REPORT TO THE CITY COUNCIL OF THE CITY OF GUADALUPE Agenda of December 8, 2020

Prepared by:

Todd Bodem, City Administrator

SUBJECT:

Certification of November 3, 2020 General Municipal Election

RECOMMENDATION:

That the City Council adopt Resolution No. 2020-94 accepting the Certification of the 2020 General Municipal Election by the County Clerk-Recorder, declare the results, and follow standard procedures to reorganize the City Council.

BACKGROUND:

In order to reduce costs and ensure increased voter turnout, the City of Guadalupe consolidates its General Municipal Elections with the Statewide General Election conducted by the County of Santa Barbara. A Consolidated General Municipal Election was held on November 3, 2020, in accordance with State law to elect two Members of the City Council for the full term of four years, one Mayor of the City Council for the full term of two years, one City Clerk for the full term of four years, and Measure N 2020 (a local transaction and use tax placed on the ballot by the City Council).

The County Clerk-Recorder has 28 days following the election to complete the ballot count and certify the election results. The City Council must then accept the County Clerk-Recorder's certification of the election.

DISCUSSION:

The County Clerk-Recorder certified the results of the November 3, 2020 election on November 25, 2020.

The Certified Election Results confirm that for Mayor, Ariston Julian received 1,924 votes; for City Council, Antonio "Tony" Ramirez received 1,565 votes, Gilbert A. Robles received 1,352 votes, and for City Clerk 184 write-in votes.

Measure N 2020, Essential Services Transactions and Use Tax measure received a total of 2,207 votes cast, which includes 1,518 Yes votes; and 689 No votes. the Measure, and it shall be deemed ratified pursuant to Ordinance No. 2020-490 which was previously adopted on July 14, 2020, pending voters approval in the November 3, 2020, Election. Ordinance No. 2020-490 shall be incorporated within the Municipal Code by repealing Chapter 3.14 of Title 3 of the Guadalupe Municipal Code and replacing with a new Chapter 3.14 imposing an essential services transactions and use tax to be administered by the Department of Tax and Fee Administration.

REPORT TO THE CITY COUNCIL OF THE CITY OF GUADALUPE Agenda of December 8, 2020

Prepared by:

Todd Bodem, City Administrator

SUBJECT: Appointment of Mayor Pro Tem

RECOMMENDATION:

That the City Council ratify a nomination from the Mayor regarding the appointment of the Mayor Pro Tem for calendar year 2021-2022.

BACKGROUND:

Historically, the assignment of Mayor Pro Tem has been periodically rotated amongst Councilmembers. There are no formal rules, policies, or procedures as to how the selection of the Mayor Pro Tem is made. The Municipal Code is silent in this regard. The only guidance comes from the California Government Code.

Section 36801 of the California Government Code states:

The City Council shall meet on the Tuesday after the general municipal election and choose one of its number as mayor (for those cities who don't directly elect their mayor), and one of its number as mayor pro tempore.

The duties of the Mayor Pro Tem include acting on behalf of the Mayor in the Mayor's absence. The Mayor Pro Tem presides at City Council meetings when the Mayor is absent. The Mayor Pro Tem also fills in for the Mayor at various community functions and meetings when the Mayor is unavailable. New appointments typically begin with the new calendar year.

Section 36802 of the California Government Code states:

The mayor shall preside at the meetings of the council. If he is absent or unable to act, the mayor pro tempore shall serve until the mayor returns or is able to act. The mayor pro tempore has all the powers and duties of the mayor.

DISCUSSION:

Gina Rubalcaba has served as Mayor Pro Tem and did not run for reelection. As a result of the election, it is now time for the Mayor to consider nominating a new Councilmember to serve as Mayor Pro Tem for calendar year 2021-2022. A majority of the City Council will be required to ratify the appointment.

RECOMMENDATION:

That the City Council review and approve the listing of hand checks and warrants to be paid on December 9, 2020.

BACKGROUND:

Submittal of the listing of warrants issued by the City to vendors for the period and explanations for disbursement of these warrants. An exception, such as an emergency hand check may be required to be issued and paid prior to submittal of the warrant listing, however, this warrant will be identified as "Ratify" on the warrant listing.

- 9. Receive the Short-Range Transit Plan (SRTP) Update (Technical Memo #5).

Ms. Boydston pulled items 2, 5 and 8: Ms. Sweeney pulled items 6 and 9.

Motion made by Council Member Ramirez and 2nd by Council Member Rubalcaba to approve items 1, 3, 4, 7 and 10 of the Consent Calendar. 4/0 passed.

Ms. Boydston, Item 2, asked what the cost of \$8,618.45 designated for a fence was. She was told it was the cost of a security fence around the Police Department parking lot. She pointed out that item #225 for professional services by Lorrie Estes was possibly an improper wording as it could cast a shading on the ladies' integrity. It was discovered that she provided a training service to the fire department. Chief Cash stated that he had discovered that while Police Supervisors are mandated to have training within a certain time period, firefighter Supervisors are not, so he is putting together a training book and course he felt is needed. It is a hole that needs to be filled. That is the cost for the training materials for the training so that they can perform their jobs. To answer Council Member Cardenas's query, he said that all the Fire departments in the County came together to form a program to help prevent suicides, stress, and ensure the wellness of first responders. We have two individuals who are trained in this in our department. Item 5 was an invoice for a psychologist's services for the department on public safety. As part f item 5, Shirley stated she hoped CalPERS savings plan would go through as everyone should support the City.

Ms. Sweeney, Item 6: She stated that she received information she would like to add to the report. It is an interesting report on how a grant will come into the City. The grant comes into the City and the City loans it to the Developer. In this case, the Developer is Escalante Meadows. The Development then pays back the City on a 55-year term with any profits that may be gotten by that Development. However, this type of development does not usually make much extra profit. There are options on what you can do at the end of 55 years if it is not all paid back: 1. Extend it or 2. Forgive it. When the money does come back to the City, there are no strings attached as to what it can be used for. She added that to make the application stronger, we will show that we implemented our grants in the past to the fullest advantage and properly designated the

spending. She came up with a list of grants to add that illustrate this statement and asked for additional information that anyone else may think of that she could add. Each grant listing makes the application stronger.

Ms. Boydston, on item 8. She stated that she was not pleased to find so many problems at LeRoy Park which have run up the costs adding to the costs and depleating the funds. She commented that the playground equipment from LeRoy Park was in the Cities' equipment yard, not at O'Connell Park. She was told it was temporary until they could prepare the ground for it to be installed.

Ms. Sweeney stated that the Transit Plan is not 100% final. They are working on a 16 million-dollar grant for Escalante Meadows. Our application will be stronger if we include 25% for active related transit. She felt elements could be included and worded better to make the application stronger. The grant wants to lower greenhouse gas i.e., electrified busses, etc. Electrified busses don't have to be in operation before 2026. But we have two busses needing to be replaced and we could electrify them by 2024 and that would be great. She'd like to make small changes to the grant to make it stronger and achieve our goals. Bicycle paths and bicycle racks should be included with always the caveat "if funds are available". She plans to bring to the City a suite of projects and a prioritization of them if we are awarded the grant. She listed former projects we haven't been able to achieve in the past. This would mean real improvement in the City. She plans to bring back the projects in February for Council consideration.

Item 9, Shirley stated she felt they should keep plan C with limited Sunday Service. She wanted Uber or taxi service to be from a local businessman or woman, or not at all.

Ms. Sweeney stated that the plan she favors is the deviated service with fixed -route limited Sunday service. It costs more but the \$4 million grant, if we get it, will pay for the first two years. She also pointed out that electric busses cost tens of thousands of dollars less to run them than other fueled transportation. With this grant opportunity, we may be able to afford the deviated service.

Ms. Shirley Boydston recognized Mr. Jim Talbot, of Smooth Bus Service, who recently passed on. He was a good friend of Guadalupe and served us in transportation matters well. Mayor Julian stated he was an interesting gentleman and treated everybody with respect.

Motion made by Council Member Cardenas and 2nd by Council Member Rubalcaba to approve items pulled 2, 5, 6, 8 and 9 of the Consent Calendar. 4/0 passed.

<u>CITY ADMINISTRATOR REPORT</u>: (Information Only)

Due to Covid-19, we will not be having our Christmas Parade this year. Administrator Bodem wished everyone a Happy and safe Thanksgiving Holiday.

DIRECTOR OF PUBLIC SAFETY REPORT: (Information Only)

Chief Cash announced that one of the Radio stations had a great story about how Guadalupe citizens were adhering to the safety precautions of Covid-19 while other places were not as observing as they should be. There was a video of our police and some leading citizen's pushing outsiders who were coming into our parks to leave. We are closed to groups congregating as all the other Cities are. He would like the Council and other groups, such as Kiwanis's, business groups and citizens to have a Christmas Caravan. He'd like it to be a partnership of the City and businesses, not just the Public Safety aspect. He hopes they consider it.

The department had 220 packages of turkey and all the fixings donated and handed out with toys to people which came as a pleasant surprise to him. He did not know it was going to happen. Shirley asked about our candy give-away; it's still on the table but must be worked out with The County Public Health Department.

He addressed the house on 11th street that has been a problem. The gentleman has recently gone to jail. The property is being secured and blight problems have been addressed and a fence around it put up. Problem has been on-going for 10 years.

Attorney Sinco spoke explain that the property is in receivership and the City might be able to tap into the equity and all expenses returned to the City. The problem abated at no cost to the City.

Chief Cash extended a City-wide invitation to be a part of the Christmas Caravan as it will go into every part of the City. All will be a part of it keep the spirit alive. December 14th, 11 AM until dusk. For safety, it is being done in the daylight hours and Norma, in the Police Department, is in charge of it.

REGULAR BUSINESS

11. Employment Agreement with Director of Public Safety, Michael Cash.

Written Report: Emiko Gerber, Human Resources Manager

Recommendation: That the City Council approve and authorize Mayor Julian to execute

a new Employment Agreement with Director of Public Safety Michael Cash.

Ms. Gerber announced that an agreement had been entered for the ongoing employment of our Public Safety Director. His previous agreement for two years expired on October 2020 and he was working under a temporary month to month agreement until this contract was signed calling for a three-year contract with a salary increase resulting in a base salary of \$136,633.00 in year 2022. We cannot compete in salaries as other bigger or neighborly Cities can, but we do have to compensate best we can. His agreement and other staff positions have been market researched in order to bring their salaries and compensations up to a fair market value for our size and economic considerations.

Attorney Sinco stated that legally, the public needs to be formed of the terms and conditions, so the Mayor read the agreement out loud.

Motion made by Council Member Rubalcaba and 2nd by Council Member Ramirez to approve and authorize Mayor Julian to execute the agreement with Chief Cash. 4/0 passed.

12. Options for AB 1234 Ethics Training.

Written Report:

Philip F. Sinco, City Attorney

Recommendation:

That the City Council accept this report for information and provide

direction to staff.

Attorney Sinco stated that elected and appointed officials must receive training for 2 hours in ethics every two years. Though staff may join in, it is not mandated that they have the training. Since we just had an election, most, maybe all, need to take the training again. This can be accomplished by 3 options: 1. Training on the Theoretical Practices website for free, 2. Live training, interactive, has cost. 3. Hybrid option: online with a short session going over the highlights. Approximately 30-40 minutes live with opportunity to converse after. Some cost and more time for officials. While online is the cheapest while being a good choice, online training is not as effective as a give and take, question and answer session in person would be. Ms. Boydston asked if it would be possible for the new Council Members to join Santa Maria training session. It will be looked into. Council Member Rubalcaba mentioned the fact that money is a concern but not as much as being sure we don't become liable to a law suit due to officials of the City not understanding the code of ethics. Attorney Sinco offered his unlimited account for use as a live online training devise.

Council chose #3, the hybrid option.

13. City Clerk Vacancy.

Written Report:

Todd Bodem, City Administrator

Recommendation:

That the City Council provide direction concerning efforts to recruit

candidates for and appointment to vacant City Clerk office.

Administrator Bodem stated that since no one ran for City Clerk and the recent clerk, Ms. Raguz, did not run, the Council needs to consider ways to procure a new clerk. Since it is an elected position they could have a new election, but no one ran the first time, so no guarantee that someone would the second time. Elections are expensive, especially for one office. 2. Find a person who had interest and appoint them. It will be posted on the website.

FUTURE AGENDA ITEMS

- Recognition of Council Member Rubalcaba and City Clerk Raguz, both leaving-December 8th Council Meeting.
- 2. Next meeting -vision from council members of where they would like to see the City go and where they want to start. Retiring Council member give a synopsis of her experiences and what she feels got accomplished during her terms.

REPORT TO THE CITY COUNCIL OF THE CITY OF GUADALUP Agenda of December 8, 2020

Prepared by:

Todd Bodem, City Administrator

SUBJECT: Implementation of Local Transaction and use Tax (Measure N) with the State Board of

Equalization

RECOMMENDATION:

Adopt Resolution No. 2020-95 authorizing the Mayor to execute a "Preparatory Agreement" and an "Administrative Agreement" with the State Board of Equalization to implement the City's new Local Transactions and Use Tax (Measure N).

BACKGROUND/DISCUSSION:

On November 3, 2020, the voters of Guadalupe approved Measure N, the 1-cent sales tax increment. Legally, this sales tax increment is called a "Local Transactions and Use Tax." To implement this tax, the City must enter into two separate agreements with the State Board of Equalization (BOE) — a "Preparatory Agreement" and an on-going "Administrative Agreement." The attached resolution authorizes the Mayor to sign these agreements.

It should be noted that the "Preparatory Agreement" carries a one-time financial commitment by the City to reimburse these costs, or the BOE will not implement the tax. By state law, these costs cannot exceed \$175,000. That amount is referenced in the agreement. (The agreement comes from the BOE and cannot be amended by the City).

The BOE does not know what those costs for Guadalupe will be at this time date and will provide no firm estimate. Costs are a function of the size of the city and the number of notifications to businesses which must take place. The smaller the city, the fewer the notifications, the lower the cost to each city. The range of costs over the last three years has been a low of \$16,000 to implement a local transaction and use tax in Eureka and a high of \$137,000 to implement in Los Angeles. The City's costs should be on the low end not the high end, but the BOE will make no commitment or estimate in advance.

FISCAL IMPACT:

Anticipated on-going Sales Tax revenue to the General Fun of approximately \$600,000 per year. One-time BOE preparatory costs to the General Fund to be determined.

REPORT TO THE CITY COUNCIL OF THE CITY OF GUADALUPE Agenda of December 8, 2020

Prepared by:

Todd Bodem, City Administrator

SUBJECT: Agreement for Transaction Tax Audit & Information Services with Hinderliter, de

Llamas and Associates related to Measure N

RECOMMENDATION:

That the City Council adopt Resolution 2020-96 to authorize the City of Guadalupe to enter into an agreement for Transaction Tax Audit and Information Services with Hinderliter, de Llamas and Associates (HdL) related to the new Local Transactions and Use Tax (Measure N).

BACKGROUND/DISCUSSION:

The City has an existing Transaction Tax Audit and Information Services agreement with Hinderliter, de Llamas and Associates (HdL) related to the local transaction transactions and use tax voters approved in 2014 (Measure X) which imposed a quarter cent tax on taxable sales in the City. HdL receives sales tax reports from the State on a quarterly basis and forwards that information to the City in summary form.

Legally, Measure N passed by the Guadalupe voters on November 3, 2020, which increased the sales tax increment from a quarter cent to a full cent, is a new local transactions and use tax. Therefore, a new Transactions Tax Audit and Information Services agreement with HdL must be entered into with respect to Measure N. Since the City's local transactions and use tax" is a separate tax from the state sales tax, the State Board of Equalization reports it separately, and HdL must be given authorization by the City to examine those separate tax records. HdL is proposing a separate fee with the City of Guadalupe of \$200 per quarter to process and report Measure N revenue.

Since Measure N is a separate tax, statewide experience shows that local businesses, particularly smaller ones, often fail to collect the tax despite notification by the State Board of Equalization. Thus, an audit and recovery process, particularly at the beginning of implementation, is necessary to insure local compliance. HdL proposes to provide that service based on a finder's fee of 25% of any initial recovery (one quarter's worth of tax) from businesses they discover are not paying the tax. Having HdL to audit and recovery will sure the City receives all the tax increment it is due.

FISCAL IMPACT:

\$200 per quarter for normal reporting. Finder's fee of 25% for any taxes initially recovered from businesses who are not paying the tax. (First quarter of receipt only. No finder's fee for receipts after that).

Re: Measure N Transactions and Use Tax

Dear Lorena:

Congratulations on the successful passage of Measure N. The California Department of Tax and Fee Administration (CDTFA) will begin collecting the new tax on April 1, 2021 and you will receive your first advance at the end of June, 2021. The first full quarter's data will not be available until September, 2021.

Your ordinance and agreement with the CDTFA should be received by the Department no later than January 4, 2021. Judy Wong at (916) 309-5868 will help you with the paperwork if you have not already contacted her. It should be processed as soon as possible.

We suggest that you also have the City Council adopt the attached resolution and audit/information agreement. The state considers the transactions tax to be a separate data base from the Bradley-Burns tax and requires a separate resolution and agreement.

There is a \$200/month charge for the transaction district tax reports that we include with our quarterly sales tax analyses. However, because the majority of the submittals for a transactions tax involve non-payment rather than a misallocation, our audit fee is a flat 25% of the initial recovery but no prospective payments. The different fee structure reflects that we have no enforcement authority and are therefore limited in the amount of follow up once we have done the initial research and brought a problem to the CDTFA's attention.

In March, the CDTFA will send a letter to each taxpayer in the region informing them of the new requirement. They will also send out press releases to the media and include an article in their quarterly Tax Information Bulletin which is received by most accountants and tax professionals. It would not hurt to also include a notice in your utility billings to business and City and chamber of commerce newsletters.

Unlike sales tax where we wait a quarter to see if the state finds an error on their own, we begin examining and correcting the transactions tax allocations immediately. The number of districts has more than doubled in the last four years and the increase has both strained the CDTFA

capacity to properly audit these revenues and local businesses ability to keep up with which district taxes to collect. Over 90% of the transactions tax cases that we submit to the CDTFA are cases where the tax is simply not being collected.

Assuming that the resolution is in place so that the CDTFA forwards the data to us, we would begin a business by business analysis with the first download in September, as well as, review all related "use tax" data bases to ensure that both sales and out of state purchases are being properly taxed and collected. Our experience is that the sooner we audit, the sooner the agency gets to full compliance.

Lorena once again, congratulations on a successful campaign. Give me a call if you have any questions or need additional information.

Sincerely,

Andrew Nickerson

President
