Tuesday Mornings of Loteria And Bingo At The Senior Center

The City of Guadalupe Senior Center, located at 4545 10th St., is hosting Bingo and Loteria every Tuesday beginning August 6, 2024 from 10:30 a.m. to 11:30 a.m. all throughout the month of August. Increase your imagination, unleash your competitive nature, and join us for loteria and bingo every Tuesday morning. Loteria, bingo, and other competitive group games are beneficial for all senior citizens. Besides providing a fun activity to keep busy, game play has health benefits such as stress relief, improved brain function, and mental health, which give seniors an opportunity to build friendships with each other. During game events, our seniors build community and create meaningful relationships. Prizes will be provided to all winners. This activity is a free service provided by the City of Guadalupe Recreation and Parks Department to all seniors.

Questions may be directed to Isaias Rosas, Senior Center Coordinator, at 805-356-6155.
