Aroclamation

CITY OF GUADALUPE RECOGNIZING JUNE 2019, AS LESBIAN, GAY BISEXUAL AND TRANSGENDER PRIDE MONTH

WHEREAS, the City of Guadalupe is the home to people of all backgrounds, including those who are lesbian, gay, bisexual and transgender; and

WHEREAS, while our city, state, and nation have come a long way in our journey toward dignity, understanding, and mutual respect for all, we still have a long way to go in eradicating the prejudice and discrimination that lesbian, gay, bisexual and transgender people, and others face; and

WHEREAS, hate speech continues to denounce lesbian, gay, bisexual, and transgender people and other members of the community; and

WHEREAS, the City of Guadalupe has been instrumental in informing the public and promoting these protections; and

WHEREAS, during the month of June, throughout the nation, numerous organizations, governments, and others, recognize the rights of gay, lesbian, bisexual and transgender persons during Pride celebrations; and

WHEREAS, each year in June marks the anniversary of the Stonewall Rebellion that gave birth to the modern movement to advance the rights of LGBTQIA persons, and those committed to justice and equality celebrate during the month of June the notable achievements and outstanding service that lesbian, gay bisexual and transgender Americans make to our city, state and nations.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Guadalupe proclaims June 2019, as Lesbian, Gay, Bisexual and Transgender Pride Month, and encourages all people of the City of Guadalupe to advance the cause of equality for all lesbian, gay bisexual and transgender persons.

BE IT FURTHER RESOLVED, that each of us work towards achieving a safe community that appreciates its diversity in all its forms for generations to come.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Guadalupe to be affixed hereto on this 11th day of June 2019.

Ariston	Julian,	Mayor

Proclamation

EXPRESSING RECOGNITION AND APPRECIATION TO BINDO STASI GRASSO

WHEREAS, Young men and women from the United States have always stepped forward to serve their country's armed forces during times of crises, as well as during peacetime; and

WHEREAS, Guadalupe resident Bindo Grasso, a member of the "Greatest Generation" and a paratrooper with the 101st Airborne Division, parachuted behind enemy lines into German-controlled France, at the height of WWII, the night before D-Day in 1944; and

WHEREAS, Mr. Grasso, apparently the last living Pathfinder, set up beacons to guide the troops that would follow on the D-Day invasion; and

WHEREAS, Mr. Grasso was also involved in Bastogne, Belgium during the Battle of the Bulge; and

NOW, THEREFORE, BE IT RESOLVED, by virtue of the authority vested in me as Mayor and on behalf of the City Council of the City of Guadalupe, I, Ariston Julian, take this opportunity to express genuine and sincere appreciation and recognition to:

BINDO STASI GRASSO

For providing an excellent example to younger generations of his dedication, patriotism, and valued contribution while serving our country.

IN WITNESS WHEREOF, I hereunto set my hand and caused the Seal of the City of Guadalupe to be affixed on this 11th day of June 2019.

Ariston Julian, Mayor

AGENDA ITEM NO. 1

REPORT TO THE CITY COUNCIL Council Agenda of June 11, 2019

Prepared by

City Administrator

Finance Director

SUBJECT:

Payment of warrants for the period ending June 06, 2019 to be approved for payment by the City Council. Subject to having been certified as being in conformity with the budget by the Finance Department staff.

RECOMMENDATION:

That the City Council review and approve the listing of hand checks and warrants to be paid on June 12, 2019

BACKGROUND: Submittal of the listing of warrants issued by the City to vendors for the period and explanations for disbursement of these warrants. An exception, such as an emergency hand check may be required to be issued and paid prior to submittal of the warrant listing, however, this warrant will be identified as "Ratify" on the warrant listing.

AGENDA REVIEW

CEREMONIAL CALENDAR

Guadalupe Leo Ambassadors Recognition

Mayor Julian presented the proclamation for the Leos to Dr. Sandra Bravo, who is the Director and leader of the Leo Ambassadors. Their mission is to serve the 3,000 under age youths in Guadalupe and their focus is to promote education and good citizenship.

As their names were called, the individual members came forth and stood behind the Council for photos in commemoration.

Councilmember Cardenas spoke in Spanish the recognition afforded to the Leos. Leos is a leadership program and the future.

COMMUNITY PARTICIPATION FORUM

Queen Candidate Alejandra Ramos spoke reminding the community that the candidacy is winding down but there are a few events remaining and urged they continue to support the events as the money goes to the youth of Guadalupe. A BBQ is scheduled for May 18th and 25th at the Senior Center 11 am-2 Pm. There is a reverse drawing on the 25th.

Ms., Anna Marie Michaud spoke questioning why they could sell from 28th of June until July 4th. She felt if the fireworks were in their hands, they would shoot them off. It was answered that there are fines for lighting the fireworks out of the time window. Goal is to eliminate illegal fireworks.

CONSENT CALENDAR

The following items are presented for City Council approval without discussion as a single agenda items in order to expedite the meeting. Should a Council Member wish to discuss or disapprove an item, it must be dropped from the blanket motion of approval and considered as a separate item.

Recommendation of City Staff to waive the reading in full of all Ordinances and Resolutions. Ordinances on the Consent Calendar will be adopted by the same vote cast as the first meeting, unless City Council indicates otherwise.

- Payment of Warrants for the period ending <u>May 9, 2019</u> to be approved for payment by the City Council.
- 2. Minutes of the City Council Regular Meeting of April 23, 2019 to be ordered filed.
- 3. Second Reading of Ordinance No. 2019-477 prohibiting illegal fireworks within the City of Guadalupe the use of "Safe and Sane" Fireworks to the Fourth of July.
- 4. No Parking Zone on a portion of 751 Guadalupe Street.
 Recommendation: Council adopt Resolution No. 2019-26 establishing a no parking on a portion of 751 Guadalupe Street.
- 5. Pavement Management System Update.

<u>Recommendations</u>: Council adopt Resolution No. 2019-27 to authorize the Mayor to sign on behalf of the City to enter into an agreement with Pavement Engineering Inc. (PEI) to update the City of Guadalupe's Pavement Management System.

Attorney Sinco pulled No. 3, fireworks ordinance for minor error corrections. No need to revote for the first reading. It stands.

Motion made by Councilwoman Rubalcaba and 2nd by Councilman Ramirez to approve the remainder of the Consent Calendar. 4/0 passed.

6. MONTHLY REPORTS FROM DEPARTMENT HEADS

- a. Planning Department Report for April 2019
- b. Building Department Report for April 2019
- c. City Engineer's Report for April 2019

Councilwoman Cardenas pulled 6-a. requesting a time table for the release of the General Plan.

Administrator Perrault answered that the General Plan is on the Agenda for the 28th of this month. The General Plan will be in his office for review on the week before it is on the Agenda the 28th. It will be a draft for review and recommended for general acceptance. With the general acceptance, we can begin the process for the environmental review. That process probably will take six months. At that time, the draft, environmental and general plan will be returned to the Council for final review and acceptance. You'll see the General Plan in two weeks.

Councilwoman Cardenas pulled 6-c, at receiving notice of violations from the Quality Control Board.

Administrator Perrault stated that was related to our stone water program and he is asking Mr. Kahn to speak on the subject.

Mr. Kahn -we have acquired a form to keep our records and been updating regularly our maintenance. We've also acquired a map of our drainage system record where we have checked and maintained. We are already in accordance with the violation and rules to follow to stay in accordance.

Motion made by Councilwoman Cardenas and $2^{\rm nd}$ by Councilwoman Rubalcaba to approve 6-a and c of the Consent Calendar. 4/0 passed.

INTERIM CITY ADMINISTRATOR REPORT: (Information Only)

PRESENTATION

Squire Foundation – Guadalupe Sculpture Park Proposal.

Presentation:

Jana Brody, Squire Foundation

<u>Recommendation</u>: Council receive, review the proposal from Squire Foundation and provide direction to staff.

Ms. Jana Brody, representative of the State Foundation of Santa Barbara, stated that the foundation has a very strong mission for public outreach and wants to present to communities of the County art to enrich the understanding and enjoyment to as many as possible. She listed many projects that have been installed in surrounding communities. She is pleased to reach out to Guadalupe for creating the possibilities of education in the arts and pleasure for the 3,000 youth and the adults of the City. She informed the City that as part of the five-year loan, the Foundation will maintain and care for the art's preservation while in our City.

The Mayor, on behalf of the City, accepted the proposal and appointed Ms. Joice Raguz, who volunteered, to chair the committee.

Councilwoman Cardenas asked about the cleaning of the sculptures as she was concerned about our fog and possible tagging. She was answered that the sculptures had never been tagged, but if they were, they would be taken care of. Same with the fog.

School sites and parks are proper places as well as public buildings. Mayor Julian thanked Ms. Brody for this opportunity. Time frame was the end of summer for completion. She envisions some sort of ceremony to introduce to the community. Morris Wyler was the initiator for the sculptural.

Ms. Shirley Boydston felt one side was the east side of the historical jail. It might deter cocktail parties clandestinely held there.

No motion was needed: he suggested after the selections by the committee, bring back to the Council.

REGULAR BUSINESS

8. Request for Council direction to develop a partnership structure for the operation, maintenance, and long-term sustainability of the rehabilitated LeRoy Park & Community Center.

Written report: Jack Boyce, RCDCC/CivicSparks Climate Fellow

<u>Recommendation</u>: Council provide direction to the Rural Community Development Corporation of California (RCDCC) and City Staff to proceed in developing a partnership with a non-profit to operate and maintain LeRoy Park and Community Center.

Mr. Jack Boyce stated that they been meeting with the Stakeholder's Group of LeRoy Park. At the last meeting they had a guest Speaker from Santa Barbara Foundation who helped to decide what the primary goals would be. Everyone on the same page is absolutely essential. They decided that a public-private partnership was the best way to go. They have a non-profit 501c3 and are seeking direction from the Council to proceed and develop the framework of an MOU. It was discussed at the meeting that the Boy's and Girl's Club would be a good choice. We would like feedback of the public-private situation before proceeding. It could act to receive money from non-profit grants as well as money from the private sector.

The question was asked if the park would be operated seven days a week, dawn to dusk. It was felt that there was no need for the City to get involved in the running of the park: the non-profit could run it more effectively but it would still be the City's property. That is the framework of it; a non-profit that has the facility to oversee it. The legal aspect should be done by the City, possibly an MOU. The MOU should spell out what each entity is responsible for: City is responsible for these actions and the nonprofits those.

Mr. Brandeberry stated that all the groups would work together to create the MOU, which would be the guiding bylaws of the park but ultimately the Council has final approval.

Councilwoman Rubalcaba asked about an item for clarification: she wanted assurance that the Council did have final review and authority over what is decided. She asked what the monthly rent Boy's and Girl's Club paid and was told \$300 per month. Since their rent was low, she wanted to know what they could do for the City in turn. Hopefully, a Recreational Director would be on board by then. She wanted the rentals to come through the City so they could be informed currently of what was taking place.

Mayor Julian said that the Vietnam Vets were doing a similar duty now at the Senior Center, running it, collecting the rentals and other fees and reporting and dispensing funds back to the City. He felt there was no way that the City could operate LeRoy Park. They will work together to define the best working solution to how it's to work for all. It is logical that the Boy's and Girl's Club be the managers of the park.

Councilwoman Cardenas asked if any portion of the net from LeRoy Park funds goes back to CDBG. Answer was no.

Councilwoman Rubalcaba asked if there could a percentage of funds come back to the City for City operational use. Mr. Brandeberry answered that the funds were CDBG and after all costs had been met (that included putting money aside for future maintenance and upgrading), the net is program money and must go to the City and they have to spend it on future CDBG projects.

Mr. Brandeberry illustrated by listing some projects and stated that CDBG had about 90 different projects approved by the State where funds could be spent. He also stated that there was a five-year agreement with CDBG that the agreement on the Park cannot change from what it is now.

None of the funds can go into the General Fund; it is program income. An incentive to the non-profit operating the Park should share in the net money with the City, bearing in mind each still has to use it for CDBG programs. A coalition of City and Non-profit is the best solution to the State being assured fuds are spent right and through the Recreation Director, the City is assured that the Park is correctly run and maintained.

Mr. Brandeberry also recommended that the non-profit should come before the Council to report on their earnings.

Administrator Perrault, in answer to Councilman Ramirez, stated that one of their items on Council's list is recreational programing and development of the commission is top of the list. Council will began implementing that. Staff is taking it as specific direction to begin that process.

Mr. Brandeberry stated that one way to immediately get a recreation committee was the Stockholder's group. They are all heavily involved with Guadalupe and would be very knowledgeable and effective in that position.

9. Goal Setting for Fiscal Year 20/21 and 21/22.

Written report: Robert Perrault, Interim City Administrator

Recommendation: Council review the Proposed Goals for FY 20/21 and FY 21/22, make changes as necessary and adopt the Goals by motion.

Administrator Perrault stated that they had gone over goals for the next two years. Council has identified a number of goals with two being of high priority. Direction to staff was to bring back to them as they are in draft form and need to have formal approval. He organized them with four over-arching goals:

- 1. Improve the City's Financial Stability.
- 2. Re-establish Parks and Recreation as a City priority.
- 3. Revitalize Downtown
- 4. Develop Partnership with other Agencies

The following two goals are deemed a "high priority" by the Council for the City to address in FY 2019-20 / 21-22 (resources permitting)

- 1. Continue Focus on Improving City Facilities and Infrastructure
- 2. Initiate Public Safety Restructuring Dependent on Sustainability

He recommends adopting them for the planning cycle of the next two years. Along with the financial report, these will be brought back to you so you can see what progress is being made.

Administrator Perrault stated that monitoring was not something they could do unless recording on an ongoing basis. He suggested that they change the wording to assisting in establishing programs. When he drafted the rules and regulations for business, he had code enforcement in mind. Co-compliance might be an appropriate addition.

Councilwoman Cardenas was concerned with the current software programs and our ability to reach goals unless we update them. He agreed that is a part to be considered in the budget.

Supervisor Kahn commented that it would also help if staff had access to fiscal software so they could do their own budgets. Mr. Perrault agreed that department heads should be getting monthly reports so they can balance and control their budgets.

Motion made by Council Ramirez and 2nd by Councilwoman Cardenas to adopt the goals slate as amended. For the next two years. Passed.

Mayor's request to consider moving Mayor Pro Tem Gina Rubalcaba as Primary and Mayor 10. Julian as Alternate to the Santa Barbara County Association of Governments (SBCAG) and the Santa Barbara Air Pollution Control District.

Verbal report:

Robert Perrault, Interim City Administrator

Recommendation:

Council appoints Mayor Pro Tem Gina Rubalcaba as Primary and Mayor Ariston Julian as Alternate to the Santa Barbara County Associations of Government

(SBCAG) and Santa Barbara Air Pollution Control District (APCD).

Mayor Julian stated that due to conflicts with various meetings he and Councilwoman Rubalcaba attend, he recommends that Mayor Pro Tem Rubalcaba be primary for CDBG meetings and he would be the alternate. They meet once every quarter. He would like this line-up for the Air Pollution Control as well.

Motion made by Councilman Ramirez and 2nd by Councilwoman Rubalcaba to make the two changes in primary and alternate for Air Pollution and CDBG meetings. 4/0 passed.

FUTURE AGENDA ITEMS

- 1. Oso Flaco: representation at June meeting
- 2. Census presentation on the May 28th.
- 3. Noise abatement at any time of day and night curfews of party noise.

Administrator Perrault stated that the fireworks ordinance contains a noise disturbance clause as well. It is sufficient to control the noise problem if enforced. It takes effect in 30 days. Two other things were mentioned, renting out your back yard for parties and portable toilets in single family backyards. Both are not allowed.

ANNOUNCEMENTS - COUNCIL ACTIVITY/COMMITTEE REPORTS

CCWA-- water treatment plant was fined, but has been brought back to compliance. Rubalcaba will attend next meeting.

Ramirez brought up for clarification—Boy's and Girl's Club—perhaps attend meetings for assurance of stability. Mr. Perrault stated that the Council should make sure that the Advisory Board notified the Council of their meetings.

Mayor Julian announced a \$150,000 grant we share with Santa Maria for obtaining trees for our park was granted. We will buy 200 trees from the grant to plant. Probably start planting in September.

Part of the Air Pollution Control is the monitoring of commercial trucks, especially caravan trucks. They are usually transporting H2A workers and are not always maintained in the best of conditions. There are 200 of them in Santa Barbara County. They accommodate 50 passengers and relieve 20 passenger cars off the road.

Attorney Sinco announced that the appeal decision on the Olivera Apartments came down this afternoon and the City won. Court reversed and threw out all the fines. Awarded costs but not attorney fees. Attorney Molly Thurmon worked very hard for us and the City wants to thank her as it was a huge win for us.

REPORT TO THE GUADALUPE CITY COUNCIL June 11, 2019

Prepared by:

Larry Appel, Contract Planning Director

Approved by:

Robert Perrault, Interim City Administrator

SUBJECT:

SECOND READING OF ORDINANCE NO. 2018-478 TO CONSIDER AMENDMENTS TO TITLE 12, OF THE GUADALUPE MUNICIPAL CODE (ZONING ORDINANCE) AS FOLLOWS: AMENDING CHAPTERS 18.08 (DEFINITIONS) AND 18.60 (OFF-STREET PARKING AND LOADING)

EXECUTIVE SUMMARY:

Each section of the amended zoning ordinance were presented to the City Council on May 28th. This was a first reading of the ordinance. After comments from the public and deliberation among the Council, a motion was made to introduce the ordinance on a first reading and continue this item to June 11th for second reading.

RECOMMENDATION:

It is recommended that the City Council:

1) Conduct the second reading and adopt Ordinance No. 2019-478 amending Chapter 18.08 and Chapter 18.60.

FISCAL IMPACT:

None.

BACKGROUND:

Ordinance 2019-478 was introduced on a first reading at the May 28, 2019 City Council meeting. Following City procedures, the second reading is being considered on June 11, 2019 which will allow these provisions to go into effect on July 11, 2019.

ENVIRONMENTAL REVIEW:

This ordinance has been reviewed for compliance with the California Environmental Quality Act (CEQA), and the CEQA Guidelines, and has been found to be exempt pursuant to Section 15306 of the CEQA Guidelines (information collection) because it does not have the potential to create a physical environmental effect.

ATTACHMENT:

1. Ordinance No. 2019-478

ORDINANCE NO. 2019-478

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF GUADALUPE, CALIFORNIA, AMENDING CHAPTERS 18.08 (DEFINITIONS) AND 18.60 (OFF-STREET PARKING AND LOADING) OF TITLE 18 OF THE GUADALUPE MUNICIPAL CODE

The City Council of the City of Guadalupe, State of California, does ordain as follows:

WHEREAS, the State Planning and Zoning Law authorizes the legislative body of a city or county to regulate, among other things, the General Plan and implementation of the Plan through the administration of the zoning ordinance among other documents (Government Code Sec. 65103 (b)); and

WHEREAS, the City Council recognizes that the City's zoning ordinance was adopted in February 1980, over 39 years ago, and that except for several amendments and additions over the past few years, many sections of the ordinance are outdated, internally inconsistent, and do not reflect mandatory State regulations that have been enacted over the years; and

WHEREAS, staff is systematically reviewing and amending the zoning ordinance to ensure that the final version reflects the desire of City Council to provide the most accurate document to describe and regulate development within the City; and

WHEREAS, public notice pursuant to Government Code section 65090 was given on May 17, 2019.

NOW, THEREFORE, IT IS HEREBY ORDAINED BY THE CITY COUNCIL OF THE CITY OF GUADALUPE

Any structure or device forming a physical barrier which is constructed of wood, masonry, precast, cast-in-place, brick, cement block or similar materials, as approved by the City where fifty (50) percent or more of the vertical surface is closed and prevents the passage of light, air and vision through the surface in a horizontal plane; provided, however, that where a wall is required as a condition of the improvement of land pursuant to this title, the same shall consist of solid masonry, as approved by the City Council, except that upon a finding of special conditions unique to the property, the City Council may allow such a fence to consist of other material or design.

18.08.670 Yard.

Any open space other than a court on the same lot with a building or a dwelling group, which space is clear of structures and thus open from ground to sky, except for the projections and/or accessory buildings permitted as set forth and specified in this title.

18.08.675 Yard, front.

A space extending the full width of the lot, between the front lot line or the street and a line parallel thereto at a distance equal to the depth of the required front yard for the zone in which the lot is located.

18.08.680 Yard, rear.

A space extending the full width of the lot, between the rear lot line and a line parallel thereto at a distance equal to the depth of the required yard for the zone in which the lot is located.

18.08.685 Yard, side.

A space extending from the front yard to the rear yard, between the side lot line and a line parallel thereto at a distance equal to the depth of the required side yard for the zone in which the lot is located.

18.08.690 Zoning district.

A portion of the City within which certain uses of land and buildings are permitted or prohibited, and within which certain yards and other open spaces are required and certain height limits are established for buildings, all as set forth and specified in this title.

SECTION 2. Chapter 18.60 of Title 18 of the Guadalupe Municipal Code regarding Off-Street Parking and Loading is hereby amended to read as follows:

Chapter 18.60 OFF-STREET PARKING AND LOADING

Article I. Off-Street Parking

18.60.010 Applicability.

The provisions of this chapter apply within all zoning districts and to all uses and structures within the City. At the time of the erection of any building and/or structure listed in this chapter or at the time any such building and/or structure that requires additional parking spaces is constructed or intensified in use, enlarged or increased in capacity, the minimum off-street parking spaces set forth in Section 18.60.050, with provisions for adequate and usable ingress and egress, shall thereafter be maintained in connection with such building and/or structure and use of land.

18.60.020 Units of Measurement.

- A. Fractional Remainders. When the unit of measurement determining the number of required parking spaces results in the requirement of a fractional space, any fraction of 0.5 spaces or more is considered as a whole space and any fraction of 0.4 or less is dropped as a whole space.
- B. Seating Capacity. When the unit of measurement determining the number of required parking spaces is based upon the seating capacity of a structure or use, each twenty-four inches of pew, bench or other seating shall count as one seat.
- C. Gross Floor Area. When the unit of measurement determining the number of required parking spaces is based upon gross floor area, such area shall be calculated as prescribed in Section 18.60.050.
- D. Employees. When the unit of measurement determining the number of required parking spaces is based on the number of employees, the maximum shift or employment period during which the greatest number of employees are present at the structure or use shall be used in the computation.

18.60.30 Construction specifications and access standards.

Off-street parking facilities shall meet the following standards:

- A. Every off-street parking space shall be accessible by a driveway from a public street or alley.
- B. Each parking space shall be not less than 19 feet in length and 9.0 feet in width or as otherwise noted in Section 18.070.
- C. Where three or more parking spaces are provided in one area, driveways shall be designed to allow forward movement of a vehicle between the street and the parking spaces.
- D. Driveways shall have a clear width of not less than 10 feet, and a paved width of not less than 8 feet.
- E. Driveways providing for two lanes of vehicular traffic in opposite directions shall have a width of not less than 20 feet.

- F. Off-street parking areas shall be designed to permit the operator of a vehicle to maneuver from one aisle of the off-street parking area to another aisle without driving upon any portion of a public street.
- G. Entrances and exits shall be provided at locations approved by the City Engineer.
- H. If the parking area is illuminated, lighting shall be deflected away from abutting streets and residential sites so as to prevent dangerous or annoying glare.
- I. A required off-street parking space shall not be located in the required front yard setback, or in a required side yard adjoining a street.
- J. All driveways and parking areas shall be surfaced so as to provide a durable and dustless surface, and shall be graded and drained to dispose of all surface water accumulated within the area, and shall be arranged and marked to provide for orderly and safe parking and movement of vehicles. Drainage of driveways and parking areas shall comply with current National Pollution Discharge Elimination System (NPDES) and Regional Water Quality Control Board standards for stormwater runoff including Low Impact Development (LID) standards.

18.60.040 Residential zones—parking in front and side yard setbacks.

- A. "Vehicles," as used in this chapter, include recreational vehicles; boats, whether on or off trailers; trailers; and any other similar vehicles whether operable or inoperable.
- B. Parking a vehicle or vehicles on any unpaved portion of a front yard or side yard setback is prohibited. Such parking is also prohibited on any unpaved portion of a street side yard setback of corner lots. Notwithstanding the foregoing prohibition, a vehicle may be parked on an unpaved portion of a front or street side yard setback for a period not exceeding one hour while actively being washed.
- C. Vehicle parking may be allowed on a paved portion of a side yard setback (or street side yard setback of corner lots) with a Zoning Clearance. Suitable paved surfaces include solid asphalt or concrete, concrete or brick pavers, or a concrete lattice supported surface such as grasscrete.
- D. After the effective date of the ordinance adopting this section, any additional paving of the front yard setback or side yard setback (or street side yard setback of corner lots) shall require the approval of a Zoning Clearance.
- E. In considering an application for a Zoning Clearance, the City shall consider the aesthetic impact as well as the potential for interference with access to structures for emergency vehicles and personnel from vehicles or other obstructions to be placed on such paving. Only one side yard area shall be occupied by vehicle parking. That side yard area shall be located adjacent to an existing driveway. A minimum 5-foot wide side yard access to the rear yard shall be maintained in perpetuity. In no case shall additional paving reduce the total area of landscaping within the front yard (or street side yard setback of corner lots) to less than 33% of the pertinent yard setback area.

18.60.050 Off-street parking spaces required.

A. Residential.

- 1. Dwelling, single-family:
 - a. New construction of single-family residential dwellings shall provide two off-street parking spaces within a garage or carport, and where pre-engineered, uniform carport and garage designs are approved through a Design Review permit. Off-street parking spaces within a garage or carport shall be a minimum of nine and one-half feet by nineteen feet; except that single-car garages and carports with side walls shall be eleven feet by nineteen feet. These spaces shall be free and clear of any appliances, cabinets, structures or material which could make the space unusable for the parking of automobiles.
 - b. Single-family residential units which existed or were under construction prior to approval of this ordinance amendment and where additional living area is added after adoption of this ordinance amendment shall provide two off-street parking spaces, one of which must be within

a garage or carport and one of which must be on a flat, paved pad accessible directly from the driveway or the public way and located outside the front yard setback. The requirement of this paragraph for existing structures shall not apply when additions are made to the unit that do not constitute an increase in living area. This section in no case will prohibit the addition of living area to a single-family residence when there is no accessible space available for the required additional parking space, subject to all other provisions of the zoning regulations being complied with.

- 2. Dwelling, two family/duplex, or multi-family dwellings: shall provide two spaces per unit, one of which shall be covered.
- 3. Condominium developments: require two covered parking spaces per dwelling unit, plus one guest parking space for each two dwelling units. The guest parking spaces shall be distributed throughout the development at locations approved by the Planning Department.
- 4. Mobile home parks: shall provide two spaces per unit, plus one guest space for each four mobile home sites in the park.
- 5. Senior housing units:
 - a. Where the square footage per unit does not exceed six hundred square feet, shall provide one space for each three units, plus one space per each staff member.
 - b. Units exceeding six hundred square feet shall provide one space per dwelling unit, plus one space per each staff member.
- 6. Boardinghouses: One covered parking space is required per habitable room as determined by the Building Official. For the purpose of this section, bathrooms and kitchens are not habitable rooms.

B. Quasi-public.

- 1. Auditoriums, assembly halls, community centers, churches, clubs or lodges: shall provide one space for each five permanently located seats or one space for each thirty-six square feet of floor area in the assembly room or rooms.
- 2. Theater(s) with less than two hundred total seats: shall provide one space for each three seats.
- 3. Theater(s) with two hundred or more total seats: shall provide one space for each five seats.

C. Office.

- 1. Banks, savings and loans and stock brokerage offices: shall provide one space for each two hundred sixty square feet of gross floor area.
- 2. Medical and dental offices: shall provide one space for each one hundred eighty-five square feet of gross floor area.
- 3. Office buildings: shall provide one space for each two hundred sixty square feet of gross floor area.

D. Commercial.

- 1. Ambulance services: shall provide one space for each emergency vehicle plus one space for each two attendants/drivers.
- 2. Animal hospitals and kennels: shall provide one space for each five hundred-twenty square feet of gross floor area.
- 3. Automobile and boat sales establishments and automobile car washes: shall provide one space for each three hundred-ten square feet of floor area, exclusive of mechanical service areas, plus one space per three thousand one hundred twenty square feet of outdoor sales or display area, plus three spaces per service bay.
- 4. Automobile service stations and auto repair shops: shall provide three spaces for each lubrication stall, service rack or pit, and service bay. A service bay is defined as a work area for the purpose of

lubricating, servicing and repairing vehicles and accessible to vehicles with a maximum dimension typically of twenty-four feet by fifteen feet in width.

- 5. Beauty shops: regardless of the number of workstations, shall provide one parking space per one hundred eighty five square feet of gross floor area.
- 6. Commercial uses (not otherwise provided for in this section): shall provide one space for each two hundred sixty square feet of gross floor area.
- 7. Machinery rental, sales stores (excluding motor vehicle rental or sales), appliance, carpet, and furniture stores:
 - a. Machinery rental or sales stores (excluding motor vehicle rental or sales): and similar establishments which handle only bulky merchandise (including but not limited to bulk goods, building equipment and supplies, landscape material and equipment) shall provide one space for each five hundred twenty square feet of gross floor area. Floor area within a storage room or loading dock that is used exclusively for storage or loading shall provide one space per one thousand forty square feet. One space for each three thousand one hundred twenty square feet of outdoor sales, display or service area shall be provided.
 - b. Appliance, carpet, and furniture stores: shall provide one space for each seven hundred eighty square feet of gross floor area. Floor area within a storage room or loading dock that is used exclusively for storage or loading shall provide parking based on one space per one thousand forty square feet of gross floor area.
- 8. Hospitals: shall provide one space for each bed plus one space for each employee or staff member.
- 9. Convalescent hospitals, rest homes, nursing homes, and facilities for the care of seven (7) or more non-related persons: shall provide one space for each three beds, plus one space for each employee or staff member.
- 10. Hotels and motels: shall provide space for each guestroom which opens to a public way or corridor, yard or court, plus one additional space for each ten rooms, plus two spaces for each dwelling unit.
- 11. Market, food and beverage sales establishments: shall provide one space for each two hundred sixty square feet of gross sales floor area.
- 12. Miniwarehouses: shall provide one space for each ten storage cubicles equally distributed throughout the storage area. Five spaces to be located in close proximity to the project office for the use of prospective clients; two covered spaces are required for an on-site manager's dwelling unit.
- 13. Mortuaries: shall provide one space for each permanently located seat or one space for each forty-six square feet of floor area in the assembly room or rooms.
- 14. Nursery schools: shall provide one space for each staff member plus one space for each five children.
- 15. Open-air sales (nurseries, motorcycle sales, etc.): shall provide one space for each one thousand forty square feet of site area devoted to public sales or display.
- 16. Shopping centers:
 - a. Shopping centers with more than forty thousand square feet shall provide one space for each two hundred sixty square feet of gross floor area, provided that restaurants occupy no more than twenty percent of the total gross floor area of the center and offices for physical health care services occupy no more than twenty percent of the total gross floor area of the center.
 - b. In the event that restaurants or offices for health care services occupy more than twenty percent of the total gross floor area, the gross floor area in excess of twenty percent shall provide parking at the rate of one space for each one hundred fifty five square feet.

- c. Where shopping centers contain more than one parcel, reciprocal parking and access agreements must be recorded for all properties.
- 17. Vocational Training Schools: which teach office, medical, dental, clerical, computer, reporting, or other similar skills to students sixteen years and older, shall provide one space for each faculty member or employee and one space for each two students based on the busiest time of the day. The number of parking spaces required may be reduced if the school provides a bus service acceptable to the Planning Department.
- 18. Businesses with video viewing booths: shall provide one space for each one hundred five square feet of gross floor area used to access or place video viewing booths. For the purpose of this section, video viewing booths means a room or area which includes one or more movie viewers, television sets, or other video devices, the operation or use of which is permitted, controlled, or made possible by the deposit or placement of any coin, plate, disk, slug, or key into any slot, or other opening, or by the payment of any fees.
- 19. Convenience stores which sell alcoholic beverages and prepared food intended to be consumed on site or in the vicinity of the store: shall provide one space for each two hundred ten square feet of gross floor area. For the purpose of this section, prepared food means hot dogs, hamburgers, slices of pizza, deli sandwiches, tacos, burritos and similar convenience foods.

E. Restaurants.

- 1. Restaurants, cafes, nightclubs, bars and cocktail lounges with seats or tables: shall provide a minimum of one space for each sixty five square feet of floor area used for tables and chairs and one space for each thirty two square feet used for dancing or entertainment plus one space for each two hundred sixty square feet of remaining gross floor areas.
- 2. Food businesses with or without seats or tables and which provide a single accessory food item such as donuts, ice cream, or yogurt, and do not provide a delivery service or a drive-thru window shall provide a minimum of one space for each two hundred sixty square feet of gross floor area.
- 3. Restaurants or food businesses with drive-up (car hop service), drive-thru windows or delivery service shall provide a minimum of ten spaces plus one space for every one hundred five square feet over one thousand square feet of gross floor area. Restaurants with drive-up windows may be given parking credit at the rate of one-half space for every twenty-four linear feet of drive-up lane, not to exceed a credit of three spaces.

F. Manufacturing.

- 1. Laboratories and research establishments shall provide one space for each three hundred ten square feet of gross floor area, but not less than one space for each employee.
- 2. Manufacturing and processing establishments shall provide one space for each five hundred twenty square feet of gross floor area.

G. Wholesale.

- 1. Warehousing establishments shall provide one space for each one thousand forty square feet of gross floor area, but not less than one space for each employee.
- 2. Wholesale business establishments shall provide one space for each five hundred twenty square feet of gross floor area.

18.60.060 Residential zones - covered off-site parking required.

- A. All off-street parking required by this chapter in any residential zone shall be constructed as follows:
- 1. In single-family residential zones, all such parking spaces shall be covered by a garage or carport.

- 2. In multifamily residential zones, at least one such parking space shall be covered by a carport or garage.
- B. Parking required by this chapter shall be subject to Design Review and approval of the Planning Director or designee.
- C. Parking design not approved by the Planning Director or designee may be redesigned by the applicant, or the decision appealed to the City Council.

18.60.070 More than one use on a site.

If more than one use is located on a site or within a building, the number of parking spaces provided shall be equal to the sum of the parking spaces required for each use.

18.060.080 Allocation of spaces in common parking facility - Joint use conditions.

The off-street parking requirements of this title may be satisfied by the permanent allocation of the required number of spaces for each use in a common parking facility, provided that the total number of spaces shall be not less than the sum of the individual requirements, at any one time, and provided further that a contract between the parties concerned setting forth the agreement to joint use of a common parking facility is approved by the City Council.

18.60.090 Preservation of existing spaces.

No existing parking shall be changed unless equivalent substitute facilities are provided, or unless the existing parking exceeds requirements, in which case the number of spaces may be reduced to that required under this chapter.

18.60.100 Unspecified uses.

Where the parking requirement for a use is not specifically defined, the parking requirements shall be determined by the Planning Director or designee and such determination shall be based upon the requirement for the most comparable use specified in this chapter.

18.60.110 Garage opening setback.

The minimum distance permitted between a garage opening and a building or structure in direct line with the driveway edge closest to that building or structure is twenty-five feet. This distance shall be measured perpendicular from the face of the garage along the driveway edge closest to the building or structure, see Section 18.60.190.

18.60.120 Location on same lot.

All off-street parking spaces for all office and commercial uses shall be located upon the same lot as the use for which such parking is provided or if approved by the Planning Director or designee, within three hundred feet from the boundary thereof with a recorded off-site parking easement.

18.60.130 Curbing and striping.

- A. All landscaped areas which are located within or adjacent to parking or vehicular traffic areas shall be protected from vehicular traffic by the installation of standard concrete curbing.
- B. Parking spaces shall be marked by double striping. Raised four inch disks placed not more than eighteen inches on-center may be used in lieu of painted stripes, provided the rows of disks are spaced in accordance with the requirements for painted stripes.

18.60.140 Access and maneuvering space.

The following standards shall apply unless additional space or width is required for fire safety purposes.

- A. Space for turning around must be provided for parking areas of three or more spaces, so that no cars need back into the street. Exception: This requirement shall not apply to properties developed and used as a single family residence.
- B. Driveways providing two-way circulation to office, commercial and industrial uses shall have a minimum width as follows:
 - 1. Twelve feet when serving one to and including seven parking spaces;
 - 2. Twenty-four feet when serving eight or more parking spaces.
- C. Driveways providing two-way circulation to residential uses shall have a minimum width as follows:
 - 1. Ten feet when serving one to and including seven parking spaces;
 - 2. Twenty feet when serving eight or more parking spaces;
 - 3. The City Council may require wider driveways where the driveway length or number of spaces is determined by the City Council to cause poor circulation.
- D. Driveways serving any number of parking spaces with one-way traffic shall have a minimum width of twelve feet. Parking lots with one-way driveways shall provide an entrance and an exit, and each entrance and exit shall be clearly identified.
- E. Wider driveways may be required by provisions of the Uniform Fire Code, amended by Guadalupe Municipal Code.

18.60.150 Landscaping.

In all districts, excluding the R-1 district, all open parking areas shall be landscaped except those areas specifically used for vehicle parking. Landscaping shall include trees, shrubbery and ground cover. The landscape areas shall be provided with permanent sprinkler systems. Landscaping plans for commercial parking areas shall be approved by the Planning Director or designee.

- A. The design of the parking area should make the best use of the growth and shade provided by existing trees on the project site.
- B. When the total uncovered parking area on the project site (including adjoining lots over which the project has parking privileges) exceeds 3,600 square feet, the following shall be required, in addition to other provisions of this Section, as part of a landscape plan:
 - 1. Trees, shrubbery, and ground cover shall be provided at suitable intervals in order to break up the continuity of the parking area. Planting islands or these trees and shrubs shall be protected from automobile traffic by either asphalt or concrete curbs.
 - 2. Landscape islands shall be provided at the ends of all parking lanes.
- C. Parking shall be provided at the side or rear of the proposed structures when practicable. Parking lots fronting streets shall be landscaped to soften the visual impact of the parking lot from the street.
- D. Carports shall be located behind or to the side of multi-dwelling complexes where practical. Carport areas shall be screened from view of streets and highways by landscaping or fencing.
- E. Drainage of landscape and parking areas shall comply with current National Pollution Discharge Elimination System (NPDES) and Regional Water Quality Control Board standards for stormwater runoff including Low Impact Development (LID) standards.

Article II. Off-Street Loading

18.60.110160 Required when.

At the time of any change in land use, or enlargement of a site or structure in a G-C, M-C or M-1 zone, the Director or designee may require one or more off-street loading facilities, to assure that trucks will not be loaded, unloaded or stored on public streets.

A. Non-residential structures:

- 1. Each loading berth shall be not less than 45 feet in length and 12 feet in width, and shall have an overhead clearance of not less than 14 feet, except that for mortuaries, cemeteries, columbariums and crematories, loading berths used exclusively for hearses shall be not less than 24 feet in length and 10 feet in width, and shall have an overhead clearance of not less than 8 feet.
- 2. Sufficient room for turning and maneuvering vehicles shall be provided on the site in order that it will not be necessary for any vehicle to back onto the site from the public street.
- 3. Each loading berth shall be accessible from a public street or alley.
- 4. Entrances and exits shall be provided at locations approved by the City Engineer.
- 5. The loading area, aisles and access drives shall be paved so as to provide a durable, dustless surface, and shall be so graded and drained as to dispose of surface water.
- 6. Bumper rails or curbs shall be provided where needed for safety or to protect property.
- 7. If the loading area is illuminated, lighting shall be deflected away from abutting streets and residential sites so as to prevent dangerous or annoying glare.
- 8. A loading area shall not be located in the required front yard in any district.
- 9. Repair work or servicing of vehicles shall not be conducted in a loading area.

B. Multi-family Structures:

Multi-family dwelling complexes which do not have adequate street or alley frontage shall provide off-street loading spaces having a minimum width of twelve feet and a minimum length of thirty feet exclusive of necessary ingress and egress and shall comply with the same standards as in the non-residential provisions above. The number and location of such loading spaces shall be designated on the Design Review plans and approved by the Planning Director or designee.

18.60.170 Layout and stall size.

All parking areas shall conform to the following designs and specifications as shown in the table below (See also Figures 1 and 2 in Appendix).

Standard Size Car Angle of Stall Width Curb Stall Denth Aisle Width Boy Width							
Parking (A)	(B) *	Length per Stall (C)	Stall Depth (D)	Aisle Width (E) †	Bay Width (F)		
Parallel	8'-6"	22'-0"	8'-6"	15'-0"	23'6"		
30	9'-0"	18'-0"	17'-0"	13'-0"	47'-0"		
45	9'-0"	12'-9"	20'-0"	15'-0"	55'-0"		
60	9'-0"	10'-3"	21'-0"	18'-0"	60'-0"		
75	9'-0"	9'-4"	20'-6"	21'-0"	62'-0"		
90	9'-0"	9'-0"	19'-0"	24'-0"	62'-0"		

The basic minimum dimension for standard parking spaces is 9'-0" by 19'-0". Parking space striping is measured from the inside edge of the parking space striping to the outside edge of parking space striping. The required aisle width may be modified upon a finding by the city engineer that sufficient space is provided so that maneuvering areas will not interfere with traffic and pedestrian circulation.

*Increase width one (1) foot if adjacent to a solid barrier. (Carports ten (10) feet minimum.)

† Minimum twenty-four (24) feet for two (2) way traffic.

18.60.180 Wheel stop locations.

Front overhang clearance (If the front overhang clearance is over a planter area enclosed by concrete curbs, the stall length requirement may be reduced by the length of the clearance.): Rear overhang clearance (See figure 2 in Appendix).

SECTION 3.

Title 18, of the Guadalupe Municipal Code is hereby amended to include an Appendix following Chapter 18.84, Enforcement, or whatever the last chapter is through future amendments. Figures included in the Appendix will be identified by title and can be amended from time to time.

SECTION 4.

This Ordinance has been reviewed for compliance with the California Environmental Quality Act (CEQA), and the CEQA guidelines, and has been found to be exempt pursuant to §15306 of the CEQA Guidelines (Information Collection) because it does not have the potential to create a physical environmental effect.

SECTION 5.

The City Council declares that each section, subsection, paragraph, subparagraph, sentence, clause, and phrase of this Ordinance is severable and independent of every other section, subsection, paragraph, subparagraph, sentence, clause, and phrase of this Ordinance. If any section, subsection, paragraph, subparagraph, sentence, clause, or phrase of this Ordinance is held invalid, the City Council declares it would have adopted the remaining provisions of this Ordinance irrespective of the portion held invalid, and further declares its express intent that the remaining portions of this Ordinance should remain in effect after the invalid portion has been eliminated.

SECTION 6.

The City Clerk is hereby authorized to make minor changes herein to address clerical errors, so long as substantial conformance of the intent of this document is maintained. In doing so, the City Clerk shall consult with the City Administrator and City Attorney concerning any changes deemed necessary.
