter 18.73 requires City Council approval of a major Design Review permit for multi-family projects having more than three dwelling units. A Categorical Exemption was prepared for the project in accordance with California Environmental Quality Act (CEQA) Guidelines.

# **RECOMMENDATION:**

It is recommended that the City Council:

- 1) Receive a presentation from staff;
- 2) Conduct a public hearing, including: a) an opportunity for the applicant to present the proposed project, and b) receive any comments from the public; and
- 3) Adopt Resolution No. 2021-89 approving the Design Review Permit 2021-078-DR, for the Edwards Olivera Street 5-unit multi-family complex.

# BACKGROUND:

# Site and Surroundings:

As noted, the project site is a vacant 7,500 square-foot lot on the easterly side of Olivera Street 150 feet south of Twelfth Street. The property is in the original portion of the City on the northeast side of Downtown Guadalupe (Attachment 2 – Vicinity Map). The 50-feet-wide by 150-foot deep lot is slightly narrower than the 60-foot minimum lot width currently specified for *new* lots by Section 18.52.010 of the Municipal Code. According to County records the lot was established in 1875 as a part of the *Map of* 

*the Town of Guadalupe.* Therefore the lot does not need to be 60 feet wide in order for the project to move forward. Over the years, many of the lots in the area have been combined to accommodate larger developments.

The neighborhood is typified by a mixture of single-family homes and multiple-family dwellings. On the north side of the development site is a similar small apartment complex, constructed around the 1960's. A single-family house, built around the 1930s, is on the south side of the development site. The home is currently used for a multiple-tenant use. The proposed project would be consistent with the General Plan by providing new housing on an underutilized infill property in walkable proximity to the City's Downtown Business District.

# **Project Description**

As noted above, this Design Review Permit proposes five multi-family attached dwelling units. The specific unit mix includes four apartments and an ADU. The five living units are contained in two, 2-story buildings, as follows:

Building 1 is at the front of the property and contains two apartment units identified in the plans as Unit 1 and Unit 2. The Building 1 apartments are single-level and are on top of ground-level carport parking. Both units are 635 square feet in size and the floor plans are identical. Each apartment has three bedrooms, a living area and kitchen; one full bathroom and a small laundry space is provided. As required by the R-3 zone Building 1 is set back 20-feet from the front property line at Olivera Street.

To the rear of the property, Building 2 contains two 2-level apartments, identified as Units 2 and 3; and a 400 square-foot space is identified for the ADU. Apartment Unit 3 is 795 square feet in size. The ground floor of Unit 3 contains an office/bedroom and a  $\frac{3}{4}$  bathroom. On the second floor are two bedrooms, a living/dining room, kitchen,  $\frac{1}{2}$  bathroom; and a laundry space is provided. Unit 4 is 765 square feet in size. It contains an office/bedroom and  $\frac{3}{2}$  bathroom on the first floor. On the second floor are two bedroor are two bedrooms, a living/dining room, kitchen, a full bathroom, and a space for a laundry.

As noted, a 400 square-foot ground-floor space is reserved for a future ADU. As provided by state law ADUs are processed ministerially. Therefore, the floor plan details for the ADU will defined during the Zoning Clearance review stage. However, the general parameters for the ADU have been evaluated and the ADU will meet both City and state standards for an attached ADU in association with a multi-family development.

A 20-foot-wide driveway provides access to the eight covered parking spaces. Due to space limitations, no trash enclosure is being proposed. Each apartment is provided a roll-out trash container near the unit. The City Engineer has endorsed this approach to the development's refuse servicing.

The plans indicate a new six-foot slump stone wall will be constructed along the southerly property line. For driveway vision clearance, the wall will be tapered to three feet at the front setback. A six-foot fence will be constructed along the easterly property line; and a new five-foot wood fence will be installed along the northerly property line. Additionally, a low-three-foot decorative fence will frame the front yard.

### DISCUSSION

The primary issues associated with the project are: 1) conformance to all applicable City and state codes and development standards; 2) compatibly the surrounding land uses; and 3) providing a quality living environment for future residents.

### Exterior Building Design:

The project designer calls the building architecture a "local traditional style." As shown on the plans, the building exteriors have smooth trowel plaster veneer painted a beige color and gable roofs covered with charcoal gray composite shingles. The balconies and decks are wood with metal stairways and railings. Trim and railing colors are sage green. The window trim is white (Attachment 3 -Elevation Plan).

Windows are generously provided on all sides of the buildings. The number of windows add to the building's appearance and is anticipated to provide for meaningful amounts of natural light and fresh air as desired by the occupants.

The window placement also recognizes the need to protect privacy for residents in the project as well as for occupants of the neighboring the properties. The Elevation Plan depicts the tallest building is 24 feet, 8-1/2-inches at the peak of the roof which is below the 35-foot maximum height allowed by the Municipal Code for buildings in the R-3 zone. The building design makes efficient use of the 50-foot-wide lot and the apartment project is anticipated to provide a positive interface with the neighboring properties.

### Landscape/Open Space

The Municipal Code specifies *not less than 10% of a parcel shall be covered with dense landscaping.* The project is providing 1800 square-feet (12%) landscape coverage.

The landscape plan includes eight large and small trees, a variety of shrubs, and ground cover in the front and side-yards. Detailed landscape and irrigation plans will be provided for approval prior to issuance of a Zoning Clearance for a Building Permit. Based on the above, the project meets the minimum Municipal Code standard for landscape coverage.

### Usable Open Space:

For multi-family developments in the R-3 zone, Municipal Code Section 18.52.100 requires a minimum of 100 square feet of private open space for units having a ground floor. For upper floor apartments with no ground floor, Section 18.52.110 specifies a minimum of 50 square feet of above-ground private open space.

Each of the two Building 1 apartments is provided with a 5-foot by ten-foot balcony. The 50-square-foot balcony meets the Municipal Code *minimum* standard for above-ground private open space.

For Building 2, a 120-square foot (10-foot by 12-foot) fenced private yard is provided for both Units 3 and Unit 4. As specified by both Municipal Code and state Housing and Community Development standards, the ADU is provided a 15-foot by 15-foot (225-square-foot) private yard. The three Building 2

private yards are located at the rear of the building on the east (Attachment 3). The project meets the minimum standards for the provision of usable private open space.

## Trash Service

Given the narrow dimensions of the lot, the applicant is proposing not to install a trash enclosure. Instead, the residents would be provided with roll-out trash containers. The containers are proposed to be stored in various designated locations near each unit. In this case, the City Engineer has concurred with this manner of refuse servicing. As is standard, the project is conditioned to require the property owner(s) to have ultimate responsibility to ensure long-term maintenance and the orderly function and appearance of the property.

## <u>Parking</u>

The Zoning Ordinance specifies two parking spaces for each apartment unit; one of which should be covered. The project is proposing a total of eight parking spaces, all of which are covered. The nine-foot, 6-inch by 19-foot carport spaces, are accessed from a 20-foot driveway and the carports are provided a 25-foot backout space. No off-street parking is provided for the ADU. Typically, one parking space would be required. The applicant has cited Government Code section 65852.2(d)(1) which exempts ADUs from parking requirements if it is demonstrated a public transit stop is within a one-half mile walking distance. Zoning Code Section 18.53.050(G)(5)(a) is also aligned with this state parking exemption.

In this case, the project is within a walkable three blocks to the goods and services and transportation facilities in the City's Downtown. Furthermore, a nearby bus station shown on the project's vicinity map labeled DP1. Based on the above, the project meets the established City and state parking requirements. Yet, it should be noted that occupants and their guests will very likely need on-street parking.

## PUBLIC IMPROVEMENTS

The project will make any needed repairs to curb, gutter and sidewalks along the project frontage. Furthermore, the City Engineer has conditioned the project to upgrade the existing sewer line from a 6-inch line to an 8-inch line. The upgrade would be required to the sewer line extending between Eleventh Street and Twelfth Street. The sewer improvement requirement overlaps the requirement for the pending Design Review Permit for the Crandall 12<sup>th</sup> Street apartment project (2021-049-DR). The City Engineer has indicated whichever project proceeds first would be required to make the sewer upgrades. Or the developers have the option to work together to share the costs of the sewer upgrades.

## CEQA Review

The project is exempt from further environmental review. The apartment project is on a small infill property less than five acres in size. The site is surrounded by urban development within the existing City Limits. Municipal services and facilities are in place; and the 0.17-acres is found to have no value for protected wildlife. Therefore, the project has been found to be exempt from CEQA based on the Class 32 (Small Infill Projects) Categorical Exemption (CEQA Guidelines Sec. 15332).

## PUBLIC NOTICE:

Staff published the required Public Hearing Notice in the Santa Maria Times on Friday, November 12, 2021. Copies of the Public Hearing Notice were also mailed to property owners and occupants within a 300-foot radius of the subject property.

## FISCAL IMPACTS:

Fiscal impacts are anticipated to be negligible. As noted, the project is an infill project located in an established neighborhood where City infrastructure and services are already provided. The project developer will install and upgrade required utilities necessary to serve the project.

### **CONCLUSION:**

As discussed above, the Edwards five-unit multi-family project meets the established Municipal Code standards. The site plan and building design establish a good fit for this narrow property. The multi-family development is compatible with surroundings and is anticipated to provide a quality living environment in a short walkable distance to the goods, services, entertainment opportunities and transportation facilities available in the City's Downtown.

### ATTACHMENTS:

#### RESOLUTION NO. 2021-89

## A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GUADALUPE, CALIFORNIA, APPROVING A DESIGN REVIEW PERMIT, 2021-078-DR, FOR THE EDWARDS OLIVERA APARTMENTS, A 5-UNIT APARTMENT COMPLEX ON A 0.17-ACRE PROPERTY AT THE SOUTHEASTERLY SIDE OF OLIVERA STREET, 150 FEET SOUTH OF TWELFTH STREET (APN 115 -036 - 012)

**WHEREAS,** Mr. Chris Tarcon ("Designer/Applicant"), representing Todd and Kari Edwards ("Property Owners/Developers"), has submitted an application to the City of Guadalupe for a major design review permit (2021-078-DR); and

**WHEREAS**, said Design Review Permit would allow the Edwards Olivera Apartments, a five-unit multi-family development consisting of four apartment units and one attached accessory dwelling unit (ADU) on a 7,500 square-foot property in the R-3 (High Density Residential) zoning district; and

**WHEREAS**, the 50-foot wide by 150-foot deep lot was legally established as part of the Original City partition, entitled *Map of the Town of Guadalupe*, dated 1875; therefore a project can proceed on the lot even though it is narrower than the 60-foot minimum width currently specified by the Municipal Code for new subdivisions in the R-3 zone; and

**WHEREAS**, the Project meets the lot density and lot coverage standards as specified by Chapter 18.32.020 of the City's Zoning Ordinance for multi-family development and by Government Code Section 65852.2 (a)(1)(C) for establishing an ADU in association with a multi-family development; and

WHEREAS, a total of eight (8) covered parking spaces are provided for the four apartment units which meets the minimum two parking space per unit parking standard established by Chapter 18.60 of the Zoning Ordinance for apartment projects; and

**WHEREAS**, no onsite parking is provided for the ADU. The applicant has cited Government Code Section 65852.2(d)(1) which provides an exemption from the parking requirement for an ADU within ½ mile of public transit; and

**WHEREAS**, the project site is within ½ mile of a public transit stop and within ½ mile from the Downcore Core where a variety of transportation facilities as well as a variety of goods and services are available in a walkable distance from the project; and

**WHEREAS**, given the narrow dimensions of the property, the City Engineer has concluded the property is too narrow to allow for trash-truck servicing; and the City Engineer has authorized the use of standard roll-out trash containers provided for each dwelling unit; and

**WHEREAS**, the Project would support the City's General Plan by providing new housing on an underutilized infill property in walkable proximity to the City's Downtown Business District; and

WHEREAS, the City Council held a duly-noticed public hearing on November 23, 2021 at which all interested persons were given the opportunity to be heard, and notice of said hearing was published in the Santa Maria Times at least 10 days prior to the public hearing. Said public hearing notice was also mailed to all residents and property owners within 300 feet of said property; and

**WHEREAS**, after taking public testimony and hearing evidence from City staff, the City Council finds, pursuant to the findings attached to this resolution as Exhibit 2 and subject to the project's Conditions of Approval attached to this resolution as Exhibit 3, that the approval of the major design review permit, is consistent with the City's General Plan and applicable sections of the City's Municipal Code; and

**WHEREAS,** the City Council has considered the entire administrative record, including application materials, staff report, the California Environmental Quality Act determination, and oral and written testimony from interested persons; and

**WHEREAS**, the City Council finds that after completely reviewing this project, it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, and therefore the activity is not subject to CEQA per CEQA Guidelines Section 15332, Exhibit 1; and

**WHEREAS,** the City Council finds that approval of the Design Review Permit is consistent with the City's General Plan, the provisions of Title 18 (Zoning Code) of the Guadalupe Municipal Code; and

**WHEREAS,** the City Council has the ability to make the findings required to approve the project, including findings pursuant to the California Environmental Quality Act; and

**NOW, THEREFORE, BE IT RESOLVED** that the City Council of the City of Guadalupe does hereby find and determine as follows:

- Section 1. The Findings set forth in Exhibit 2 to this Resolution are true and correct regarding the Design Review Permit, which are hereby adopted and incorporated herein by this reference.
- Section 2. After reviewing this project completely, it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, and therefore the activity is not subject to further CEQA review per CEQA Guidelines Section 15332.
- Section 3. The Design Review Permit is approved, subject to the Conditions of Approval set forth in Exhibit 3 of this Resolution.

Section 4. The City Council Secretary shall certify as to the adoption of this Resolution.

**PASSED, APPROVED AND ADOPTED** at a regular meeting on the 23<sup>rd</sup> day of November 2021 by the following vote:

### MOTON:

AYES: NOES: ABSENT: ABSTAIN:

I, Amelia M. Villegas, City Clerk of the City of Guadalupe DO HEREBY CERTIFY that the foregoing Resolution, being **Resolution No. 2021-89** has been duly signed by the Mayor and attested by the City Clerk, all at a regular meeting of the City Council, held November 23, 2021, and that same was approved and adopted.

## ATTEST:

Amelia M. Villegas, City Clerk

Ariston Julian, Mayor

APPROVED AS TO FORM:

Philip F. Sinco, City Attorney

Exhibits:

Exhibit 1 - CEQA Categorical Exemption Exhibit 2 - Findings Exhibit 3 - Conditions of Approval To: County Clerk County of Santa Barbara 123 E. Anapamu Street Santa Barbara, CA 93101 From: City of Guadalupe 819 Obispo Street Guadalupe, CA 93434

Project Title: Edwards Olivera Apartments

Project Applicant: Todd and Kari Edwards.

Project Location-Specific: Southeast side of Olivera Street 150-feet south of 12th Street (115-036-012)

Project Location-City: <u>City of Guadalupe</u>

Project Location-County: Santa Barbara County

#### Description of Nature, Purpose, and Beneficiaries of Project:

The project is a Design Review (DR) permit, in accordance with Municipal Code Chapter 18.73, to allow development of a five-unit multi-family development consisting of a four apartment units and one accessory dwelling unit (ADU) and associated parking and landscaping on a 0.17-acre property in the R-3 (High Density Residential) zoning district at the above-referenced location. The project is anticipated to benefit the project developers through a financial return on their investment. The project would support the City's General Plan objectives to increase the City's housing supply; and the project is anticipated to benefit its future residents by providing a quality living environment in close proximity to the goods, services, entertainment and transportation opportunities in the City's Downtown Core.

Name of Public Agency Approving Project: <u>Guadalupe City Council</u>

Name of Person or Agency Carrying Out Project: <u>Chris Tarcon, Designer, MW Architects, on behalf of</u> Todd and Kari Edwards property owners/developers.

Exempt Status: (check one)

\_\_\_ Ministerial (Sec. 15268);

\_\_\_\_ Declared Emergency (Sec. 15269(a));

Emergency Project (Sec. 15269(b)(c));

XX Categorical Exemption. Section 15332

General Exemption (Section 15061(b)(3))

#### Reasons why project is exempt:

The project consists of a five-unit apartment complex on a 0.17-acre site in the R-3 Zoning District in the City of Guadalupe.

The project is exempt in accordance with CEQA Class 15332 because:

- a) The project is consistent with the High Density Residential (20 DU/AC) General Plan land use designation and corresponding R-3 High Density Residential zoning on the property.
- b) The proposed development will occur on an infill site no more than five-acres in size (0.17-acre); and the property is wholly within the Guadalupe City limits.
- c) The project site is surrounded by urban uses; and by similar multi-family residential uses in the R-3 zone are to the north and west.
- d) There are no trees or vegetation present; and the property has no value as habitat for rare or endangered species.

e) Approval of the five-unit apartment project would not result in significant effects related to traffic, noise, air quality, or water quality; and the infill site is adequately served by all required utilities and public services. The project includes design measures that are sustainable and encourage pedestrian activity and usage of other alternative transportation modes.

Based on the above, it can be seen with certainty that the proposed project could not have a significant effect on the environment.

## **EXHIBIT 2, FINDINGS FOR APPROVAL**

## DESIGN REVIEW PERMIT EDWARDS OLIVERA STREET FIVE-UNIT APARTMENTS 2021-078-DR

#### 1.0 CEQA Findings

## 1.1 CONSIDERATION OF THE CEQA EXEMPTION AND FULL DISCLOSURE

The City Council has considered the Class 32 Categorical Exemption together with the comments received and considered during the public review process for the project. The Class 32 Exemption has been completed in compliance with CEQA and is adequate for this proposal.

### 1.2 FINDING OF NO SIGNIFICANT EFFECT

Based on the whole record, it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, and therefore the activity is not subject to CEQA.

### 1.3 LOCATION OF DOCUMENTS

The documents and other materials which constitute the record of proceedings upon which this decision is based are in the custody of the City of Guadalupe, 918 Obispo Street, Guadalupe, CA 93434.

#### 2.0 Administrative Findings

## 2.1 DESIGN REVIEW FINDINGS

Pursuant to City of Guadalupe Municipal Code, Section 18.73.100, a Design Review Permit shall be approved only if all the following findings can be made:

A. The buildings, structures, and landscaping are appropriate and of good design in relation to other buildings, structures, and landscaping on-site or in the immediate vicinity of the project.

The project has been designed with full consideration for both the livability for future residents and compatibility with the neighborhood in which the project is located. The surrounding area is in an original portion of the City and is typified by a mixture of single-family homes and multi-family developments. A similar small apartment complex is on the north and single-family home converted to multi-family use is on the south. The proposed site and building orientation, setbacks and landscaping meet the established Municipal Code standards.

B. That the development will be compatible with the neighborhood, and its size, bulk and scale will be appropriate to the site and the neighborhood.

Consistent with the buildings in the immediate area, the two-story apartment buildings have a maximum height of 24 feet, 8.5 inches and the building exteriors include materials and colors that are harmonious and fitting with the immediate neighborhood.

C. There is harmony of material, color, and composition of all sides of a structure or buildings as well as consistency and unity of composition and treatment of exterior elevation.

The apartment buildings are of simple but attractive design. The architecture is described as a "Local Traditional" style. the exterior design includes a harmonious combination plaster siding, pitched composition shingle roofs, wood decks with steel railings and stairways and vinyl window frames. Exterior colors include beige exteriors, with sage green trim and charcoal grey roofing. The building materials and colors relate harmoniously with one another.

D. Any mechanical or electrical equipment is well integrated into the total design concept and screened from public view to the maximum extent practicable.

Any mechanical and/or electrical equipment will be designed and located to minimize visibility and will be screened from public view as applicable.

*E.* All visible on-site utility services are appropriate in size and location.

All utility services are appropriate in their size and placement on the project site.

F. The grading will be appropriate to the site.

The grading is appropriate for the site; and includes appropriately landscaped stormwater treatment facilities to serve the functional needs of the project while enhancing site appearance. The grading plan has been endorsed by the City Engineer for its functionality, and by the Planning Department for its finished usage and final appearance.

G. Adequate landscaping is provided in proportion to the project and the site with due regard to the preservation of existing trees, and existing native vegetation, and adequate provision will be made for the long-term maintenance of such landscaping.

There are no existing trees on the project site. Appropriate landscaping is provided throughout the project site, including but not limited to a total of eight tree plantings; including two large trees in the front setback and six-smaller trees are distributed throughout the site. The project has been conditioned to require permanent maintenance of the landscaped areas in accordance with Municipal Code 18.64.120.

H. The development will not adversely affect significant public scenic views.

The project would promote development an underutilized infill site in the inner portion of the City. There are no significant viewsheds in the project vicinity. The landscape and tree planting plan as well as associated public improvements are anticipated to improve the overall appearance of the project site and improve the current appearance of the vacant lot.

1. All exterior site, structure and building lighting is well-designed and appropriate in size and location.

All exterior lighting fixtures shall be located, directed, and shielded to minimize potential light and glare impacts on neighboring properties.

J. The proposed development is consistent with any additional design standards as expressly adopted by the City Council.

No additional design standards were required by the City Council. However, the project was designed in full consideration of the applicable historic and neighborhood preservation goals and objectives of the City's General Plan.

K. The project architecture will respect the privacy of neighbors and is considerate of solar access.

The project is completely considerate of solar access and the site design and building placement will ensure no impact will result to the privacy of neighboring properties in the project area.

L. The project will provide for adequate street design and sufficient parking for residents and guests in a safe and aesthetically pleasing way.

Eight covered parking spaces are provided. The parking is accessed through a 20-footwide driveway. Each carport is provided a 25-foot back-out space. As noted, the project is found to meet applicable City and state regulations pertaining to parking.

M. The proposed development as shown on the project plans is in conformance with all applicable policies of the General Plan and the requirements of this title.

As noted, the project design is in full consideration of the urban design goals of the General Plan and the project meets the minimum standards established by the City of Guadalupe Municipal Code.

#### EXHIBIT 3

## Edwards Olivera Street 5-Unit Apartment Complex 2021-078-DR CONDITIONS OF APPROVAL

#### GENERAL CONDITIONS

1. **Project Description**: Subject to the conditions set forth below, this permit authorizes the improvements and uses requested by Application No. 2021-078-DR, shown in the project plans on file with the City of Guadalupe. The project consists of the construction and occupancy of a five-unit multi-family development; consisting of four apartment units and one accessory dwelling unit (ADU) on a 0.17-acre property; with a total of eight (8) covered City standard sized parking spaces; decorative landscaping and private open space are provided as shown on the approved plan set.

Any deviations from the project description in the staff report, exhibits or conditions must be reviewed and approved by the City of Guadalupe for conformity with this approval. The project shall be constructed as shown on the plan set entitled Olivera Apartments and last revised July 23, 2021 (Attachment 2), Deviations may require amendments to this permit, including additional CEQA review. Deviations without the above-described approval will constitute a violation of the permit approval.

- 2. The Applicant agrees, as a condition of approval of this resolution to indemnify, defend and hold harmless, at Applicant's expense, City and agents, officers, and employees from and against any claim, action or proceeding to attack, review, set aside, void, or annul the approval of this permit or to determine the reasonableness, legality or validity of any condition attached hereto. City shall promptly notify the Applicant of any such claim, action or proceeding, to which City receives notice, and City will cooperate fully with Applicant in the defense thereof. Applicant shall reimburse the City for any court costs and attorney's fees that the City may be required to pay as a result of any such claim, action or proceeding, but such participation shall not relieve Applicant of the obligation of this condition. Applicant's acceptance of this permit approval or commencement of construction or operations under the approval shall be deemed to be acceptance of all conditions of approval.
- 3. If any condition imposing a fee, exaction, or dedication is challenged by the project sponsors in an action filed in a court of law or threaten to be filed therein which action is brought within the time period provided for by law, this this approval shall be suspended pending dismissal of such action, the expiration of the limitation period applicable to such action, or final action. If any condition is invalidated by a court of law, the entire project shall be reviewed by the City and substitute conditions may be imposed.

4. In accordance with Section 18.73.120 of the City Municipal Code, this Design Review approval shall expire two (2) years from the date of approval, unless a building permit for the proposed improvements has been obtained prior to expatriation. Up to two one-year time extensions may be granted for good cause. An extension must be filed with the City prior to the permit expiration date.

## **CITY ENGINEER CONDITIONS**

- 5. All engineering submittals prepared by the applicant's engineer shall be signed and sealed by a California licensed civil engineer.
- 6. All new and existing electrical, telephone, and communication utility distribution service wires onsite and in adjacent easements shall be placed underground.
- 7. All water meters shall be placed in the parkway, adjacent to the curb. Landscape area greater than 5,000 square feet requires a separate, appropriately sized irrigation meter.
- 8. For service lines already connected to the utility system, water and wastewater connection fees shall be based solely on an increase in water meter size and shall be calculated and collected prior to installation of the larger meter. For new water meters (except for ADUs) full connection fees shall apply, per the 2020-2021 master fee schedule. The owner shall pay for meter and all connection fees prior to issuance of the Building Permit.
- 9. Park development and public facilities fees shall be paid per the master fee schedule.
- 10. The developer shall obtain an encroachment permit from the Building/Planning Department prior to any work in public streets, right-of-way, or easements.
- 11. All sewer lines on-site shall be privately owned and maintained. Drawings shall label all privately owned lines as such. Private sewer lines shall tie into the public sewer main using a wye connection. Sewer laterals shall not be connected to the public sewer main with a manhole.
- 12. All of the following conditions shall be completed to the satisfaction of the City Engineer prior to issuance of certificate of occupancy for the project, unless otherwise stated herein or as agreed by the City Engineer.
- 13. The applicant shall provide an engineer's estimate for all work included on the public improvement plans, and enter into an agreement with the City, subject to the City's approval. If approved by the City, bonds or other forms of securities shall be submitted

as a guarantee for the construction of infrastructure improvements before the approval of building permits.

- 14. Public infrastructure improvements shall be designed and constructed per the City of Santa Maria standards (adopted by the City of Guadalupe), and the City of Guadalupe standard drawings when available. The decision of the City Engineer shall be final regarding the specific standards that shall apply.
- 15. The applicant shall submit drainage calculations or an updated drainage report with the public improvement plans.
- 16. Submit an Erosion and Drainage Control Plan to the City Engineer for review and approval prior to construction. The plan shall reflect "Best Management Practices" as proposed in the California Regional Water Quality Control Board Erosion and Sediment Control Field Manual and shall include both temporary measures (to be used during construction, and until permanent measures are completed/established) and permanent measures. Erosion control measures shall be in place and approved by the City before the start of construction. The plan shall include both source control and perimeter containment measures. All Drainage and Erosion Control Measures shall be designed and sized by a qualified professional.
- 17. All storm drain infrastructure located on-site and required by the Post-Construction Requirements (PCRs) adopted by the California Regional Water Quality Control Board for the Central Coast Region shall be privately owned and maintained.
- 18. Install Storm Drain Markers on all drainage inlets prior to issuance of the first occupancy clearance.
- 19. Install Bioretention Signage on all bioretention areas prior to issuance of the first occupancy clearance.
- 20. Submit grading and drainage plans, including a geotechnical report providing technical specifications for grading of the site and prepared by a Geotechnical Engineer, to the City and Santa Barbara County Flood Control District for plan checking and comment. Before building permits are issued, address all comments to the satisfaction of the City Engineer.
- 21. Upon approval of the improvement plans, the applicant shall provide a scanned pdf of the signed plans and three sets of prints of the signed improvement plans for inspection purposes.
- 22. Before final inspections and acceptance of the public improvements, the applicant shall provide to the City Engineer record as-built drawings, signed by the engineer of

record in the following method: one set of scanned pdfs, one set of reproducible mylars, and an electronic AutoCAD drawing file.

- 23. The project shall comply with all Municipal Separate Storm Sewer System (MS4) requirements. Low impact development, best management practices and similar regulations and guidelines shall be met. The design shall follow the Santa Barbara County Post Construction Requirements, Stormwater Technical Guide, and all future updates.
- 24. The developer shall submit a drainage study prepared by a registered civil engineer addressing pre and post-development storm water run-off. Post-development storm water management shall be addressed and shall be consistent with the State and County requirements.
- 25. Prior to final occupancy, an "Owner's Agreement to Construct and Maintain Private Drainage Improvements for Water Quality" on all private lots where LID measures are required must be approved, signed by the owner and City, and recorded. A template is available from the City Engineer.
- 26. Prior to final occupancy and if required, a "Storm Water Control Measures Certification of Approval" must be signed and stamped by a California Registered Engineer, Architect, Geologist and/or Landscape Architect and submitted to the City Engineer. A template is available from the City Engineer.
- 27. Prior to construction, the developer shall provide a copy of a preliminary Title Report, no more than 6 months old to the City Engineer.
- 28. The entire site shall be permanently maintained free of accumulated dirt and litter and in an otherwise neat and attractive manner and adhere to the requirements of the City of Guadalupe Municipal Code. Any graffiti on the property shall be promptly painted out. All landscaping areas in the property shall be permanently maintained with healthy, growing plant material, free from weeds. Dead or dying plant material shall be replaced within one month of plant deterioration. Failure to comply with this condition is a public nuisance and is subject to the adopted citation ordinance of the City of Guadalupe.
- 29. The developer shall upgrade the public sewer main on Olivera from north edge of property to 11<sup>th</sup> Street to meet minimum sewer size requirement of 8-inch for multifamily developments prior to certificate of occupancy.
- 30. The developer shall repair any cracked or broken curb, gutter, driveway, and sidewalk within the project frontage along Olivera Street. Public Works staff will determine the extent of the sidewalk and curb and gutter repair in the field prior to construction. Driveways shall be flush with adjacent sidewalk.

## PLANNING DEPARTMENT CONDITIONS

- 31. Commencement of work. The applicant shall notify City Planning Department and City Building Department staff of the start date for construction at least five (5) working days in advance of the start of work. This notification shall also include an estimated construction schedule and a truck haul route for demolished and recycled materials. The applicant shall also notify City staff of the completion of construction and demolition work no more than one working day upon completion.
- 32. Recycling. Excess construction materials and demolition materials shall be recycled to the extent feasible and proof of recycling in the form or receipt from the recycling facility noting recycled materials and amounts shall be provided to City staff.
- 33. Fees. Prior to Zoning Clearance, the applicant shall pay all applicable permit processing fees in full, including but not limited to building permit fees.
- 34. Zoning Clearance. No Building Permit shall be issued until a Zoning Clearance has first been issued by the City.
- 35. Agreement to Comply. Approval of this Design Review is not valid until the property owner or authorized agent signs and returns the Agreement to Comply form, agreeing to the terms and Conditions of Approval. The signed form must be submitted to Planning Department prior to issuance of a Zoning Clearance.
- 36. Compliance with Conditions. The applicant shall comply at all times with these conditions. If complaint are filed with the City, staff will review the complaints and determine if a meeting with the applicant and complainants can resolve the issue(s). If no resolution is reached, a hearing will be scheduled before the City Council for staff to present a recommendation to resolve the issue(s) The applicant shall be responsible for the fees to cover staff time.
- 37. Construction Hours. The Owner/Applicant, including all contractors and subcontractors shall limit construction activity, including equipment maintenance and site preparation, to the hours between 7:00 a.m. and 5:00 p.m. Monday through Friday. No-noise generating construction shall occur on weekends or state holidays. Non-noise generating interior construction activities such as plumbing, electrical, drywall and painting (which does not include the use of compressors, tile saws, or other noise- generating equipment) are not subject to these restrictions. The applicant is advised that building inspector and planning staff will spot check and responds to complaints.
- 38. Landscaping. Landscape Plan. Prior to issuance of Zoning Clearance, the applicant shall submit a Final landscape Plan for review and approval by the Planning Director. Prior to the first occupancy clearance, the project shall have all landscaping planted.

Landscaping shall be installed and maintained per the City-approved landscape and irrigation plan and maintained for the life of the project. The type, size, density, and configuration of new plants shall be selected to maximize successful establishment and growth to achieve this landscaping objective within a reasonable period of time after installation. Final landscape and irrigation plans shall be submitted by the Applicant to the City for review and approval prior to issuance of Zoning Clearance. All landscaping and irrigation shall be completed and installed prior to the first Occupancy Clearance of that phase of development. Plant locations may be adjusted in the field (as directed by Planning staff) to achieve landscaping objectives. The applicant shall contact City Planning staff at least 48 hours prior to request for occupancy clearance in order to verify that landscaping and irrigation has been installed according to the approved plans, Failure to comply with the requirements could jeopardize issuance of the occupancy clearance.

- 39. Additional Permits Required. The use and/or construction of any structures or improvements authorized by this approval shall not commence until all necessary planning and building permits are obtained. Before any Permit will be issued by the Building Department, the Owner/Applicant must obtain written clearance from all determents having conditions. Such clearance shall indicate that the Owner/Applicant must obtain written clearance shall indicate that the Owner/Applicant has satisfied all pre-construction conditions.
- 40. Design Review Expiration. The Owner/Applicant shall obtain the required Zoning Clearance within 24 months following the effective date of this Design Review Permit. If the required Zoning Clearance is not issued within 24 months following the effective date of this Deign Review Permit, or within such extended period of time as may be authorized in compliance with Section 18.73.120.B of the Guadalupe Municipal Code, and an application for an extension has not been submitted to the Planning Department, then the Design Review permit shall be considered void and of no further effect.
- 41. Design Review-Void. This Design Review Permit shall become void and be automatically revoked if the development and/or authorized use allowed by this time Design Review Permit is discontinued for a period of more than 12 months, or within such extended period as may be authorized in compliance with Section 18.73.120.B of the Guadalupe Municipal Code. Any use authorized by this Design Review Permit shall immediately cease upon expiration or revocation of this Design Review Permit. Any Zoning Clearance approved or issued pursuant to this Design Review Permit shall expire upon expiration or revocation of the Design Review Permit. Design Review Permit shall immediately cease upon to the Design Review Permit.
- 42. Plans Requirements. The Owner/Applicant shall ensure all applicable final conditions of approval are printed in their entirety on applicable pages of grading/construction or building plans submitted to the Building Department.

- 43. Contractor and Subcontractor notification. The Owner/Applicant shall ensure that potential contractors are aware of City conditions and requirements. Owner/Applicant shall notify all contractors and subcontractors in writing of the site rules, restrictions, and Conditions of Approval and submit a copy of the notice to Planning Staff.
- 44. Time Extensions-All Projects. The Owner/Applicant may request a time extension prior to the expiration of the permit or entitlement for development. The review authority with jurisdiction over the project may, upon good cause shown, grant a time extension in compliance with City rules and regulations, which include reflecting changed circumstances and ensuring compliance with CEQA. If the Owner/Applicant requests a time extension for this permit, the permit may be revised to include updated language to standard conditions and/or mitigation measures and additional conditions and/or mitigation measures which reflect changed circumstances or additional identified project impacts.
- 45. All newly planted landscaping shall be maintained for the life of the project.
- 46. In the unexpected event archeological or paleontological resources are unearthed during project construction, all earth disturbing work within the project area of potential effect (APE) must be temporarily suspended until an archaeologist has evaluated the nature and significance of the find. After the find has been appropriately mitigated, work in the area may resume. A Native American representative should monitor any archaeological field work associated with Native American materials.
- 47. The project is required to comply with standard lighting requirements per the Guadalupe Municipal Code, which requires that light and glare be minimized on any adjacent properties. Exterior lighting shall be shown on all Building plans prior to approval of the Zoning Clearance and Building Permit.
- 48. Stormwater. The project is Tier 2 project as identified in the *Project Clean water* Technical Guide, established as the guiding document for stormwater discharges in Santa Barbara County. The project shall establish and implement a Stormwater Control Plan, in accordance with the protocol established by the Project Clean water Technical Guide.
  - a) Prior to occupancy the Stormwater Control Plan shall be approved by the City; and the measures identified shall be fully constructed to the satisfaction of the City.

- b) All stormwater control measures, and associated landscaping shall be maintained by the property owner(s) and their successors for the life of the project.
- 49. Prior to issuance of a building permit, the applicant shall pay all fees due to the Planning Department and those applicable fees to Building at the time of permit issuance.
- 50. Site Maintenance General: The property and all of the facilities, including but not limited to buildings; parking areas; carport structures and trash enclosures and their immediate areas shall be maintained in an orderly manner and free of accumulations of dirt, litter to the satisfaction of the City; and as further specified by Municipal Code Chapter 18.050.070.
- 51. Landscape Maintenance: Landscape materials shall be planted as shown on the approved Landscape Plan, identified as Exhibit \_ attached hereto and incorporated herein. Trees and larger shrub plantings shall be selected to be generally symmetrical and installed in healthy condition. Any damaged or otherwise unhealthy plant material shall be immediately removed and replaced.

To minimize the potential for bent or leaning, or miss-sharpen trees, tree plantings shall be staked until determined to be established as vertical and \_\_\_\_\_.

The Property Owners and their successors shall be responsible for the long-term maintenance of the landscaped areas. All required landscaping shall be maintained in good condition. Such maintenance shall include, where appropriate, pruning, moving, weeding, cleaning, fertilizing and watering. Whenever necessary, plant materials shall be replaced, and any structural materials included in the basic landscaping design shall be repaired or replaced. (Municipal Code Section 18.64.120.)

All shrubs and plants shall be of a minimum size of one gallon, or equivalent, at the time of installation, and all trees shall be of a minimum size of 15 gallons, or equivalent, at the time of installation.

- 52. Fence and Wall Maintenance: Fences and walls shall be maintained in an upright vertical and unbroken condition and in accordance with Municipal Code Chapter 12.52.125. Any graffiti shall be removed within 48-hours.
- 53. Outdoor Lighting: All exterior lighting shall include full cut-off fixtures located to minimize the encroachment of excessive light and glare on neighboring properties.

#### **BUILDING DEPARTMENT**

54. <u>Accessibility.</u> Clearly identify on the plans that the Triplex R-2 Occupancy Building is required to comply with C.B.C., Chapter 11A Accessibility Requirements. The ground

floor of the multi-story units and the ground floor of the single-story unit shall be fully accessible. The designation as a future ADU has no bearing on the fact this is a triplex. [C.B.C., §1102A.1]

- 55. <u>Permits.</u> A building permit application, plans and specifications demonstrating compliance with current California Building, Fire, Plumbing, Mechanical, Electrical, Green Building and Energy Standard Code requirements is to be submitted and permits obtained prior to construction.
- 56. <u>Design Professional Required.</u> Plans for the project shall be prepared signed and sealed by a California registered design professional, i.e. architect or engineer.
- 57. <u>Soils Report Required</u>. A soils (Geotechnical) report will be required for the project and must be submitted at the time of building permit application. [C.B.C., §1803]
- 58. <u>Undergrounding Required.</u> The overhead utility line shown on Sheet DP2 is not approved. All electrical, telephone and communication utility distribution and service wires shall be placed underground.
- 59. <u>Water Meters.</u> Utility or customer submetering of the domestic water supply is required for each unit in multiunit (2 or more) residential structures.
- 60. <u>Area and Height.</u> Justification for the proposed allowable area and height for the buildings in this project shall be shown on the cover sheet of plans. [C.B.C. Table 506.2] The U Occupancy used for allowable area shown on Sheet DP3 is not approved. Show compliance with R-2 occupancy using total square footage of residential and vehicle occupancies. [5,453 sf proposed < 7,000 sf allowed]</p>
- 61. <u>Truss Calculations.</u> The City of Guadalupe requires truss calculations and their design to be submitted at the time of building permit application. C.B.C. §107.3.4.1
- 62. <u>Fire Sprinklers.</u> New Group R occupancies are required to be protected by an automatic sprinkler system in accordance with C.B.C. Section 903.2.8. Fire sprinkler systems require separate review, approval and permit and are not within the scope of the building permit application for the structures.
- 63. <u>Alarm Systems.</u> Fire alarm systems, smoke alarms and carbon monoxide alarms shall be provided in Group R-2 and R-3 occupancies, as applicable. C.B.C., §420.5
- 64. <u>Fire Barriers.</u> Fire barriers separating dwelling units and other occupancies shall be constructed in accordance with C.B.C., Section 707 and horizontal assemblies separating dwelling units and other occupancies shall be constructed in accordance with C.B.C., Section 711. In addition to the fire resistive construction, walls and

floor/ceiling assemblies separating dwelling units shall be designed to provide a sound transmission class rating in compliance with C.B.C., Section 1207.

- 65. <u>Clothes Washers</u>. Clothes washers shall be provided in accordance with C.P.C., Table 422.1 as follows; Laundry tray or 1 automatic clothes washer connection per unit or 1 laundry tray or 1 automatic clothes washer connection for each 12 units.
- 66. <u>Photovoltaics</u>. The project shall incorporate solar photovoltaic system(s). Show the PV array locations on the elevation plans as applicable. [C.En.C. §110.10(a)2]
- 67. <u>Waste Management.</u> After the issuance of a building permit, the applicant shall submit a waste management plan to the Building Division. The plan shall include the estimated composition and quantities of waste to be generated and how the project developer intends to recycle at least 65 percent of the total job site construction and demolition waste measured by weight or volume. Proof of compliance shall be provided to the Chief Building Official prior to the issuance of a final inspection. During demolition and construction, the project developer shall mark all trash disposal bins "trash materials only" and all recycling bins "recycling materials only."

## FIRE DEPARTMENT CONDITIONS

- 68. <u>Emergency Contact Information</u>. An "Emergency Contact Information" form shall be provided to the Guadalupe Fire Department (GFD) prior to the issuance of Building Permits.
- 69. <u>Address Numbers.</u> The proposed location and design of address numbers shall be shown on plans. New and existing buildings shall have approved address numbers, building numbers or approved building identification placed in a position that is plainly legible and clearly visible from the centerline of the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of 4 inches in height with a minimum stroke width of 0.5 inch (12.7mm) for residential occupancies and 6 inches (152 mm) high with a minimum stroke of 0.75 inch (19 mm) for commercial and industrial occupancies. Numbers and/or letters of larger size may be required based on the size and design of the building or groups of buildings. Where access is by means of a private road and the building cannot be viewed from the public way, a monument pole or sign or means shall be used to identify the structure. Address identification shall be maintained.
- 70. <u>Access.</u> Fire Department Access requirements shall comply with the Fire Code of the City of Guadalupe Chapter 8, Title 15 of the Guadalupe Municipal Code (GMC), 2019 California Fire Code (C.F.C.), Section 503 and C.F.C. Appendix D. All weather surface

access roads shall be installed and approved by the Fire Department prior to the issuance of a building permit or start of construction unless otherwise approved by the Fire Code Official.

- 71. <u>Access Roads.</u> An approved Guadalupe Fire Department (GFD) access road shall extend to within 150 feet of all portions of the exterior walls of the first story of the building, as measured by an approved route around the exterior of the building.
- a. All weather surface access roads shall be installed and approved by the GFD prior to

vertical combustible construction.

- 72. <u>Temporary Access Roads.</u> Plans for temporary access roads shall be reviewed, inspected and approved by the GFD prior to construction, in accordance with C.F.C. Section 501. Temporary access roads shall be constructed with compacted base, curbs and gutters prior to vertical combustible construction. Access roads shall be maintained clear and unobstructed for the duration of the construction project.
- 73. <u>Temporary Fire Access Road Signage</u>. Temporary access signage shall be placed at each entrance to the project (when necessary) to delineate construction and fire access. These signs shall be installed prior to combustible construction.
- 74. <u>Fire Lane Sign Requirements.</u> No Parking/Fire Lane signs must follow these guidelines:
  - a. The CVC Code 22500.1 (CVC 22500.1) must be imprinted on the bottom of the sign.
  - b. All lettering shall be red on white reflective background no smaller than 2 inches in height.
  - c. The sign shall be no smaller than 12 inches wide by 18 inches high.
  - d. The sign shall be securely mounted facing the direction of travel and clearly visible to oncoming traffic entering the designated area. Signs shall be of durable material.
  - e. Signs shall be installed at all driveway entrances and at intervals of not less than 100 feet along all designated fire lanes.
- 75. <u>Fire Lane Curb Painting Requirements.</u> Where a curb exists adjacent to a fire lane, the top and face of the curb shall be painted with red traffic paint. Where the curb is discontinued, a red stripe and stencil as described below shall be painted to define the fire lane. Red curbs, red stripes and white stencils must be maintained in good condition and follow these guidelines:
  - a. The face of the curb shall be stenciled with the words: NO PARKING FIRE LANE in white block letters a minimum 4 inches in height.

- b. The stencil must be painted on the FACE of the curb. Exception: Under circumstances where the curb height is less than 4 inches, the stencil may appear on the top of the curb.
- c. The stencil must appear every 50 feet or less, depending on the configuration of the fire lane. (Where a small island cannot contain both phrases, FIRE LANE must appear the NO PARKING may be omitted).
- d. Where no curb exists adjacent to the fire lane, the edge of the fire lane shall be marked with an 8 inch wide red stripe. In addition, a diagonal 8 inch wide red stripe may be required between the edges of the fire lane, with the diagonal stripe connecting the stripes or curbs at the edges of the fire lane. Spacing of the diagonal stripe is every 50 feet.
- e. The stripe shall be stenciled with the words NO PARKING FIRE LANE in white block letters, minimum 4 inches in height.
- f. The stencil must appear every 50 feet or less, depending on the configuration of the fire lane. If the fire lane is less than 50 feet the stencil must appear at the beginning and end of the fire lane.
- 76. <u>Water Supply for Fire Protection</u>. An approved water supply for fire protection shall be installed and made fully operational prior to the delivery of combustible materials to a job site. The Fire Code Official shall inspect and approve the water system prior to the delivery of combustible materials at the job site.
- 77. <u>Portable Fire Extinguishers.</u> Structures under construction, alteration or demolition shall be provided with not less than one approved portable fire extinguisher in accordance with C.F.C., Section 906 and sized for not less than ordinary hazard as follows:
  - a. At each stairway on all floor levels where combustible materials have accumulated.
  - b. In every storage and construction shed.
  - c. Throughout the building under construction in sufficient quantity so travel distance does not exceed 75 feet (23 m).
  - d. The minimum rating for fire extinguishers shall be 2A10BC.
  - e. Additional portable fire extinguishers shall be provided where special hazards exist including, but not limited to, the storage and use of flammable and combustible liquids.
- 78. <u>Fire Flow.</u> Fire flow shall comply with C.F.C., Appendix B. The minimum fire flow for this R-2/R-3/U project shall be 500 gallons per minute for a 1/2 hour (based on Type V Construction with fire sprinklers).
- 79. <u>Fire Sprinkler Systems.</u> Automatic Fire Sprinklers are required for the proposed R-2/R-3 occupancies and as otherwise required by the C.F.C.. Deferred submittal of fire sprinkler plans and calculations is permitted. The plans and calculations shall be signed and sealed on every sheet by a registered Fire Protection Engineer or Fire Protection Contractor.

- 80. <u>Fire Department Connection (FDC)</u>. FDCs shall be located on the front access side of buildings, fully visible and recognizable from the street or nearest point of fire department vehicle access or as otherwise approved by the Fire Chief or his/her designee. The FDC shall:
  - a. Face the public street or fire lane fronting the protected building and be installed so the center line of the connection is a minimum of 36 inches above finished grade.
  - b. Within 40 feet of an approved roadway or driveway and arranged so that hose lines can be readily attached to the inlets without interference.
  - c. Within 50 feet of an approved fire hydrant.
  - d, Be equipped with Knox Brand locking caps.
  - e. All Fire Department Connections, fire sprinkler risers, standpipes connections, and fire pump connections shall be provided with a sign identifying its location in accordance with standards established by the Fire Code Official. Where the FDC does not serve the entire building, a sign shall be provided indicating the portion of the building served.
  - f. A 5-foot (1.5 m) clear space shall be maintained in front of the FDC when placed directly in front of a parking area or road. Where the clearance required intrudes into the road or parking area the Fire Lane Curb Painting Requirements in C.F.C., Appendix Section D103.6.4 must be applied.
- 81. <u>Fire Alarm System.</u> A fire alarm system shall be installed in accordance with the C.F.C. and N.F.P.A. 72 standards. All alarm systems shall have an alarm permit issued by the Guadalupe Police Department. Permit shall be obtained prior to final occupancy approval. The fire alarm system shall be certificated by Underwriters Laboratories or an equivalent nationally recognized organization.
  - a. Deferred submittal of fire alarm plans is permitted. The plans shall be signed and sealed, on every sheet, by a registered Fire Protection Engineer or Fire Protection Contractor licensed in California.
  - b. A Fire alarm system, at a minimum incorporating tamper switches on control valves and a Central Station service for the water flow alarm shall be installed for fire sprinkler systems.
- Smoke and Carbon Monoxide Detectors/Alarms. Smoke and Carbon Monoxide Detectors/Alarms shall be installed in accordance with the C.F.C., C.B.C., and N.F.P.A. 72.
- 83. Inspections/Approvals. The Fire Department shall inspect/approve the following:
  - a. Fire access road(s): prior to vertical combustible construction.
  - b. Fire hydrants: prior to vertical combustible construction.
  - c. Water mains: prior to vertical combustible construction.
  - d. Underground fire sprinkler piping: prior to concealment.
  - e. Overhead fire sprinkler piping: prior to installation.
  - f. Fire Alarm system acceptance test: prior to occupancy clearance.

- g. Fire Department Key Box; mounted in proper location w/key(s) inside: prior to occupancy clearance.
- h. The Fire Department shall be given 48 hours minimum notice for all inspections via the inspection request line 805-356-3905.
- i. All permits shall be issued prior to start of any work.

End of Conditions

## PROJECT DESCRIPTION

A NEW 5 UNIT DEVELOPMENT ON AN EXISTING VACANT PARCEL. 4 OF THE UNITS ARE ALLOWED PER THE DENSITY STANDARDS AND AN ADDITIONAL ACCESSORY DWELLING UNIT IS PROPOSED. THE DEVELOPMENT WILL INCLUDE 2 BUILDINGS, A SHARED DRIVEWAY, COVERED PARKING AREA, AND LANDSCAPING.

## **CONCEPTUAL LANDSCAPE PLAN**

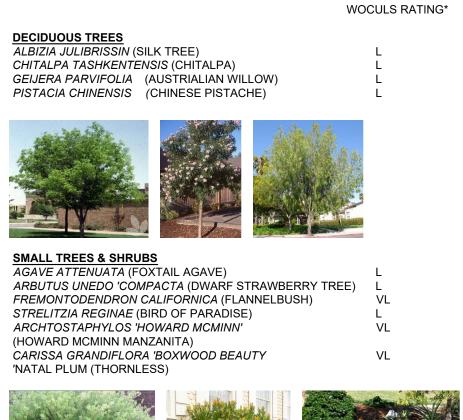

## LANDSCAPE CALCULATION / NOTES

PARCEL SIZE:	15,000 SF
LANSCAPED AREA:	1,800 SF (12%
LAWNS / GROUND COVER:	744 SF (41%)
OTHER LANDSCAPING:	1,056 (59%)

A. ALL TREES TO BE 5 GAL. AT TIME OF PLANTING.

## CONCEPTUAL PLANT LIST

GRASSES & ACCENT SHRUBS GROUND COVER ARCHTOSTAPHYLOS 'CARMEL SUR (CARMEL SUR MANZANITA) VL BACCHARIS PILULARIS 'TWIN PEAKS' (DWARF COYOTE BRUSH) VL LONICERA JAPONICA 'HALLIANA' (HALL'S HONEYSUCKLE) ROSMARINUS OFFICINALIS (ROSEMARY) CALAMAGRASTUS 'KARL FOERSTER' (FEATHER REED GRASS)

CAREX TUMULICOLA (BERKELEY SEDGE) CHONDROPETALUM TECTORUM (SMALL CAPE RUSH)

MULCH MULCH ALL GROUND COVER AND PLANTER AREAS WITH 3" MINIMUM LAYER DECORATIVE COBBLES, CRUSHED ROCK OR 'WALK-ON' BARK.

\*WATER-USE EVALUATION OF PLANT MATERIALS WATER USE OF PROPOSED PLANTS HAVE BEEN EVALUATED USING THE "WATER USE CLASSIFICATION OF LANDSCAPE SPECIES" (WUCOLS IV, UNIVERSITY OF CALIFORNIA COOPERATIVE EXTENSION.)

## IRRIGATION DESIGN STANDARDS

THE FOLLOWING PRICIPLES OF IRRIGATION DESIGN UTILIZED ON THIS PROJECT ARE DIRECTED SPECIFICALLY AS CONSERVING WATER AND IMPROVING THE EFFIICIENCY OF THE IRRIGATION SYSTEM:

- \* ALL IRRIGATION SHALL BE DRIP OR DRIPLINE EMITTERS. NO OVERHEAD SPRAY HEADS WILL BE
- USED. \* IRRIGATION HYDROZONES SHALL BE ADJUSTED ACCORDING TO WATER NEEDS AND WEATHER.
- \* UTILIZATION OF IRRIGATION SYSTEM MASTER VALVE.
- \* UTILIZATION OF IRRIGATION SYSTEM "SMART CONTROLLER" WITH WATER BUDGETING FEATURE.
- \* UTILIZATION OF IRRIGATION SYSTEM FLOW SENSOR.
- \* UTILIZATION OF RAIN SHUT-OFF DEVICE CONNECTED TO IRRIGATION CONTROLLER.
