It was fascinating to hear that they volunteered their time at that library. It was great to see the kids engaged, They were so eager to read with them." Mr. Rodriguez said, "He's been really patient with us and a great asset to our organization. Last year, we changed our process that all of our volunteers need to go through. There's the background process, fingerprinting, reference checks, Live Scan and be TB tested. So, they have to do all of that to be a volunteer. This was a new process that the Boys & Girls of America put on us. It took about six (6) months to get everyone through. He was very patient with us and still donated his time."*

*Mayor Julian asked, "What about the mobile farmers market? They've had meetings." Ms. Barajas said, "They're in the process of working on it. I know they're having meetings to continue to develop that. They will present to the City council when they're ready." The mayor then asked, "Is that for the mobile or for the regular farmers market? Ms. Barajas said, "They've spoken about both. They think the mobile's still happening. I haven't heard a date lately, so I don't know if they've taken a break during the summer. I do know that they're trying to work on the actual farmers market, as well."*

-Waste Water Treatment Plant Improvements – MKN is working with the WWTP staff and the Regional Board to bring the City's wastewater treatment plant into compliance with our current permit.

**10. DIRECTOR OF PUBLIC SAFETY: (Information Only)**

A. Director of Public Safety report for September 10, 2024

*Chief Cash reported on the following:*

*-Son Care Foundation – this is the overall non-profit in charge of New Life K9s. I appreciate Mr. Jansen coming tonight. A commercial was just completed highlighting Guadalupe.*

*-Wellness Program- The "First Responder Wellness Center" is located in Orange County. One of our officers attended this program. "Debbie" and I will tour their facility down there in Orange County. I will later give a talk and demonstration of our Wellness program.*

*San Diego Police Well Program will have me visit and present at their facility, and they will, in return, come to Guadalupe to visit and view our program. This will be an exchange training session.*

*-I was appointed to the California League of Cities as the California police Chiefs Association Representative on the "Advancing Equity Advisory Committee", advancing equity throughout cities in California. I'm proud of that and, hopefully, I can bring more to the knowledge about Guadalupe on that committee.*

*-This Sunday, September 15<sup>th</sup>, is the Comité Civico parade which begins at 12noon. The City Council is invited to ride on "Granny". Parade starts at 12noon. Participants need to gather by 11:30 a.m. on Fifth Street.*

*-Today, the School Superintendent, Todd Bodem, two (2) school principals and I met to talk about safety. I had met with their safety committee on Monday to talk about emergency preparedness. We are not really functioning together. One of the things we're going to start doing is emergency preparedness...their staff wants training. The City Council will get similar training. That's all for decision making in worse case scenarios. First responders are prepared and know what to do. We can talk with all our other departments, but we do need to get the training for our city leaders, so we can make those proper decisions. We will meet monthly. We had some very interesting ideas at our meeting...was very productive. A meeting with the City Engineer will be held on Monday, September 16<sup>th</sup>, to look at Mary Buren, McKenzie and the new school site.*

*-Cannabis Dispensary – this afternoon, we did the next to the last tour. Building and Fire were with me. The building and fire security systems are good. They uploaded the app, so I have access to their cameras on my phone. FYI, two (2) facilities in Grover Beach were burglarized this weekend. I feel good about the processes here will prevent what happened in Grover Beach.*

*-Impact Fee Finalization meeting is scheduled for September 12<sup>th</sup>. Todd Bodem is chairing. Thank you to City Attorney Sinco and Assistant City Attorney, Wendy Stockton, for their assistance. This was a very complicated issue. Captain Patrick Schmitz put together the form for the meeting.*

*-On Wednesday, September 18<sup>th</sup>, a dinner at the Elks Club recognizing law enforcement is scheduled for the "Officer of the Year" awards.*

*-Marian Regional Hospital Board – new specialty OB/GYN will be hired to help with migrant communities. Translation assistance will be a big factor.*

*CM Hernandez asked, "On the cannabis dispensary, I think I saw online that there will there be a grand opening?" Chief said, "They're having a soft grand opening. It's going to be in a closed secured facility. All the major participants have my number. We walked the facilities, that's why I was with them today."*

*CM Hernandez then asked the Chief, "On the upcoming parade, I have some safety concerns. How long will people have to walk to the park before the streets are open?" Chief Cash said, "We really got this at the last minute. Rudy will be at the very end of the parade. Because of the timing they have from Cal Trans, we have to start opening up. We're going to have to get people out of the streets. We're on a time limit with Cal Trans." CM Hernandez then said, "Request timing that Cal Trans is wanting streets to be open. What's on the application? Because if there's too short of a time, that's a safety concern." Chief said, "We'll make that a priority with the traffic control people, so we have that type of communication." CM Hernandez then asked, "How can we make sure we can have this conversation is opened earlier for next year? They do prepare an application for a permit and give it to the City. So, where does the ball drop?" The mayor said that they submitted to the City, then to the State.*

*-Line Dancing is next scheduled on Thursdays, September 19<sup>th</sup> and September 26<sup>th</sup>. Doors open at 6:00 p.m. (was 6:30 p.m.) Waivers must be signed.*

*-The last Poetry Jam with Arnulfo Navarro is scheduled for Friday, September 20<sup>th</sup>. Arnulfo Navarro is on a grant working with the Little House at the Park that is ending in September. He will continue to do the Poetry Jam sessions as a resident in partnership with the Recreation Department. We'll skip October. Then well do November and January. Looks like he's doing every other month. Again,*

*the next one is Friday, September 20<sup>th</sup>, from 6:30 p.m. to 8:00 p.m. Mayor Julian asked if these were in Spanish. They are.*

*-Skate Park Design Class, Sunday, September 21<sup>st</sup>, from 11:00 a.m. to 1:00 p.m. Learn how to design a skateboard. Once finished, you will have a functioning skateboard. There are 10 spots left. All participants must register. Use the QR code on the flyer.*

*-Movie Nite: At the last movie night there was a snack bar fundraiser for the Bulldog cheerleaders. Also, the cheerleaders did about 5-6 cheers. The fundraiser made \$500+. There were 144 attendees. More youth groups are encouraged to have fundraisers at future movie night events. There are three (3) months open to do so for the rest of this year. October, November and December are open to have a fundraiser. September will be "Lobo's" at the snack bar.*

*CM Furness asked, "Can I give your email and phone number out? I have a group who may be interested." Ms. Barajas said her contact information could be given out.*

*-Soccer: We've accepted Youth Evolution to provide soccer lessons for youth, ages 2 to 11 years old. Learn how to play soccer at O'Connell Park. The lessons will be on Wednesdays starting October 2<sup>nd</sup> with the last one on October 23<sup>rd</sup>. The fee has been dropped to \$55 (not \$65).*

*-Pickleball: We've researched this and will start next month. Equipment needs to be purchased. There will be one (1) court available at Le Roy Community Center, every Monday, from 10:00 a.m. to 12noon. We will offer this for a month to see the interest. If it goes well, we'll look for an outside court, e.g. Paco Park where there are two (2) courts there. We've also looked at doing clinics. There are three (30 different coaches who charge by the hour.*

*Mayor Julian said, "You'll find that many adults lay pickleball. Look at Trilogy." Mr. Bodem added that pickleball is the fastest growing sport.*

*CM Robles said, "That's a great idea. Something for future reference...utilize the Boys & Girls Club for yoga classes." Ms. Barajas said, "That's on my list." CM Robles added, "I'm looking at new residents, like at Pasadera. Maybe two (2) days a week." Ms. Barajas said, "I'm working on yoga. Pickleball was on my list with yoga right behind." CM Robles said that the Buddhist Temple here in Guadalupe is hosting tai chi.*

*CM Hernandez asked, "Are you able to use the plexiglass for recreational activities at the Royal Theatre?" Mr. Bodem said, "Yes, the plexiglass will be cleaned." Ms. Barajas then said, "It's not been offered to me, but I'll be happy to use that. After I first was hired, I ordered two (2) bulletin boards, one (1) each for Le Roy Park and O'Connell Park. Then I ordered a second one for O'Connell Park. Because O'Connell's so large, it's good to have one near the softball field, so if that area's requested, we can post a sign on the board. Another one is going to be installed closer to the barbecue area. Those boards will be kept updated with the flyers that are everywhere else."*

*Mayor Julian said, "Esther puts out a huge calendar. There's no calendar on the general City website...like the 16<sup>th</sup> of September or any major events/activities. You don't need specifics, like volleyball, basketball, those types of things. But other things, like the 16<sup>th</sup> of September celebration, etc. If you look at the website...correct me if I'm wrong, there's no calendar about what's going on*

*in the City.” Ms. Barajas said, “I believe you’re correct. I’m not sure if that’s under Recreation’s purview but agree that that could be done.” The mayor reiterated that a general calendar of events and activities...at a glance, should be on the City website...just a thought.*

## **REGULAR BUSINESS**

- 12. Approve an Agreement and Mortgage document granting a first priority lien to the Economic Development Administration (EDA) on the Royal Theater property.**

Written report: Philip F. Sinco, City Attorney

Recommendation: That the City Council adopt Resolution No. 2024-55 approving the Agreement and Mortgage document granting a first priority lien to the Economic Development Administration (EDA) on the Royal Theater property, authorizing the Mayor to sign the document on behalf of the City, and directing that the document be recorded.

*City Attorney Sinco said that the staff report has a quite a bit of background information. He broke the report down with the following explanation: The City of Guadalupe owns the Royal Theatre. When it was acquired, there were three (3) parcels that had to be merged into one (1) to construct a project on the site, because you can’t have buildings crossing property lines. There was a lien on the property when the City acquired and purchased. it. Even though the loan was paid off, it wasn’t cleared timely. All of those issues have been resolved.*

*As a condition of the Economic Development Administration’s possible \$4.89 million grant for the project, they require the first priority lien for that against the property. That’s the purpose of the document included with the staff report. It’s not really a document that the City was able to negotiate with the federal government. It was pretty much taken as it is. An opinion was rendered that it is okay as it is. The City Council is requested to approve Resolution No 2024-55 to approve the Agreement and Mortgage document and authorize the Mayor to sign the Agreement and Mortgage document on behalf of the City.”*

**Motion was made by Council Member Costa, Jr. and seconded by Council Member Hernandez to approve Resolution No. 2024-55 authorizing the Mayor to sign the Agreement and Mortgage document on behalf of the City and directing that the document be recorded. Roll Call: Ayes: 5 Nos: 0 5-0 Motion passed.**

*In recognition of National Suicide Prevention Month, I want to emphasize the importance of coming together as a community to support mental health and prevent suicide. With 45 lives lost in Sata Barbara County alone in 2023, it’s crucial to remember that every conversation and act of kindness*
